From your BTW Headquarters

To All Members

Well we finally got to take some time off and go to our first event of the Year. Lynne & I went to the Region 9 Trike-In and had a wonderful time, the weather was great, the riding was fantastic and the people were why we do this crazy job, thanks to you all for such a great time. We got back just in time to get this issue of the magazine completed and then we had to start the record transfer to the new database for the new website. So if you do not hear from us in the near future, you know why. It is a major undertaking, but if BTW is to continue & grow it needs to be done. I am sure we will have our ups and downs with the conversion but with your patience and understanding we will get there. The new site will provide many more services to the members and allow us to make changes and corrections to information, as well as tracking users and potential members. Advertisers will be able to have ads on the home page and chapters can get information and post information for their members and activities. So hang in there it is on its way. I hope to see many of you at this year's events, as we plan to get to as many as possible. Please let us know if you have any ideas or suggestions about what you would like to see in your organization. Our membership is growing and not only here but world wide. We just added a group in Sweden and more on the way. Some of you may have noticed or seen the new International logo we have put together, which consists of the current logo with the addition of an outer oval with the added info "International Organization For All Trike Riders". This logo is intended to provide proof of our commitment to all the members world wide that we previously stated were part of our Association but had very little representation and several conflicting issues. As these have been resolved and we do now have this responsibility we are making this added logo available to those who wish to wear it. We have many new members and chapters starting up here in North America and it is wonderful to see some of our members stepping forward and offering their services as Directors to aid the members. I believe BTW is starting to become the new home for the many new younger trike riders who are more interested in riding their trikes than just

meeting and talking about them. Remember trying to keep up with them is what will help to keep us young. NEVER LET IT BE SAID THAT THAT YOUNG WIPPERSNAPPER ON THAT NEW BACKWARDS TRIKE CAN GO FARTHER OR FASTER OR MORE OFTEN THEN ME. HE IS GOING TO HAVE TO PROVE IT AND TO DO SO I WILL NEED TO BE THERE. I guess I need to go dust the trike off and get out there. On a more serious note, Jack Mertes Region 9 Director, came up with a proposal to put to the members to try and correct the situation we have concerning the finances needed to cover the cost of services for existing life time members which was not held in reserve. This plan is to request that the membership voluntarily donate 10% of the monies that is intended to be donated to charity from any BTW event held. This would help defray this cost and not put the burden on any member. This concept was presented to the members attending the Region 9 Trike-In and was accepted and approved almost unanimously. The members showed their support for this plan by bidding feverishly on the items in the auction. This is a tribute to the type of people we have as members of our Association and I, for one, am proud to be one of you. Now for the even more serious stuff, I have been told that I must use the photo taken of me on St. Patrick's day at the Region 9 Event for this article to maintain its professionalism. So here it is. Ride safe and enjoy your Triking.

**I would like to thank Noel Moss for his very substantial Donation toward the Lifetime Membership Issue and also Kathryn Henry & Russ & Laurie Lamb for their very generous donations. Every dollar helps resolve this issue. Thanks again
Alex CEO**

Back Cover: This trike and trailer belongs to Steve Johnson of Bradford VT. Steve says: my trike (15 years old) and my tear drop camper, both designed and built by me.

REGIONAL DIRECTOR ELECTIONS

Board of Directors Election Schedule

BTW Board is made up of 10 Directors; 9 regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve on the Board of Directors. The Board makes decisions regarding the running of BTW. Each Regional Director is elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down and have them replaced. The Regions are set out on the Contact pages. For more info, contact Headquarters.

Election schedule is as follows:

2014: Regions 3, 6, 9 **2015:** Regions 1, 4, 7, and 10 **2016:** Regions 2, 5, 8

Board of Directors Elections 2014

If you are a member living in Regions 3, 6 or 9 here is something to think about. Your representative on the BOD is up for re-election during 2014. If you want more info about being a Regional Director and what it entails, contact your current regional Director or HQ and ask them what they do.

BTW Regional Directors Elections 2014

This year it is the turn of Regions 3, 6 & 9 to vote on the person to represent them on the BTW Board of Directors for the next 3 years, so if you are a member in those areas this concerns you. At the moment your directors are

Kathryn Henry, Area 3;

Open, Area 6;

Jack Mertes, Area 9;

The current representative for Regions 3 Kathryn Henry and Region 9 Jack Mertes are prepared to stand for another 3 years if no-one else volunteers and you would like them to do so, but Region 6 is currently open and needs a volunteer.

(We, Shaun & Jackie, Region 10 Directors, are the election committee responsible for these elections.)

If you read the BTW bylaws you will find all info regarding membership of the Board of Directors in **Article V. Section 5.04 Qualifications** states: any member not suspended or revoked, in good standing for the most recent two (2) years, residing within the Region, and as otherwise provided by the directors, is eligible to be elected as the Regional director and **Section 5.05 nominations** states: nominations for Regional Director shall be made to the State/Area director who shall present the nominations to the elections Committee for screening prior to being placed on the ballot.

If you have been a member for the last 2 years, and feel you would like to be considered for one of these posts get in touch with your State/Area Director with a short resume and a photo showing why you think you should be considered as soon as possible so that details can be passed on to us, the election committee. Our email is ukbtw@yahoo.co.uk if you wish to contact us direct as well as contacting your State/Area Director. Once we've received all nominations, if there is more than one nomination for any Region, the details will be forwarded onto the State Directors in that region for the vote.

The **closing date** for nominations is **MARCH 31** to allow time for Chapter Directors in these regions to discuss this with their members. BTW has great plans for the future and really need people on the Board who are able to pass on these exciting ideas to all the members. Have fun and keep safe.

Shaun & Jackie Lloyd (HT & Mrs HT), BTW B.O.D. Election Committee.

News: Right now we are into our Mardi Gras season and having a wonderful time. A few members (me included are working on our trikes) so are not able to ride but we are cheering on the ones that can. In Mobile, AL the weather does not always want to co-operate, some days it's nice and warm, others cold and windy. But we go on with the show as they say. Anytime some of you'll want to come down to join us in the parades contact us and we will be happy to give you all the info, time etc. We would like to ask for more prayers for Yogie, he is greatly improving but still a ways to go before full recovery. We are all looking forward to him getting back to riding his trike again.

However, our first planned ride was cancelled due to some much-needed rain. We did however hold our monthly meeting. We celebrated some milestones in March. One of our newer members, Lloyd (Jonesey) Jones celebrated his 65th birthday. Two of our other members also celebrated. Jim (Gypsy) Reed turned 80 and Bill (C-Major) Reed hit the 85th mark. These guys know what it is all about to be free on three. None of them miss many rides. Weather permitting; we will have a ride and meeting next month. Our group is already planning some rides over the summer riding season. A two-day ride on old Route 66 and a five-day ride to the North Rim of the Grand Canyon are in the works. If anyone will be out west, contact me for dates and places. The Region 9 Run in Laughlin will be over by the time this is

Meetings: Every May and October at the State Trike-In or any special called meeting, as required, following BTW Bylaws.

News: Loner reports: The wife and I have both been sick and still not doing that well, but we are working through it. For me, it has been crazy with building another trike, doing some home repairs, fighting with the county, starting trophies for two groups and to top it all off, with all the rain, we got up on Saturday morning to find the ceiling in the dining room on the floor. Well, I guess I can get off my box for now, so now about the Western National Trike-In on April 30th, May 1st, 2nd, 3rd, & 4th. Plans for it are going well. Everyone is doing a great job in the areas that they are working on, except for pre-registration, not on Kathryn's part, she is doing an excellent job but on the members side. We need you to get those pre-registrations in as soon

as possible. Check the flyer in the Triker Magazine for the information. We are going to have three days of day rides, check the BTW Forum for where they will be. A new game, new band (Really Big Midgets), pot luck and hopefully a good time will be had by all. Well, that's about all for now, hope to see you at the Trike-In. Ride Safe, Ride Free, and God Bless

Meetings: Second Saturday 9AM at Denny's at Willow/Shaw.

News: Margaret reports: This New Year is going so fast! It is already time to load up the trikes and head for the Laughlin Trike-In. We have quite a few members that have signed up (and) are shining up their chrome, and checking out their trike one last time! We always have a good time at Laughlin! Due to our amazing run of warm dry weather out here in California, we have taken lots of day rides this winter! Our last one to Tollhouse, was a day of sunshine and nice lunch in the mountains! Chapter members have decided on chapter shirt design and color! You won't be able to miss us at next Trike-In The annual Clovis Rodeo Parade is fast approaching and we always have a large group signed up to ride. Our trikes will be shined up, decorated from front to back and Bill will be pulling a trailer with 12 members! The crowds of young and old alike, seem to really like seeing the trikes do their tricks and turns! Our great Road Captains have completed the planning and mapping the exciting rides for the "Western National Trike-In" in May! Plan to come join us in Madera for an amazing time! Rides have been planned everyday beginning Wednesday afternoon! Of course, the beautiful ride thru Yosemite National Park is the cherry on the cake top! We are planning to have lunch in this wonderful location, with time to relax and enjoy! Come ride with us! Our Chapter is planning to ride to (the) Seligman Ariz. Run again later in May. We have gone before and always have a great time ! Looking forward to renewing old friendships and seeing new scenery! Perfect riding weather, good friends, and terrific food! What more could a triker ask for? Roy has his trike apart for engine work and new paint job. Should be ready to show at Nationals Heard a rumor it will be a awesome shade of yellow! Can't wait (to) see it rolling down the road, Roy! I would love to see our year be one of good rides, seeing beautiful scenery and sharing caring friendships! Life is too short to spend it arguing over things that really tear at the fabric of Chapter Brotherhood . All of us love riding, seeing chapter friends, and sharing the joy of triking! Lets' get it done!

Assistant Director: Bill Duncan, Palermo, 530-532-1490

Meetings: First Saturday at various locations in Oroville at 10:00 AM. Please call directors for information.

News: Clare reports: Not much riding was done during the winter months. It looks like the weather is changing for the better, it's time to get on the road again.

CALIFORNIA Rivercity Trikers Sacramento Area

Director: Becky Landin, Rancho Cordova, 916.747.2048
rebeccalandin@att.net

Assistant Director: Reggie Joaquin, Roseville, Reginald.joaquin@yahoo.com

Meetings: The 3rd Saturday of the month. Call the Director for more info.

News: Becky reports: 01/05/2014---Wishing all Trikers a "belated" Happy New Year. Reggie and Becky rode to Chico and Paradise. While on this ride, we took a "recon" ride up to Iowa Hill to confirm the store/diner will be open on the 4th of July. Donna has picked that day and that location for the "Bob Bennett Memorial Ride". It was his "favorite ride". They will be open and will assist us in every way. Current plan is to "burn" Bob's vest in memoriam. Additional plans, if any, will be discussed later. On 01/12/2014---Reggie and Becky rode to Mukolumne/Electra River Beach. The purpose of the ride was to explore the area for an "all day" ride/picnic later in the summer. It should be a great ride. We are really looking forward to it.

On 01/18/2014---Meeting/Dinner was held at Golden Corral. We always enjoy going there because of the many main course meal selections and side dishes. (As a side note, None of us had dessert--do you believe that?) Donna Bennett had prepared a 2014 RCT Triker Calendar, using pictures of us on our trikes, and presented them to us during the meeting. Both Reggie Joaquin and Chuck Peterson enjoyed their birthday celebration with all of us. On 02/22/2014--- Meeting/Dinner was at Navillero Mexican Restaurant. We

discussed the upcoming season. We have decided to change our monthly meetings from the third Saturday to the third Sunday. We will be meeting & riding in the morning/afternoon; finishing up with dinner at 5:30.

In March, 2014, we are planning to have our meeting/dinner at an Irish pub to celebrate St. Patrick's Day. On April 13, 2014, we are planning a "Maintenance Breakfast", hosted by Conrad Lawrence, which will be followed by an afternoon ride. This is in preparation for the Western Trike-In. Looking forward to seeing everyone in Madera! "Knees in the breeze"

to haul it in and found a buyer for his old flatbed one within 20 minutes of posting it on Craig's list. He was delighted about that! One of our members has been down with pneumonia, thought he was about over it and it knocked him back again. We hope he's up and at 'em real soon and back to his ornery self. Looks like several of us are headed to Laughlin for the Region 9 shindig and a few are headed to Madera for the Western National. About time to be back on the road!

Meetings: Golden Corral (Powers and Palmer Park)
6:30 pm (first Thursday of every month)

News Bill and Kathy Haskett attended the Region 9 Trike-In in Laughlin, NV. This was a fantastic event. The weather was perfect for riding and we had great day rides – Lake Havasu, Kingman, AZ, Oatman, AZ, Needles, CA and the highlight was going to one of the nursing homes and giving the residents trike rides. The smile on their faces was such a rewarding experience. We met a lot of new people and had a lot of laughs. There were also several BTW members from the Denver area that attended. This is definitely an event to put on your calendars every year as it is a lot of fun and well worth going to. We will be having our annual picnic at Fountain Creek Regional Park on Sunday, June 22. We still have monthly breakfast get-togethers on the third Saturday of every month at the Black Bear Diner at 9 am (Galley and Academy Blvd). Can't wait for the weather to get warmer so we can go on some day rides after breakfast.

News: Had a great time meeting the folks down south, during the South Fl. Gathering, though learned we really weren't in "south" Florida guess we gotta go further down. Leesburg Mardi Gras on Main Street was a good time, though more of a family event than a Triker/Biker event, the bands that were playing were pretty good. When you read this Daytona Bike week will have past, hope everyone had a safe/fun time. The local Ocala Drive-In (yes we have one) began a bike/trike swap meet a few months ago & the chapter has been attending from the beginning. Hopefully the event will really catch on and last awhile. This one is the 2nd Saturday from 8-12 pm. Looking forward to attending the State Meeting/Gathering on May the 10th at the Farm. (see state news) Also upcoming is the annual July 4th, ish party, always a great time visiting with everyone and cooking up some good eats. This years is Saturday July 5th from 10-4pm. Bring your chair, a covered dish to share, your favorite beverage and of course stories of rides that you've had this season. Ride like ya' stole it, J.B

News: We have just completed our second year as a Chapter. There was a nice turn out for our monthly meeting. Everyone was excited. The weather was beautiful we rode to Floral City after our meeting and went to a nice restaurant for lunch. We want to ask for your prayers for a member who has been under the weather, John Aparo. He was in the hospital recently for heart surgery and is now out and moved to rehab. We wish him the best and full recovery. We are looking forward to more rides now the weather is getting nicer. News: We are getting ready for our first meeting at the American Legion, since Luke's Place closed. This should change a bit of the character of our meetings. We haven't had that many activities lately. In January we had the Blessing of the Bikes in Pompano. In February Bill Tessar, Vicki and I went up to South Melbourne Beach for a South Florida Gathering of BTW. There were members there from around the state. It was a cool and wet day, but also nice. I introduced Vicki to Dave and Sue from Jupiter, whom I had met before. Bill Tessar is still looking for a trike, or at least an idea for one. I wish him luck. Bike Week at Daytona is coming up soon, and we will have some of our chapter members going up there. The clocks are changing soon, so we might have some night time driving ahead of us. That's all for now, so arrive safe on three.

coffee and business at 10 am at the Bronson Restaurant in Bronson, FL. on Alt. US 27. New members and out of town riders are always invited and welcome.

News: We are getting busy! Our Chapter voted to change the meeting place to the Bronson Restaurant in Bronson, FL. on Alt. US 27. Some members met at the restaurant to see if it was a suitable meeting place and all agreed to approve. The meetings are still the second Saturday of each month at 9 AM for coffee and business at 10. Ads were placed in three local newspapers in the Community Interest sections and they attracted two visitors and three new members to the February meeting. We are so pleased and hope to keep on growing. Fund raising was the subject of the meeting and a yard sale at a flea market was decided. On March 8th we meet at Joe's instead of our regular meeting at Bronson, for breakfast and to gather and inventory all items donated for the sale, getting them marked and ready. Call Joe for details and directions. The sale will be at the Bronson Flea market, in Bronson, on March 15th, starting very early and lasting until around 2 PM. We hope to attract some new members and to make some extra money for Chapter activities. We have good news about one of our members, David (AKA Pony Tail) who was run into by a deer. He is recovering and we wish him well. The Nature Coast Chapter mourns the loss of a long time former member, Curley, from Inglis, FL. RIP

Our regular 3rd. Saturday meeting was changed in December to the 14th. to accept an invite from Clint & Rosie Elmore to have lunch at their home. Rosie made chili and cornbread and there was a generous amount of candy, cookies, pies, etc to be shared by all. Enjoy the pictures. Like everyone

News We welcome our two new members, George and Sherri. The Tripods have been asked by Freedom Quilts to join the Patriot Guard, several American Legion chapters and many other cyclists to ride flag escort for the families of Fallen Soldiers at a ceremony to present homemade quilts to these families. This will happen April 5th. Depending on the weather, all members want to participate as either escort or flag bearers. The 15th Annual Motorcycle/Trike Display in Spencer will be held April 25, 26, and 27. It sounds like we will have a good showing of trikes. As I write this, we have a wind chill of -29 degrees and most of us suffer from cabin fever and are ready to get their trikes out and start cleaning off the storage dust. The coffee is still on, so stop by.

News: Wayne Eck, KS State Director submits that again we are being teased by the weather with days of 50-65 degree highs followed by inches of snow! We are seeing a lot of colds and even a pneumonia and feel this roller coaster of weather has something to do with it. Our sympathies go out to the family of OPT member Bill Taber. Bill was a casualty of our winter ice. He was going to eat on a Sunday with some friends and fell on ice as he was going into the restaurant. He did not lose consciousness, got up, went in, cleaned up the wound on the back of his head and ate lunch. By the end of the meal he was feeling a little bad and decided

to go to the VA for evaluation. From there they sent him to the large trauma center at Via Christi but a few hours later Bill passed away from a bleed around his brain on February 9, 2014. We will all miss him as he was one of our oldest members and also one of the most active. If you needed something done, Bill could get it done! The last few years Bill had been plagued by different illnesses from COPD to Leukemia to an aneurysm but still Bill continued to trike. Even when feeling puny he would ride over trailering as he said that was what it was all about! We will miss him and his humor and wisdom greatly! This is also a heads up to all of us, as we are all prone to a fall now and then. We need to be alert to something that can turn out to be life threatening. Even when we think we are ok sometimes a head injury can really sneak up on you and the sooner it is checked out the better. The Park City Chill Bike, Car and Truck show again lived up to its name. We moved trikes into the show in jackets and we moved them out in snow 3 days later! We had some show winners in the group so congratulations to them on their wins and on their tenacity to follow through with bringing their trikes! We had 8 trikes attend and took home 6 trophy plaques!

Next on the KS agenda will be our state meeting where we will hold the election of our state officers. I would like to say we still have some slots that no one is running in and have a need for several members to step up and get involved. Nominations will stay open until voting time at the meeting on March 22, 2014. We also have a tablet with case and keyboard that we will give away at the meeting to a lucky member in attendance. Yes, you have to be there to win it! Come out and support the state, it is only what you the members make it! Several groups from KS are planning to make the trip to Eureka Springs for the Trike-In in June. If you need someone to ride with let a chapter director near you know and they can let you know what plans are being made in your area. We have set the date for the KS State Trike-In as September 12-14, 2014 at Emporia KS. This will again coincide with Emporia's downtown Merchant Event and we will be downtown for the show again. If you have a BTW calendar please check this date as it may be wrong! Looking forward to another great year for KS BTW. Let's get out and do some trike talking (I did say Trike not trash) and bring up our membership in Kansas!!!

KANSAS – East Central Chapter

Director: John Privett, 785-242-8543 or email jjprivett@yahoo.com.

Meetings: 1st Friday, 2 PM. Meetings move around so check with John for place. 11am Mondays for coffee/lunch at the Burger King, Ottawa 785-242-8543, jjprivett@yahoo.com.

News: John Privett submits: With God teasing us with the occasional warm and clear day, it is very tempting to dewinterize our trikes and take a nice leisurely ride. We would like to send out our condolences and sympathy to Gary and his family with the loss of his mother. She lived a full life and is now reunited with her husband. As the winter blues begin to fade away we are starting to plan our annual picnic that will be on July 12th in Wellsville, KS. Our chapter will provide a meal for all that decide to come and we will have a nice relaxing ride early in the afternoon. Our chapter is in the midst of redefining ourselves as we are rethinking when and where to meet each month. As of right now, we are flirting with the option of meeting on the first Friday of each month, but will discuss whether it is the best option for us at our April meeting. We continue to meet each Monday of the month at the Ottawa Burger King at 11:00 for lunch and socializing with the exception of the first Monday. On that particular day we travel to a different eating establishment chosen by different members. As the

snow is finally melting away, may we meet on the highways and byways as we get out our rides and start traveling down those roads. Be safe and watch out for each other.

from Wichita!! The first day of spring is March 20, and we are still having winter weather, which can happen in this part of the country, especially this year. Once again, The Chill (car/truck/motorcycle/trike show) was in the middle of an ice/snow storm but not as bad as last year. Regardless, we had a good turnout of members to man the booth and be available to talk to interested trikers. Some left contact information and they have been invited to join us at our meetings and events. We had 8 trikes representing our chapter and we want to congratulate our award winners. KENTUCKY - State

Director Interim: Gene "Sandman" Renfro, Calvert City, 270-703-7476, renwall@yahoo.com

Meetings: To be announced

News: Slow riding right now! Thawing out from our last ice/sleet/snow "event". I love the way the weathermen find new words for an old fashioned snowstorm, don't you? They even NAME winter storms now. Makes me laugh. Ready for spring and getting on with meeting more trikers! Time to roll out the VW and tune-up! Last year was a bit fouled up, between knee replacement and building our new apartment. This year should be better! We are planning on touring more of Kentucky and meeting our BTW members, face to face. Along the way we'll spread the good word about BTW and perhaps gather some new members to boot. Planning on attending the Central States National Trike - In, June 3rd - 7th. Eureka Springs sounds like a great place! So far, we have five members going. Will be glad to catch up with old friends and meet some new ones. KY is looking into a State campout the first weekend of summer, June 20, 21, and 22. This will be in the Land Between the Lakes, also known as LBL. Situated between Kentucky and Barkley lakes, LBL has miles of lakeshore, multiple campgrounds, a living history farm known as The Homeplace, a planetarium, state parks and it's close to other local points of interest, including the largest city in our region, Paducah. Easy access from Interstate 24. Details are being worked out, so contact me if you are interested and I'll fill you in! Also looking forward to a fall campout, but want it to be in the more Central or Eastern part of KY. Checking on locations, so send me your suggestions. Mid September is our goal on that one. Last year's campout was a great time, minus the breakdown's, but anytime is great when shared with our Triking Family! Lastly, a big THANK YOU to Alex & Lynne, Jan N., the BOD and all the others who have helped us and the BTW to grow! We may ask dumb questions, but we get them answered! (Ha Ha!) Till next time, Ride Safe! Gene

forced postponement, was held on Feb 22nd at Director Gene Renfro's new place, right next to his old place! Apartment was to have been done in October...and we're finally moved in February! Way it goes, friends! A lunch of chili and fixin's was provided by Bonnie & Gene and Glynna S. brought some delicious cookies for dessert! Discussion of attending Central States National Trike-In was received with enthusiasm, with 5 declaring intentions of going, three to camp and two already registered at a local hotel. Planning on attending as many local events as possible, to bring more awareness of BTW to the growing number of trikers in our area. There is so much going on around here, that we should be very busy! One on our list is a Craft Fair - Flea Market set for May 10th in nearby Mayfield. Sponsored by the Eastern Star, this is their second Fair and is already booked up solid with vendors! Looks to be a grand time. Thanks to Janet for inviting us! We are proud to support BTW as it continues to grow. As with most things, there have been growing pains, but we are confident it is coming together! Thanks to all our leadership! It's a thankless job, but THANK YOU anyway! Be careful out there! Bonnie Walton, Secretary WKT

In March we held election for the offices of Assistant Director Kevin Palm, Treasure/ Merchandise Manager Pat Walker, Activity Coordinator Mike Mirtes, who were voted in. Congratulations guys. OKLAHOMA – State

Director: Mark "OX" Duensing 918-510-9308, okstatebtw@cox.net

News: Hello all. This will be short and sweet. Been ill and let this issue sneak up on me. Nomination cards as you well no didn't go out. The Headquarters email issue lost my email resulting in not receiving the mailing address file for labels. At this point I'm going to hold off on elections until I have a chance to talk with other state members. Be sure to check out the NEO Trikers info for their Trike in. They have moved their event to a new location. I am sure it will be a wonderful Trike-In as always. T-Town Travelers Trike-In has been scheduled for July 11-12 at Keystone State Park Shelter #2. This is also a new location. The Pokie Okies are planning another Trike-In for 2014 and will get the info out as soon as I get it. I'm sure the Okie Twister are going to have their Trike-in again since missing last year due to tornado issue of last spring. Hopeful we will get info from them on their progress. Like I said this will short and sweet. Everyone get out ride and be safe. Remember our armed forces. God Bless America. OX

Meetings: 1st Saturday of month, 2pm. Meetings rotate. Call for details.

News: Everyone is ready to hit the road again. Some of us are feverishly working on our trikes to get them road ready, when weather permits. Our February meeting was held at Taco Bobs in McAlester. We had 7 trikes out on a beautiful day for riding. We are looking forward to hanging out with friends and family of BTW and anyone else crazy enough to hang with the likes of us. By the time this hits we will already have been to the wild onion festival (always a fun ride). We are starting to collaborate more with other chapters close enough to run with. Those who dare to run with us are encouraged to do so and are welcome. If you have a destination in mind let us know. We have lots of rides planned and would love to add more. For information on rides or just to chat about trikes give me a call. Until next time be safe and free on three

News: Hey has it been great weather or what..... well maybe just so so. We have been able to get out a few times and log a few miles on the Trike. We have been working on the Passport Oklahoma program that K&N sponsors here in Tulsa. We have logged close to 600 mile already this year starting with the New Year's Day Ride. You can view videos of our rides posted on the BTW forum by Phil Griggs. He does an outstanding job. By the time you read this we will have been to the Green Onion Festival near Okemah, more Passport Oklahoma, along with our weekly dinner rides. This will be held at Osage Cove at Kaw Lake just east of Ponca City. We will be cooking Hamburgers and Brats. The

admission is one covered dish per couple. Please bring your own refreshments and a chair to sit in. I guess that's about all there is fit to print this issue. Remember our service men for they are the true Hero's. Give someone you love a hug as life is short. Till next issue ride safe. OX

OREGON – Bridge City Trikers

(We are a composite group of greater Multnomah County, OR and greater Clark County, WA Members)

Director: Dave Hancock, Yacolt, WA
360-608-3556, sfree@centurytel.net

Meetings: WE HAVE JUST MOVED OUR MEETING PLACE!! We now meet the 2nd Saturday at 10 AM, at the Parkrose Elmer's, 10001 NE Sandy Blvd, Portland, OR 97220.

News: Hello, from the Great Land of the Great Seattle Seahawks, Super Bowl Champions!! Hey, one does not get many chances to say that, so we're gonna toot our horn while we can. We had a busy Fall time with a Halloween Ride and Veterans Day activities. Then we dug in for the Winter snows and rains like proper Northwesterners. Our recent meetings have been spent primarily talking about riding and trikes instead of actually riding trikes. We have been carrying on about deciding on a good location to move to that would satisfy our members and make it more of an equal distance for us all to attend meetings. We have made maps showing where everybody lives and talked, and talked a few more times and finally found a good prospect that we

all seemed to like. We held a vote of all members and the Parkrose Elmer's won out and our membership seems quite pleased with that.

One of our photos that we sent in for the last issue did not get published. Sooo, we're sending it again for this issue. The picture is of the Bridge City and Capital City Trikers together at the Veterans Day Convoy on the 10th of November. It is always the Sunday before Veterans Day. It is 38 miles of bikes, trikes, scoots, cars, trucks, you name it and somebody drove it or rode it there. The Convoy went from the Clark County Fairgrounds just north of Vancouver, WA to just north of Wilsonville, OR. It also gave us a chance to meet some Trikers who were riding with bike clubs and let them know there is a triker association just for them. We have voted to support the silent auction for the Candlelighters and are just now engaging to help plan the Annual Oregon BTW Trike-In this coming June. Looking forward to it and to see the members from the other Chapters that we seldom get a chance to meet Well, we will close for now, remember, if you come by to visit our area we are now at our new location.

Spring is just around the corner, Dave Hancock

OREGON Capital City Trikers/Northern Willamette Valley

Director: Norman E. DeRoux, Salem, 971-218-5616 (cell phone)

Meetings: 3rd Saturday of month: 10 AM; call for new location

News: I expected our January weather to make problems for riders, and our trike was parked most of the month. Our February meeting should have seen trikes in the parking lot, but we had our worst snow storm for Salem since 1937. It ranged from just under one foot to slightly over a foot of snow on the ground and in the streets. We've started to see some nice weather return as the month is ending, but I'm carrying rain gear whenever we take a ride now. Trikes are beginning to appear on our roads, and ours has joined them a few times this month. Norman

OREGON - Willamette Valley Trikers

Director: Glenda Christman, 541-974-6635 Albany

Meetings: Call for info. A new location in Albany is being tried out. First Sat. at 10 AM

News: I look forward to the nicer weather so I can ride my trike more and save some money on gas and of course to have tons of fun as I am sure that most of you are as well. I have confidence that Chris and George will plan us some awesome rides. We will participate in our usual summer activities but I would like to do some springtime riding. Glenda

Anyway, early Feb. brought about a foot and a half of snow with drifts up to almost 3, took me 2 days to dig out. Needless to say, not much riding going on. Be good to each other. Kit

SOUTH CAROLINA - State

Director: Michael McIntire, Florence, 843-662-9654, mcintirr@bellsouth.net

News: Hello Everyone, and yes I'm still alive and kicking!! LOL After talking with Alex & Lynne Ross at BTW National, we discovered that there must have been some sort of glitch in the system that wasn't allowing them to receive my write-ups for the last 2 issues. As we now think that is

resolved, I want to bring everyone up to date on everything that has been going on for the last few months. I hope that all of you had a wonderful and Blessed holiday season with Thanksgiving, Christmas and New Year's! Unfortunately, we have not had much in the way of riding weather since shortly before Christmas. Between extreme cold temperatures, snow in Jan and first week of Feb, then an ice storm two weeks late in Feb, it has everyone wondering if we do live in the South?! LOL As I sit here today on March 4th and write this, we had temps at 70 degrees yesterday at about noon, and then it tanked beginning at 3 p.m. As of this morning, it is 29 degrees out with a forecasted high of 38 degrees. Oh well, it is still winter, but I do believe this may be our last cold shot. As we move along on updates, back on Sept 28th, 2013 we held a Memorial Ride for biker/triker and USMC Vietnam Veteran, William G. "Bill" Stewart, III of Murrells Inlet, SC. Bill was a PGR Member, Legion Riders Member, and soon to be member of the BTW when cancer got the best of him. We will miss him dearly, but he will always be in our hearts and memories. Rest in peace my brother in arms and fellow triker!! The Myrtle Beach Fall Bike Rally went real well in Oct 2013 with a great crowd turning out! We were able to put out a fair amount of handlebar hangers and membership applications. The Foothills Chapter hosted the Annual SC BTW State Fall Ride on Oct 19th, 2013, and you should see a picture in this issue of those that participated. Other than some rain drops and cool temps, I heard the ride went well. My heartfelt congratulations goes out to Foothills Chapter member Alan Gibson as the NEW Foothills Chapter Director, and to Robert Schmidt as the NEW Road Captain for the Foothills Chapter. Our prayers go out to Kevin Smalley from the Tri-County Triads Chapter, as he is having some serious health problems and has had to resign as the Chapter Director. Please keep him and his family in

your prayers. We are currently looking for a New Chapter Director for the Tri-County Triads Chapter, so if you live in that area and are interested, please get in touch with me and we'll go from there. The Coastal Grand Strand Chapter attended an Indian Pau Wau in Aynor, SC on November 3rd, and I understand they had a great time. The Pee Dee Chapter had several rides scheduled from Nov thru Dec, some of which took place, and others that got rained out. I also want to send out congratulations to E.L. & Patricia Smith of Newberry, SC, as they have volunteered to become the NEW Midlands Chapter Directors. We've already held our first meeting that went well, and will have the second meeting with the official voting on Mar 22nd in Columbia. The Midlands Chapter will include Columbia, SC along with members living within about a 50 mile radius of Columbia, so if you live in this area, get in contact with E.L. & Patricia and let them know you would like to join the chapter. We have Daytona Bike Week coming up Mar 7th – 16th, and I also put out an invitation back in January to ALL members and their guests to make a trip to the Leesburg Bike Fest in Leesburg, FL from April 25th – 27th. If you would like to go with us, please get in contact with me and I'll let you know all of the details. We currently have 4 couples going, and I'm sure that number will increase. This is the 18th year for this rally and we're really looking forward to going. Also, you

have Outer Banks Bike Rally Apr 19th – 27th, and the infamous Myrtle Beach Bike Week, May 9th – 18th. Well, I hope this gets everyone caught up over the last few months, and again, my thanks to Alex and Lynne for working the bugs out to get this write-up in the Triker magazine. Until next time, Ride Safe & Free on Three!!!

SOUTH CAROLINA – Pee Dee Chapter

Director: Michael McIntire, Florence, 843-662-9654, mcintirr@bellsouth.net

Meetings: Contact Chap Dir for info until 9 p.m.

News: We've had a few rides take place over the last few months including the Annual Veteran's Day Ride-In in Florence in Nov, the Annual Toy Ride in Florence in Dec, attempted two Christmas Parades in Dec at Barrineau, SC and Turbeville, SC, both of which got rained out, and a Vet's Charity Ride in Dec in Columbia that also was rained out. Since Christmas we haven't had decent weather for riding due to extreme cold temperatures, snow and ice storms, etc., but we are looking forward to Spring!! Our next planned ride will be to the Leesburg Bike Fest in Leesburg, Florida from April 24th -27th. Until next time, everyone Ride Safe and Free on Three!!

SOUTH CAROLINA – Coastal Grand Strand

Director: Brent Davidson, 843-650-2801, bdavidson9@sc.rr.com

News: Hello trikers everywhere! The weather has been off & on for us trikers here in the Grand Strand area of coastal South Carolina this past winter. We've been having a few days of outstanding weather with temperatures in the mid 70's, & a few days later a front moves in from up North, & drags some cold air, and bad weather with it. We even had bad ice storms move in to the area from out west in late Feb. that caused lots of wide spread tree problems, and power outages. Even with all the problems several of us who still want to ride with our Chapter have been enjoying some nice rides, and a few longer trips to some interesting places in the towns all around us within a 100 mile radius. Next month some of us will be riding with the American Legion

Riders on their State Pony Express run to raise funds for the A - Legion Legacy Scholarship fund. In May we'll be riding with the many riders who come to Myrtle Beach for "Harley Bike Week". Happily some of us are also members with Rolling Thunder Chapter 3 here at the beach, and we attend many of their rides and events as well.. All in all, those of us loyal BTW Trikers who want to keep those wheels turning can do so without too much problem.. A reminder to all you trikers who visit Myrtle Beach. There's a KOA Camp Ground right down town near the Ocean with camping spots, and cabins. Lot's of our triker friends from out of state like the country setting there that's only 4 blocks from the beach.. I'm just say'in. That's it from here in triker paradise. Later Y'all... Maverick.

TENNESSEE - Mid TN Wind Riders

Director: Mark "Lefty" Rowson, Tennessee Ridge, 931-721-2260, rowson@peoplestel.net

Meetings: 2nd Saturday, Even months, 1 pm, Ponderosa Steak House, Hwy 70 Bypass, Dickson, TN. Next meetings, 12 April, 14 June.

News: Geezs!! When will Spring get here? It's March 2nd and as I type this, we have an ice storm bearing down on us! Ugh! I'm READY!! Sure wish it would warm up and stay

that way! We had a chance to get out and ride last Saturday the 22nd of Feb. and had a good time, as it hit mid 60's. But that was one of the few times so far this year! We have some good news for the Chapters members, Doc Ezell and Frank Fleet both came through their surgery's well and are home recovering. now to get well to be ready for the riding soon! I, for one, am looking forward to it! Our meeting on Feb 8th went well. We had 12 members and guests there. We welcomed Ross Slade from TN Ridge, and Dwight and Martha Byers from Smart, TN, to their first meeting as BTW members, and are hoping to see Dwight's V8 Lightning Trike at the next one! We also had three good prospective members there with Danny Suggs, from Stewart, TN, and Brothers Gary Laurence, from Franklin, and Fred Laurence from Waynesboro. We're hoping to be able to add their names to the rolls soon! We discussed the group ride to Tellico Plains for our Dragon/Cherohala Skyway run, now scheduled for 30 May thru 1 June. (I hope to have all planning info for the meeting in April). Also we are planning a group meet at the Columbia, TN S&G bike shop for a day of group activities, date yet to be announced. Hope you're all fired up and ready to ride like I am! Weathers Gotta change soon! - Lefty

TEXAS - Dallas/Fort Worth

Director: Richard "Troop" Miller, 972-658-8914, qwik@earthlink.net

Meetings: 2nd Sunday of month, American Legion Post 516, 6801 Manhattan Blvd, Ft. Worth, Brunch at 11am, meeting at 1pm.

News: Greetings fellow trikers! This is my first letter since taking over as director of the DFW chapter & I would like to say thanks to everyone for their support and vote of confidence and also, a big thank you to Richard "Tinker" Srader for all the hard work he did as our leader these past years. I would also like to introduce our officers, Assistant Director: Sammy "Rattlecan" Lynch, Treasurer: Robert "Sluggo" Singleton, & Secretary: Bill "Pace Lap" Pickett. Our new Sgt at Arms: Dave "Riverdog" Cates, Road Captain: Brian (we need to find him a nickname) Hughes, & Chaplin: Bill "Grunt" Ritchie. I'm looking forward to working with everyone this year. On a sad note, we lost a great friend and member January 22nd, with the passing of Sandy Kennedy. He will be missed by everyone who was fortunate enough to have known him. Things have been slow in north Texas, two weeks of cold weather, then mother nature will throw us a bone & provide us with an 80 degree day so we can dust off our trikes & hit the roads. Never two days in a row tho! As spring is approaching, the DFW chapter is preparing to gather in March for our annual, "light em up & send em home hot", chili cook off! It's always a fun gathering. We are also talking about reviving the "Muenster Run" in April, along with the possibility of us having some trikes in the

Meeting: 7:30 pm the second Wednesday of each month at Golden Corral on Battlefield Blvd, Chesapeake

News: Our February meeting was snowed out... didn't have skis to put on the trike. (Ha Ha!) The weather has been so nasty we haven't had a chance to do much riding. Hopefully, it will warm up soon. I'd like to send out Congratulations to Fred and Darlene Layne on their 50th wedding anniversary. Some of our group got together and surprised them with dinner at Smithfield Station. We had a good time! We would also like to send our condolences to Tim and Michelle Hopkins on the loss of his father. We wish Pam Bess a speedy recovery from her recent surgery. Happy St. Patrick's Day and ride safe!

Meetings: Contact director for information.

News: Hello brothers and sisters, hope everyone had a great Christmas and a Happy New Year. The Shenandoah Valley Trikers put on a womenless beauty pageant on December 7th at the Luray Moose Lodge, the proceeds were given to the Angels Among Us and The Angel Tree for Christmas, we helped over 25 children and 4 family's to have food and gifts for Christmas, that has touched our hearts. There was a lot of fun and laughter at this event. We also took on to help The Search Home in Mt Jackson which has 6 people with disabilities to have Christmas, we are planning to help more families this year that may be in need. We are planning to have more fund raisers in the upcoming months so we can help more people that may be in need of assistance. Our meetings are not scheduled at one place, every month we try to rotate the meetings at a location close to the members, that way one or two members don't have to always travel so far every month, so if you would like any information on the meetings please feel free to email me at benjaminhaley2@gmail.com. Our next meeting is going to be held at Uncle Buck's in Luray VA.

News: Greetings Trikers and Friends...

Darn Weather, I had to cancel another ride because of bad weather rolling through. That's three in a row now. Washington State *is* wet. At least Western WA is. Eastern WA. has been snowy all lot. Not good for Trike riding. No real news that I can think of for right now. I'm still working on getting a chapter revived or renewed in Eastern WA. If you want to help or are interested, please call me. The Coastal Cruisers are gearing up for The Washington State Trike-In coming up the 14th of August. Nobody should miss this years 2014 Trike-In. We expect

to break last years record of attendee's. We had so much fun last year that I can guarantee you'll have a good time again this year. Word is, we have someone riding up here from Down South. Oklahoma??? That's a long ways away!!! I can't wait...*in a little 5 year old voice*.... "I'm so excited, I can't sleep" The North Sound Thredom Riders Chapter is off to a great start. Good attendance at monthly meetings and they are real close to finalizing their Chapter Patch. Good Job you guys. We will be seeing you at the WA State Trike-In in August. Enuf for now. Keep the Shiny side up. Churchy

News: Just had our first Tuesday of the month meeting, at the Chapters home restaurant. Denny's located at 100 East College Way, Mount Vernon Wa. 98273 Phone# [360-424-7500](tel:360-424-7500). For Dinner we met at 6:00 pm, and the meeting followed. We had 15 people in attendance. Kicked off the meeting with a big thank you to Lisa for the fabulous NSTR newsletter she put together, THANK YOU! Cabin fever soon took over as the meeting began to take a left turn. Captain Mike got everyone's interest back as he pulled out the gold keys to the Lexicon. He placed his finger over his mouth as if to quiet the group, and said "don't ask don't tell" Next thing you know we're stomping crop circles on Jupiter in the fields outside of their capitol city Newport 3. Returning the favor for the ones they keep leaving here. When we got splashed with Radar. Knowing we needed a cover story to hide our tracks, we shot over to the hills by Tubar, where we found the goofiest looking dude on the planet out walking his dog. Brought him on board [the dude not the dog]. Sat him down in the big chair, hit him with lots of bright lights. Poked him a few times, and told

When the Jupeann authority's interview that dude, nobody's ever gonna believe we were ever there! On the way back home we stopped by a little known satellite concert hall. Took in the show, which we all agreed was worth doing. Best Elvis impersonator we all had ever seen. And man did that guy nail the look! From there it was straight back to home base. Meetings: Socials every Thursday, Homestead Restaurant, 7837 South Tacoma Way, Tacoma 6PM Everyone welcome.

News: Well our new year is off to a great start with record attendance at our weekly Socials. We had a couple

of rides planned for Feb but we decided that none of us wanted to ride in the wet slippery snow so those rides were canceled. In Jan we held a baby shower for our waitress. When you meet at the same place and have the same waitress they become part of the group. We had a great time providing this new little boy with some much needed "triker" gear as well as things every baby needs. Check out the picture of the Diaper Trike made by Linda Churchward! That is the kind of things that happen when trikers party together. Now we are getting real anxious to ride and have a couple of fun ones this month. In Apr we will be starting to work with the WA Department of licensing on the issue of obtaining trike endorsements on your drivers license. I for one am really looking forward to using our organization and our trikes to help the State improve the process. If you have questions you won't want to miss that meeting on April 24th and on April 27th we will be taking our trikes to the test course to see how each different kind fit on the course. This should be a great step forward for those who have been told that their trikes were "too big to fit". As the weather gets better watch our website for fun chances to ride with us to great destinations. Don't forget the Western National Trike-in at Madera April 30 thru May 4th. and the

Meetings: contact director for now...

News: Well, we're finally into March, and by the time this is printed, we should be seeing some improvement in the weather situation, which has been, shall we say, overwhelming. The only consolation is that the entire country is suffering one of the worst winters in recent history, and we are definitely not alone. If your shop is heated, it's a good time to work on that new project or do maintenance on your faithful ride. Time to think about that new gadget for the trike, or start making plans for spring rides. Northeast Wisconsin and UP riders, we will be having a meeting, probably about late March, to try and organize a chapter in this corner of WI. I will be sending e-mails out, but if I forget you, and you are interested, please contact me. We are looking to being on the road to a chapter by Memorial day. I have heard from several members, and the new Triker is being well received... The post office also seems to be improving, although you can't depend on that too much. If anyone is having delivery problems with the

mag, please feel free to call or e-mail me, and we will attempt to remedy it. Whenever there are changes, there are bound to be a few glitches, but it looks as if there has been a minimum at least in WI...As this is being written, we are anxiously awaiting the new web-site...Here's hoping the change-over goes well...It's almost spring, so as we hit the road, let's remember to be safe, and ride free on three... Contact: John Helgason, 1-250-703-9598, Courtenay BC, helgasonj@telus.net

News: Hi to all from the frozen north part of Vancouver Island BC Canada. We have started riding with the group we have gathered so far, one Harley trike (black), and three Can Am Spyders (white). Mainly because of the temperature our journeys are short, ten kms in each direction which doesn't seem like much but try it at 5 below 0.

We are hardy folks in this region of the forest. Heads turn as we roll along, stopping in the small town of Cumberland (which puts on one hell of a great Motorcycle weekend every year and which is now drawing riders from all across the country and the USA border) I will get the dates and include them in the next months presentation. Come on up and join in the fun. We have great mountains to ride in, roads leading to fantastic lakes, offering swimming, boating, fishing and then be off to tour fishing villages along ocean and mountain roads that will thrill the hearts of those who love winding, sweeping, bending curves. The sights, sounds and smells of the west coast will leave you heady, full of the spiritual essence of the Island and craving for more of the same. Find the wonders of the seashore and sea life as you walk amongst and become part of the experience of our First Nations peoples, their villages and artwork, with lots of their beautiful and mysterious totem carvings to view and maybe take home with you. A gentle people, eager to share their knowledge and art with you and the richness of their traditional culture and experiences over centuries of having lived with this land and all it presents. Virgin Douglas fir and Cedar forests where you can walk amongst some of the biggest trees you will ever see. As you can see I love this Island and look forward to having our brothers and sister of the BTW come visit us and we in turn find you and your special areas and roads that will give us better perspective on the bounty of beautiful areas throughout North America. Not to mention the opportunity to meet and enjoy the camaraderie of new found friends. That's what I believe the biking world offers to all of us, one

In the month since our first newsletter, we have already received so much news of equal importance . Since Our organization was founded just a short time ago, we already have 57 members. Since January, five new peoples have decided to join our family as we slowly find our cruise speed, but we are still very prosperous. We have received new requests for membership, but these ones will not be confirmed before the publication of this newsletter.

Can't find your area? You can get more details by visiting www.btw-uk.co.uk. After a very busy winter period with many members getting together to celebrate, members are starting to get their trikes ready for the, soon to be arriving, summer. This will be a much shorter report this month as Paula, our wonderful BTW-UK Triker article writer, is unable to put pen to paper this month as she is helping her mother recover from major surgery. We all wish Paula's mum a very speedy recovery. Paula will be back real soon to take back her usual writing job, so, in the meantime you have to make do with us. On a happier note – All of BTW UK would like to congratulate one of our younger members who has reached the grand old age of 18. Alex Cotton has been a BTW UK member, with his mum, since he was 13. He can often be found at rallies etc helping the less able of us to pitch tents etc and is always around to help. Area 2, which is the area Alex attends, presented him with an engraved Celtic goblet at one of their meets and, as is usual for this area, cake was involved in the celebration. Congratulations Alex. It is a pleasure to have you as a member. If you want to know more about BTW in the UK, check out our forum on <http://btwukonline.co.uk/index.php>, on the forum you will be able to contact other members, ask your trike related question; read your UK Newsletter (if you are a BTWUK member) along with many other ideas etc. Or contact your nearest Road Captain to find where your nearest meet is and go along and meet other like-minded people. We have a few dates for your diary so please try and get the time off work to join other BTW-UK members at these events. First one will be the BTW-UK AGM which will be hosted in Area 5 by Jon Jones, Area 5 R.C and his merry men and women. It will be on 3rd of MAY 2014 @ Mold Ex Service-

man Club, 77 Wrexham St. Mold, Flintshire. CH7 1HQ. Next one that many of our members enjoy every year is Trikes R Us gathering at the end of May. Not a BTW event but for the last few years we have won the award for the largest "club" turnout, so come along for a great weekend with other members and help us retain the trophy for another year. Next we are very excited to say Bob 'Hobbit' Thomas has found us a wonderful site for a BTW-UK Members only gathering to be held on the weekend of 18/19/20th of July 2014! It is a lovely country pub, surrounded by stunning countryside in the county of Herefordshire called 'The Royal Oak', situated on Hazles Rd between the A53 and the A442. This will be a chance for all members to meet and party together. Not forgetting of course that the BTW-UK publicity stand will

be at the BMF shows at the Peterborough Show Ground on 17/18 May and the Sept 13/14 2014. If you want to help and show your trike please contact Beano for further details.

Good Morning All Directors, From **Loner Abbott CA State Director**

I just got back from the Region 9 Trike-In. Had a great time meeting old and making new friends. Alex, Jack, Rock, Shorty, Bill and I were there talking business and just generally bulling each other. One of the things that came up was the lifetime memberships. I was one of the last to receive this. At the time, I was under the impression that you had to be a member for 10 years before you could be eligible for it. My wife and I were proud to have spent the time with BTW to earn the chance to become Lifetime Members. At the meeting Saturday night, Alex brought up a plan that was proposed by Jack Mertes at the last Board Meeting, that would work to help offset the cost to support all the lifetime members that would not affect any BTW member financially in any way, but would help support BTW as a whole. The plan is to request all State & Chapter events held in the name of BTW to donate 10% of their proposed donation from the event back to BTW. As a single event, this may not sound like much, but if every State and Chapter would do this at every event, it just might help get BTW as a whole back on its feet again. As California State Director, I support this suggestion 100% and I hope that all of you directors feel the same way and will support this plan to help keep this great organization stable and prosperous for our future. Just remember that this plan will not be mandatory, just a request, but if you believe in BTW and want it to survive, this could be a simple way to make it happen.

TO OLD TO RIDE

Will I know, when its too old to ride
Who or will I decide when not to ride?

I started on a Harley flathead,
that I rode till it was dead.
I paid a woopin' \$12.00 for that ride, and ten years
in parts, fun and rides. What is too old to ride?

On to the knucklehead and shovelhead I road.
Spills, thrills and fun all them years.
Who is to say when its too old to ride, or will I decide?

In 1982 I went Free on Three on old ugly, VW,
just like me.
Who will decide, its too old to ride?

Off of the VW on to a Pancake Porsche, all steel
build and bright.
Fast like the wind, road mostly at night.

Who will no more ride, can I decide?

Onto the big V8, built by me and Big Bob, the Florida kid,
was daddy Rathold winner. Called the ground shaker by
name
and a winner of the show for sure, off to Easson Germany
show
with trophy, prizes and cash galore.
Who will say it's time to ride, I'm still not sure I can't
decide.

I'm 82 years under my belt.
I still ride the big V8 but my wheelchair most of the time.
But I believe I have heard God say "Pappy it's gettin' late
and I'm getting too tired to ride.
But like I say, only God will decide when it's too old to
Ride.

In Memory of Trikers Lost

Lawrence “Larry” H. Wheeler, Jr. 66, of Coffeyville, Kansas passed away on Tuesday, February 25, 2014 at CRMC. He belonged to the BTW (Brothers of the Third Wheel) and was nicknamed Thunderroad. He loved riding his trike with many friends and family. On July 23, 2007 he was united in marriage to Jeanne Weber, we will miss you Larry.

Actur Nielsen BTW Vancouver Island’s oldest potential member died before he could register. We outfitted him with a vest, crest, and an over 90’s patch and it brought him back to life. He was born in Denmark and was 95 years young. He rode motorcycles himself until he was 85 and then he started riding with me about a year and a half ago on the trike. He was a man of action and adventure, shot in the neck and out through the mouth by a sniper during world war two he always said that, if the Germans couldn’t kill him nothing could. I pretended to grab him one day and I was rewarded with a head butt, one never forgets what comes instinctively and through training. I had hoped he would be part of the group for many more years but I guess he could not resist the attraction of new roads and adventure where ever it is we go when done here. We affectionately referred to Actur as “Tiger” and he is missed by all. He was a Brother of the Third wheel in his heart and was proud to be part of our group. “thumbs up Tiger” He rides with the Creator and if you listen closely you will hear the rumble of his ride in the sky.

Claude A. “Sandy” Kennedy Jr. passed away suddenly on January 22nd. The DFW chapter lost a longtime BTW member and great friend. Sandy helped our chapter host last year’s Memorial Day rally, which was held on his property, with a large turnout of trikers and bikers from all over the country, all friends he has rode with. He loved riding and was known to take long trips, never worrying about how many miles away the destination was, but would always regale us with stories about the fun and antics he encountered while traveling. Accompanying him on his many journeys was his wife Oleda Kennedy. He will miss be missed by all that knew him. Rest in Peace Sandy.

William A. Taber passed away February 9, 2014. Bill was an avid member of Brothers of the Third Wheel OK, USAF Tech Sgt., ret. and farmer, husband, father, grandfather, he will be missed by all,

May They Rest In Peace.
