**FROM THE DESK of
ICE MAN
(Alex)**

Welcome to the new year and here is hoping it gets better with age. As you can see from the first page, we have completely modified the membership program. The actual cost of the membership have been significantly reduced even though our costs have been skyrocketing over the last 2 years. This is being done in an effort to make membership as cheap as possible and allowing those who wish a printed magazine to acquire it at the actual cost to produce. If more members subscribe the cost will come down accordingly. The last 24 months have been very exciting for me, first along came covid and all the regulations, then came the bout with cancer and chemo and radiation, then came the sudo Arthritis cause by the heavy metals left by the chemo, which took the use of my hands for several months, then last but not least came a bout of covid for the month of Dec.

I am now declaring enough is enough and I will no longer accept any health issue in the new year. I plan on riding as often as possible and meeting up with old friends.

If this new virus strain ever goes away I will try to set up some sort of National event, so stay tuned.

For those of you lucky enough to be able to get out and ride between the snow fall and rain, Ride safe and enjoy triking

BTW NEEDS YOUR HELP

Hello all

I hope everyone had a great Christmas and looking forward to a better new year than the last year. Unfortunately I have to be honest with you all when I say BTW directorship is dying. The top executives are getting older and Alex and myself have been having a lot of health issues with the Cancer and all the side effects from the Chemo and radiation and now add Covid. Enough of my whining, the problem BTW is having is the lack of members stepping up to start new Chapters or take over existing ones or Directorship positions. We are reaching the point where there are not enough people representing the membership to provide proper communications. The Association can no function properly like this. We need Members who are willing to step up and do their part for the members in their area to keep this Organization alive and operating for all the members.

Jim Lee, Regional Director

MEMBER SALUTE

On behalf of BTW and all the members I would like to thank the following Chapters, State and individuals who have so generously donated funds to BTW which kept our Organization going during these difficult times. Without these donations, our Association would not be able to survive. We are hanging on by a thread and we still need help until some of our events take place. Any amount will help to keep things going.

My name is Rick Wright and I am a new member of BTW. I am a 9/11 NYC first responder, a US Veteran: US.Army 1971, a disabled carpenter and a back yard mechanic. I recently finished building my trike, (converting my mc to a trike). It's a 2001 Honda 750cc "shadow" model I call "Wrights Shadow ". I am glad that I finally finished building my trike, so my gal and I can RIDE!!!

Members Rides

CA member, Loren Conner's - 1928 Dodge trike, 2000cc Porsch motor with a 4 barrel carburetor and automatic transmission

Scott Murray sent BTW a picture of his trike at the Canadian border before the pandemic hit. Since then, I haven't been able to do much riding due to a number of reasons. Still is nice to be able to take a look at this picture of much nicer and calmer times. Nice thing about the border is that it is only 15 miles south of where I live and it was nice to be able to take a day ride down into Montana. I am looking forward to that happening again in the future. Sure pretty country to ride in. I get to choose to ride in the mountains or out on the rolling hills depending on the direction that I take.

CONTINUED FROM LAST ISSUE

Finally I found a bench in the shade to sit on and watch the world go by. The parade of motorcycles and people both riding and walking was amazing. What also was amazing was the noise. First you have the music coming from the stores, then the motorcycles, many of which running straight pipes with nothing to muffle the sound. But the loudest were the ones who spent a small fortune on their sound systems and by God, they were going to crank out every last watt they paid for. Several actually made my ears hurt and I'm hard of hearing. Please don't think I hated it. It was really fascinating to take it all in. The people and their machines

were amazing but after about 4 hours including lunch (I walked into a restaurant called the Loud American Roadhouse and immediately left. You can probably guess why.) I had enough of it to check it off my bucket list.

Before I go on, Main Street is probably less than 5% of the area the rally takes up. I don't think you could visit all the places involved if you spent an entire week doing it. That was the big difference between it and Daytona. In Daytona it is nowhere near as spread out or as big.

The next day I went on a ride, sponsored by Polaris, and their local dealer, with 7 other Slingshots. It was nice to have someone leading us through the countryside who knows the area. My final day there I rode to the Chief Crazy Horse Memorial. I didn't stop at Mount Rushmore because I have been there several times before. The Chief Crazy Horse Memorial is a privately funded memorial where they are in the process of carving a statue of Chief Crazy Horse and of course his horse. If you go there, and I highly suggest putting it in your bucket list, be sure to watch the free movie. I won't spoil the whole movie but one of the things I learned was that before he earned the name Chief Crazy Horse they called him Curly. (That could show up in a trivia game someday.)

There are a lot of really beautiful rides to go on and places to see around Sturgis. If that's all you want to do, don't go during the rally. Many of the bikers there don't have a lot of experience riding on curvy mountain roads and there are lots of accidents. The last count I saw was 4 dead and over 60 injury accidents.

When I left Rapid City, I headed back through Boise and then managed to route myself through the Hell's Canyon Recreational Area that I wrote about in the previous issue. The funny thing was that Hells Canyon itself which is normally unbearably hot was actually cool. The temperature was in the low 70's which I consider perfect. My only disappointment was that the Hells Canyon Inn and Cafe that I wrote about before was closed the day I was there.

What kind of souvenirs did I bring home? Well, two long sleeved T-shirts and a case of Covid. Yes, despite getting my two vaccinations about 4 months ago I caught it. Thankfully my symptoms are very mild. About like a normal cold and I hope they stay that way. The big difference between it and a cold is that I'm isolating in our master bedroom that has a bath attached. My wife leaves food and water on a table outside my door and I get it after she leaves. I'm sure going to owe her a lot when this is over. Now the big question. Would I do it again? The answer to that is, no, but I am not sorry I went. If you

are like I was and want to experience it, I say go for it. It was an interesting and mostly enjoyable trip. The people who go back year after year are mostly the party animals and the ones who go for the concerts. There are a lot of big name groups that play in Sturgis during the rally. I'm not a tea totaler but I don't even drink a beer before riding and I'm not really into concerts. So, I'll leave it to them. If you're interested I rode about 3,750 miles according to my odometer. Not bad for an old man. Hopefully next time I'll write about one of the local rides around NW Washington.

Thank you Coastal Cruisers for the awesome "trophy" ! It has been fun and a lot of work and I couldn't have had all those successful trike-ins without each of you. You are an amazing and loving group and I love each of you. I will treasure my frog for years to come. Thank you!

Trikers and Bikers of Nye County are a brand new group of riders in southern Nevada organized in August 2021. We are steadily growing in numbers and proud to be a part of BTW! One of our first official rides was in a parade at the Beatty Days celebration in Beatty, NV on October 30. Much to our surprise and delight we won first place in the parade's motorcycle class! We are pictured proudly displaying our first place ribbon.

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

TIPS ON PHOTOS FOR THE MAGAZINE

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

BTW BOD Elections

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
