INNOVATING TRIKES SINCE 1990

Rewaco is an innovative company that specializes in the production of "factory-built trikes" founded in 1990 in Germany. The German-based manufacturer has designed and built innovative trikes for the last 30 years. These trikes have modernized and improved the trike industry by challenging its design, engineering, and ultimate performance.

Bringing Rewaco to the US has elevated and pushed the Rewaco brand even further. Our mission is to import and distribute these incredible trikes to all US dealers, trike lovers, and riders. With many states already in our network, we won't stop until we are in all 50 states and major cities so that everyone can experience "The Ultimate Trike".

(Alex)**

Hello everybody, well, winter has come even to Arizona (no laughing). It went down to 60 yesterday and that is frigging cold. I hope everyone had a good Christmas and wishing all a very Happy and prosperous New Year.

We need more info from the membership for the magazine such as your events no mater how small or short. Photos of your rides and any charity work done.

We are still looking for that member who will step up and take the reins of our Association so we can move forward in our ever growing triker world. Our industry is growing leaps and bounds and manufacturers are getting very creative with some of the new products being designed currently. If anybody has any new ideas for our Association, please feel free to feed them to HQ and we will try to accomodate all that improve our operation.

I am looking forward to doing more riding this year and hope you all plan on doing the same.
Ride safe and enjoy triking.

MEMBER SALUTE

On behalf of BTW and all the members I would like to thank the following Chapters, State and individuals who have so generously donated funds to BTW which kept our Organization going during these difficult times. Without these donations, our Association would not be able to survive. We are hanging on by a thread and we still need help until some of our events take place. Any amount will help to keep things going.

Good Karma and Paying it Forward

By Mike Ostrom

I saw a 2010 Piaggio MP3, three-wheeled, leaning scooter advertised for \$3,000 in Hereford AZ. I had always liked the engineering that went into the design and had even test rode one when they first hit our shores in 2008, but never pulled the trigger on one. I rode my Moto Guzzi Mandello almost 2 hours from Oro Valley to see the MP3 trike.

Marilyn's dog greeted me as I pulled in back by the garage. She soon followed and remarked that her late husband loved Moto Guzzi's and BMW's and he was a mechanic. I mentioned that I was as well. We seemed to have a connection, through her late husband, John. I checked out the scooter and it was clear that the minor cosmetic imperfections, mentioned in the ad, were the result of a major collision. The front subframe that supports the front fairing and dash had been hit from the side and was about 3 or 4 inches off center! I checked the front steering and tilting assembly of the two front wheels and didn't see any damage, so I **decided** to take it for a test ride. It seemed to track true and lean

from side to side okay, but I was still skeptical about other damage I couldn't see.

FROM THE MEMBERS

I Good Karma and Paying it Forward (CONTINUED)

I got back and told Marilyn I wasn't going to make any offer on the trike. She looked crestfallen, not just disappointed. I suspected I was the only person to come look at the rare, unconventional trike in the 3 weeks+ it had been listed. She said, "Not at any price? It would make a good project bike." I said, "Sorry, I already have two projects in work, no thank you." She said, "How about I give it to you? It's taking up space in my garage and I just want it gone."

Hmmm...Free trike and I help out a recently widowed lady...Okay I'll take it. I made arrangements to pick it up the following day. She also had a collection of motorcycle gear and specialized tools that her husband had collected over the years. I spent time going through tool cabinets and boxes explaining what she had inherited, before I mounted the Guzzi to head back home.

The low fuel light appeared so I plan to fuel up in Sierra Vista. I realized I didn't have my wallet with me and would try to limp home on fumes! It didn't work.

I came to a halt 20 miles from home and was exploring options when a guy pulled up and asked what was wrong. When I told him I was out of gas, he said he wanted to help me and would get some gas. About 20 minutes later he showed up with a one gallon container full of gas. Wow! I said you're not gonna believe this, but I don't have my wallet. I do have my phone and I'd like to Venmo you the money. He started shaking his head and said, "No, absolutely not. I just hope someone will help me when I need it". I said, "You know I always stop to help people. Maybe this is just

Karma." He just smiled. I said, "At least let me buy you a beer." "No thanks." And off he went. I couldn't believe my good fortune. The gallon of gas was more than enough to get me home.

The next day I picked it up and rode it home without incident. My gear-head brother-in-law, Ron, was visiting for a week and helped me take a first cut at straightening the subframe and bolting up the fairing plastic panels. We got it pretty close. In some cases we used tie wraps where wire-nut tabs had broken off and stitched her up as best we could. It wasn't pretty but it seemed functional. I took it for a road test and deemed it roadworthy.

That night I started thinking about the Good Samaritan that brought me gas and how Karma has a way of making things right. It seemed it was time for me to Pay-it-Forward, so I wrote to Marilyn and told her I was mailing her a check for \$1,000. She responded, "Who does that?" and thanked me. I attached a note to the check thanking her again and commented, "I think John is smiling down on us."

Cheers

Mike

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

TIPS ON PHOTOS FOR THE MAGAZINE

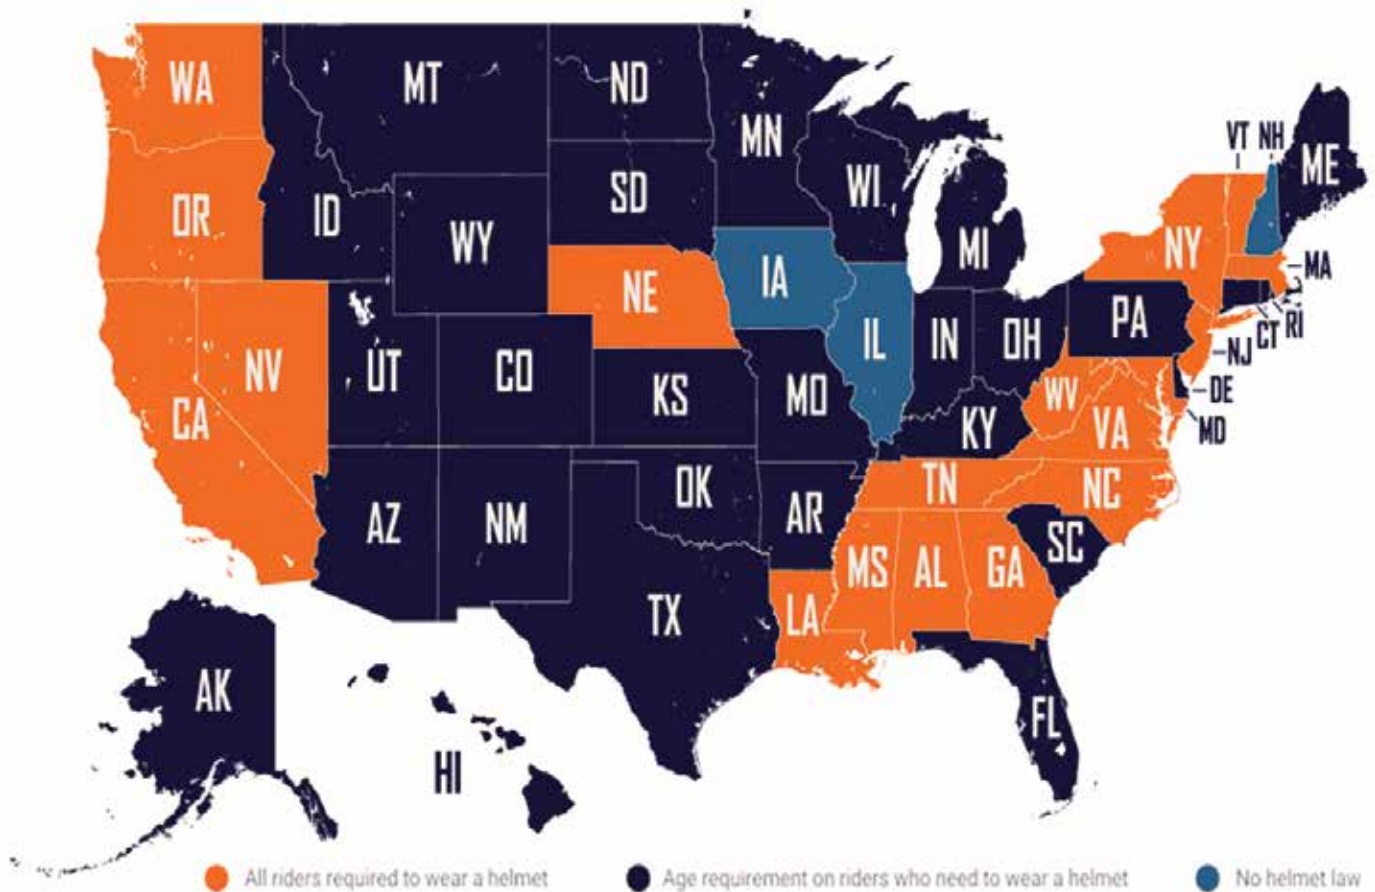

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

Central Valley CA, To everyone, I hope you had a wonderful Christmas and an awesome New Year! By the time this goes out we will all be relaxing and recovering from the Holidays. I hope that each of you has a New Year of good health and you get to ride your trike on lots of awesome rides! Our chapter has a few members with different illness, it makes you sit back and think how blessed we are! We are able to see our trike friends, enjoy rides and do pretty much what we want! We teamed up with the Harley Davison group for an amazing ride and "TOYS FOR TOT" run! We were a sight to behold with 6 trikes and 20 Harley Davison! We enjoyed a 75 mile ride thru the beautiful Sierra Mountains, loved a great tri-tip luncheon in Oakhurst before delivering the toys and cash to TOYS FOR TOTS site. We delivered three boxes of toys and \$440.00 for the kids! Had a great time and plan to get together again next year for a worthy cause. Our chapter had our Christmas luncheon and had a secret guest show up. SANTA!! He handed out treats for each and the smiles he brought to everyone's face was beautiful. Our year draws to an end but we aren't done yet. We still will be doing our "POLAR BEAR RUN" on New Years Eve , luncheon afterwards to share fellowship. This group, my chapter members, have become like family over the years and I feel blessed to have this extended wonderful family! Have a wonderful New Year, Everyone!!

Coastal Cruisers celebrated with our annual Christmas party. We feasted on finger foods, cookies, breads and candy. Linda Crain entertained us with a melody of Christmas carols played on the Mandolin. Beautiful music which we loved. We finished with a fun gift exchange, (Thanks Rusty Pitts). We were able to support two young boys Matthew and JJ who lost their mother during a camping trip this summer. These kids are the grand-kids of former members and nephews of a current member. They were presented with Christmas gifts as well as a monetary donation to help brighten their Christmas. The boys were a real delight. They brightened my Christmas so very much.

BTW BOD Elections

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
