**Another great photo sent to us by  
Siouxland Trikers of Iowa from a  
awesome ride in the country**

## From your BTW Headquarters

Hi everyone, how is this for a unforgettable year, first Jim Lee and then me and then the Coronavirus, what comes next? I hope riding is the next thing in our future.

I am through with all the cancer treatments and on the slow road to recovery. I have never been someone who has a lot of patience with anything so this is driving me up the wall and probably I'm driving Lynne up the osite wall. I can't wait to get on the trike and visit whoever is riding or when somebody can have an event. I would like to personally thank all those who have stepped up and donated to our Association as these are dire times and without that help we would be in deep trouble. We have been trying to come up with ideas as to how to make our Assoc. more representative of all trikers no matter what they ride and of course our better halves, whose numbers, riding their own trikes is growing rapidly. If anyone has any ideas on this mater we would love to hear from you.t

It was nice to receive enough photos and in-

**The Front Cover: This is a great-photo of a ride to the dam sent to us Siouxland Trikers of Iowa**

formation to be able to put this issue together and get back to a little more normal. I know I say this a lot but now I really mean it, I look forward to seeing everyone at coming events or rides as soon as I possibly can. Ride safe and enjoy triking!

**NOTICE: The Financial Statement for 2018 is completed and posted to the Web Site**

# The "TRIKER" is the best way in the World to reach ALL trike riders.

**Hello from Gary (Shorty) Hicks AZ State Director**

**As of May 2020 the BTW membership decided to drop out of AZCMC. The majority of members in the State voiced the opinion that they were not interested in being part of this organization, even though it is tied to Motorcycles Rights in the State, as it is no longer representative of the majority of bikers in AZ.**

**BTW has been a member for over 20 yrs. and although the times have changed the organization has not changed with our times.**

**Chris, Eugene and Michele had a rough time getting to Laughlin. flat tire and flash flood**

# FROM THE MEMBERS

**Congratulations to All City Trikers for their support of military troops.**

Coastal Cruisers has had a tough time having rides or meetings. However we did find a way. With the restaurants open only for take out, 6 foot social distancing and limits on size of gatherings, we decided to have a Tailgate Meeting. We met in the parking lot of our normal meeting place, The Homestead Restaurant and ordered take out. We set up lawn chairs and attempted to eat lunch and meet while hanging out in the parking lot. It was sooooo nice to see and visit with those who could make it. Nine weeks of no meetings was rough on us! You will notice in the pictures that we did our best at social distancing & those that were closer than the designated 6 feet were partners. About 25 showed up.

# FROM THE MEMBERS

Chad, Tripods Director working on his trike & getting it polished up for summer. Temp outside in Hartley Iowa, was around 28 degrees. Short sleeves mmm? These are just some of the things we do for fun in Iowa when we have to stay in & keep safe from that ugly virus that's around the corner somewhere. Check out Chads new bumper made out of and old semi-trailer bumper, which he spent a lot of time sanding & polishing & wired his skull so it has turn lights in it, drilled and changed the lights to brighter LEDs. New tires & made sure it is road ready & safe.

This fellow, well, he just can't seem to find that 10mm wrench! His name Tom LeClair, a very active Tripod member, with a riding passion that has kept him very busy, not only in Iowa but in Florida also. I'm not sure, but think that wench might be a little big for the job

This trike belongs to Kim Cross of Tripod. She has also put a lot of work into her ride. New lights, handlebars, adjusted clutch and had some engine work done too. Check out her new front rim and tire and paint! Tony Putnum from Everly, Iowa did her paint. Kim gets help on her trike from other Tripod members also

Just two of the Tripods trikes getting a little bit of work done on them

Another Goldwing of Tom's, I think he's trying to decide which one to ride first, and yes he has already been out in the cold riding. But don't let him fool ya, he has all heated gear to keep him warm and safe!

# FROM THE MEMBERS

The N.W Lakes Tripods wants everyone to make sure their rides are road safe and to ride safe. In these times of an epidemic we don't need to lose any of our Brothers and Sisters of BTW or someone else to something that could have been prevented by taking a couple more seconds checking over their rides. **SAFETY FIRST** and **DON'T FORGET WASH YOUR HANDS**, and let's all have fun and come home with our loved ones.

Due to COVID-19 many BTW events have been cancelled, including the Central States Regional Trike-In in Harrison, AR. It's almost like having withdrawals for many of us. Why? Because we're like a big family who has to hug everyone when they see each other, then again as we say safe travels and see you at the next event. Even though we couldn't have the Central States Regional Trike-In sponsored in part by Explore Harrison (the Convention and Visitors Bureau) this year due to the guidelines that would need to be followed through by the Quality Inn and Convention Center, it was a good Thursday thru Sunday. I say this because some members from Missouri, Louisiana, and Arkansas (missed our IL folks) decided to spend time in Harrison to visit, and ride. Saturday turned out great for a group ride. Plans are continuing to be made for the 2021 Central States Regional Trike-In. Missouri, as always. Thank you for your items you worked on for the auction. One item is a cool quilt. Yea!!! We'll try to update the best we can for events that will be held in Region 5 and help share any of the other BTW events to be held outside of the region. As I wrap this up, I wish any of our members, wherever you may be, who have had this virus or has been affected by COVID-19 to take care, prayers are with you, and stay safe. Those who are able to get out and enjoy the wind in your face take care and ride safe. ((HUGS)) Cat

Washington Trikers are all under a “Stay Home, Stay Healthy” order because of COVID-19. Here is how our trikers are coping! Linda Edwards keeps busy painting her utility room and while she works hard at that, Terry practices for his new job as a mask model (note the special BTW mask), and Junius Henry prepares to work in an isolation unit.

# FROM THE MEMBERS

First of all, I just want to thank Alex and Lynne as well as Jim Lee and allof the members within Iowa, for allowing me the opportunity to be the State BTW Director for Iowa. I promise, I'll do my very best! This is how I spent my winter and virus lock down time, at home in northwest Iowa! The "Dolphin" trike was scratch built. I even upholstered it myself! I had not been behind a sewing machine since 1966 and it took a bit of practice to get my French seams correct! I built this for my oldest daughter, for her birthday on June 5th, who is obviously a diehard Dolphin's fan! I built this engine as a 1904cc and I built the Trans as a freeway flyer. The top end is way too fast, but, it's there if needed. The suspension frame is built from a type 3, but using type 1 torsions and axels. Last but not least, the front is a Harley springer painted to match the overall trike theme. All in all, it came out pretty well and she's happy with it. I guess that's all that matters! The dark maroon trike I rebuilt and gave it to my oldest stepson for his birthday on June 17th. I built his engine as a 1641cc and used a swing arm rear

suspension. The front is a 6" over springer which really looks right for this trike. This is Matt's second trike. The first one I built him is a chopper trike and now needs to go back to the drawing board for some refinement. Both kids really like their trikes and will soon join the BTW family and the SiouxLand Trikers chapter here in northwest Iowa. So, I think I've made good use of my down time. Two trikes in seven months. Now on to the next project, which is on the hoist and about seventy five percent finished. An open frame VW with way too much hp! Yes, I did trim my beard down to half as much since this picture was taken on May 30th :) Makes it too hard to ride with it over my eyes! Hope all of you remain safe and healthy! Ride free on three! Fred Rees IA State Director

Don, from Siouxland Trikers in Northwest Iowa tells us these photos were from rides to local parks and other scenic locations where we can stop, social distance, and enjoy some of God's beautiful creation. Spring is always a beautiful time, as crops are coming up, and things are just greening up in general. We just take lunch along and find a park with ample room to social distance while socializing and enjoying lunch. We have put on approx. 800 miles in several months of rides as a group. We continue to invite friends along on rides, in an attempt to get them as members.

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

## TIPS ON PHOTOS FOR THE MAGAZINE

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

# In Memory of Trikers Lost

**Mike "Boat Tail" Brenaman, 1964 - 2020.** Charter Member, past Co-Director, Road Captain North Sound Thredom Rider Chapter, Washington, Army Veteran Desert Storm, DAV Volunteer, and Advocate. Boat Tail loved the trike community for fun, comaraderie, lack of drama and willingness to help others. We will deeply miss our brother.

**Carrol Baker, July 29, 1933 – Mar 6, 2020.** Carrol loved riding trikes and was an officer in the Southeast Kansas chapter. Carrol's stories, songs and jokes will be missed by all. Woolyberger will be missed.

**John Paul and Shawn David Carr, just 3 years old, passed away on**

February 21, 2020 as their family home burned to the ground.

These boys loved riding with their grandma Tessie Carr and were often seen wearing their skull caps which were their prize possessions. They are greatly missed by Mom Hannah and Dad

Chance and the huge extended family. As their great Grandma (Kathryn Henry) I will forever love and miss these two lively, mischievous and loving boys as I know so many others will also.

Coastal Cruisers mourn the loss of our treasurer and treasured member **Jerry "JC" Curtis**, born March 12, 1939 and passed away one day before his 81st birthday on March 11, 2020. Jerry rode motorcycles most of his life and in his later years went to a trike. He fit right in with the Coastal Cruisers and put his many life skills as a computer consultant to work for our benefit. He created and maintained the Coastal Cruisers web site as well as a data base for all the Washington chapters. Jerry you are missed and left a big pair of shoes to fill. Rest in Peace.

Coastal Cruisers are mourning the loss of yet another member. **Don Torgeruson** passed away on April 11, 2020 at the age of 85. He was an active rider and enjoyed the many gatherings he attended. He will be buried in San Jose, CA next to his loving wife Betty. Our hearts go out to his family.

May They Rest In Peace

## **BTW BOD Elections**

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
