## INNOVATING TRIKES SINCE 1990

Rewaco is an innovative company that specializes in the production of "factory-built trikes" founded in 1990 in Germany. The German-based manufacturer has designed and built innovative trikes for the last 30 years. These trikes have modernized and improved the trike industry by challenging its design, engineering, and ultimate performance.

Bringing Rewaco to the US has elevated and pushed the Rewaco brand even further. Our mission is to import and distribute these incredible trikes to all US dealers, trike lovers, and riders. With many states already in our network, we won't stop until we are in all 50 states and major cities so that everyone can experience "The Ultimate Trike".

**FROM THE DESK of  
ICE MAN  
(Alex)**

Hi again Folks, I am getting excited about the coming riding season and the first Regional Trike-In of the Year in Laughlin NV. I am hoping to see a lot of old friends and new ones this year after such a long dry spell.

We are busy putting the finishing touches on the National Trike-In, so keep an eye out for some special prizes for the early registrations.

I would like to share my profound sorrow in the passing of Harold "Crash" Telhorst. Harold help me during the take over of BTW with the preparation of the Triker and also with the conversion to the current TRIKER. Without his help I would never have been able to get this done.

As you all know the weather has not been cooperating with us for riding and it does not seem to want to go away yet.. For all those planning to attend the Western Regional, we put in our order for the regular great weather we have been accustomed to in Laughlin.

As I slide thru my 80s I want to let you all know that I may not be that funny or athletic, or good looking, or smart, or talented .... I guess I forgot where I was going with this. I love being in my 80's ...I learn something new every day and forget 5 other things. So Ride safe and enjoy triking.

Celebrating the Life of BTW Triker Cisco Nichols 8/5/1950 – 12/19/2021

Cisco Glenn Arthur Nichols loved bikes and trikes. He lived in Montana for many years and was a BTW regional director. He attended numerous trike-ins including Sturgis where he met Scott Murray, and they became fast friends.

His favorite ride was the Bear Tooth Hwy from Red Lodge to Cooke City. He knew the road well and loved it and the mountains.

Cisco and I were lovers and friends since college. Despite taking separate paths, we always stayed in touch. He left Montana in 2015 and moved to my farm near Eugene, Oregon. We enjoyed many trike rides to the coast, but his eyesight was dimming, and he eventually gave up driving and sold both his car and trike.

In 2020 we moved to southern Oregon. His type-1 diabetes took its toll and on December 19, 2021, he passed peacefully in a Medford hospice.

On 22 Aug 2023 I am leaving Medford to scatter Cisco's ashes in a place he was happy and free: the Bear Tooth Hwy, Montana. On 26 Aug I will deliver his BTW riding vest to Scott Murray in Cardston, AB. On 28 Aug I will be in Red Lodge, Montana and would like to meet up with any BTW trikers for a pint of Bent Nail at Red Lodge Brewing to celebrate Cisco's life and love of trikes. On 29 Aug I will scatter his ashes off the Bear Tooth Hwy on my way to Cody.

## TRIKE INDUSTRY EVALUATION

Trike Market size | 2023 Automotive Industry Global Analysis By Size, Trends, Growth, Share, Business, Key Players, Merger, Statistics, Competitive Landscape, And Regional Forecast To 2030 report provides comprehensive information on current scenario which includes historical and projected Trike Market insights.

Improved stability is one of the key factors driving the global trikes market. However, the trikes market places high demands for first time motorcycle riders. Riding a trike is easier to learn as compared to two wheeled motorcycles as it does not require bike balancing skills and also has high stability. These factors have enabled the riders to travel safely thus creating high demand for trikes amongst young population. Moreover, traffic congestion is one of the major reason which increases the commuting time in urban areas. Owing to this, the demand for trikes is increasing in cities. The increasing traffic congestion also makes it difficult for the motorcycle riders, especially those who suffer from knee problems. Trikes offers great convenience and comfort for the motorcyclist. In addition, the rise in the accidents while riding traditional motorcycles is likely to further boost the demand for trikes.

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

## TIPS ON PHOTOS FOR THE MAGAZINE

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

Kathryn Henry wrote: Bill's Man Cave turned Wedding Chapel as the Coastal Cruisers shared in the tears, laughter and joy of the marriage of Rusty Pitts and Sherry Williamson on Feb 11, 2023. A love story almost 50 years in the making, it was a joyous occasion with a simple but very memorable service performed by BTW member Lee Scholes. The ceremony was followed by a toast to the couple and a potluck dinner. The love and laughter was abundant as we celebrated with Rusty & Sherry Pitts. Sherry, I hope you know that you are now forever a part of Coastal Cruisers!

Jim Giesinger, Chapter Director of The Bridge City Trikers in Vancouver, WA, sent photos from their chapter's Christmas breakfast and meeting. Afterwards, we took toys to the Les Schwab Toy Drive. We all had a GREAT time!

## Mike and the Cops

This photo is of one of our members from Tucson, who likes fast, fast, fast bikes and trikes. He has a very intimate relationship with the boys in Blue and as you can see from this photo his lovely wife Debbie has become use to waiting by the curb while he explains why he had to go so fast. That's him in the cruiser. It looks like Debbie is practicing for the swift kick she plans on delivering.

## **Trikers of the Third Wheel area 23 Newsletter period ending 12.2.2023**

By: John Shore

Well folks not too much to write about this month what with the cold weather and the trikes locked up safely in their respective garages, sucking the hell out of our already high energy bills with their Optimates, giving them the kind of energy I sometimes feel is required to get my engine started in the morning. That aside, we had a birthday, so “Happy Birthday Joan” and yes for those that do read our newsletters, this is the lady with the cold fingers, note this is not a typo, not gold fingers that’s a film for those of us old enough to remember. Celebrations were had by the group at Cosmo in Reading, eat as much as you can get in you’ your belly for under £20.00. Yes we all came out stuffed so the diet following Christmas has just gone out of the window! So what else has gone on – oh yes, Jamie, another one of our clan has decided to have, I believe, almost his entire Rewaco trike blackened. Yes you heard correctly and this includes the chrome under rails or so I am led to believe. We are looking forward to seeing the results, but we may have to stop him from coming out with us at night. LOL. Unfortunately there is not too much else to write about this month so I am going out for breakfast with the rest of the clan and must try and get some new glasses in town as well, no not beer glasses, ones for the eyes! I may add to this once I have shown the proof to the team and seen if Jamie has some pics of the “BPCB” – Black Powder Coated Beast.

Future trips out for us are:-

Isle Of White – May 28

Newbury – bike jumble Apr 10

Wales SY post code – June 11 to 16

Middle Wallop – Wings and Wheels July 1st

Calne – motor cycle town event July 29

Abingdon – balloons festival 26 Aug

Ilfracombe – September 8 to 11

Also we meet each last Sunday in the month for breakfast at The Shack in Hook nr Basingstoke. If any groups out there want to meet up at any of the above please feel free to let me know with an email to either the Captain John Hope email [john.hope.johnh5010@goolemail.com](mailto:john.hope.johnh5010@goolemail.com) or me the editor [johnshore1@btinternet.com](mailto:johnshore1@btinternet.com)

That's all for now folks watch out for next months news from me at 23.

## A TRIKER'S PRAYER

*May the sun rise in front of me, The rain fall behind me  
And the wind follow me. May the Angels guard my travels  
For they know what is ahead of me. Keep me safe through  
Rolling hills and swirling turns. Let the eagle guide me to the  
Mountain tops. Let the moon's light Guide me through the night.  
Lord, thank you for letting me be a Triker*

## **BTW BOD Elections**

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

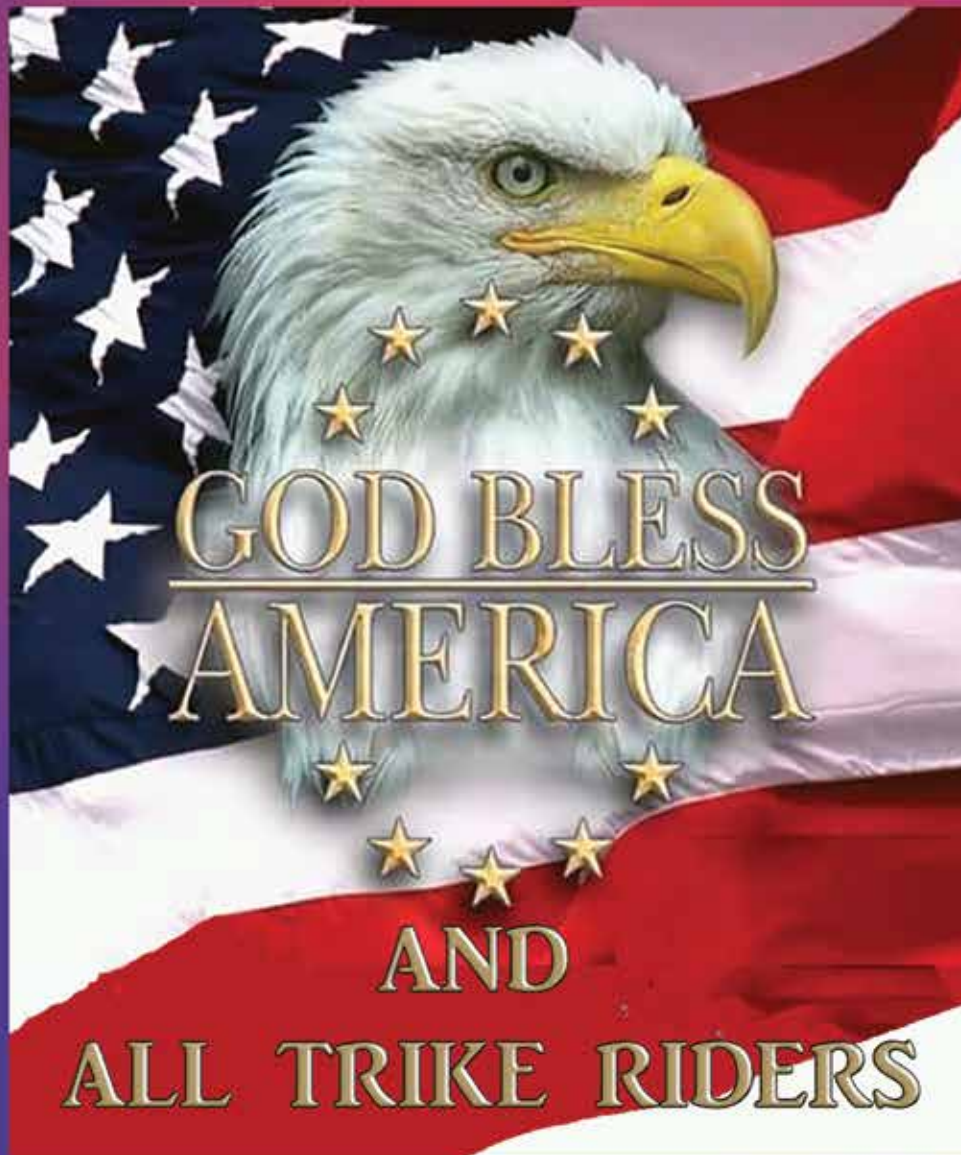

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
