# From your BTW Headquarters

Well we just attended the first of many events for 2017 and I would like to personally thank Jack Mertes and all who helped make the Western Regional such a success and also for the wonderful donation back to BTW which will go a long way in helping BTW to become a solid organization, able to provide more services and benefits for all the members. If all the events would just donate a small amount back to BTW our Association will be able to better serve all the members. With the addition of many Syder riders joining our fold, our overall membership is starting to increase faster than it has in a long time. We have added a logo patch for their chapters that includes a Spyder logo as well, which allows them to be part of both BTW and the Can Am riders. We are also gaining many new members who ride many different types of manufactured trikes and it seems this will continue to be the case as more and more manufacturers are popping up all over the world. I might also add that the prices of some of these new trikes are priced much better than they have been in the past. This has increased our visibility with other riders which in turn helps our Assoc. to grow. As you may have noticed in the last few issues, we have many new chapters and members in areas where we had stated to fade a bit and this is very exciting to see. Remember if you would like to have more people to ride with all you need to do is go for a ride and let them know you are out there and it will happen. On a ride last week I run into a group of 23 new trike riders getting together from face book and didn't know there was such a thing as a Trike Association. Believe me they know now. and I am a few magazines lighter than I was. For any of you who have not yet made your reservations for the National Trike-In, please don't wait any longer as the hotels

and RV Park is filling up and you might miss a great time with all the other members going. There are a lot of new things planned and many things to see and do, so come on out and join in in your Association. I have not met a person who has not enjoyed being a part of the event. If anyone planning on coming and needs any help with anything please contact Becky and let us know what we can do. I plan on attending at least 6 more events this year so hopefully I will get to see many of you during these. Ride safe and enjoy triking.

## **BTW GENERAL MANAGER: BECKY BROWN**

Hello all our BTW Members, Life has not let up for me as I am still getting used to my son being away from home, and now I have to prepare myself for my middle daughter to head off to Navy Boot camp.. YEP that's two kids within one year in the Navy! Yes I am one proud momma...With all that happening I am down to only two kids at home, I will have lots of adjusting to do...

OK so we have been busy working on the National Trike in, which is less than three months away.. How exciting! This will be a great event and I really look forward to seeing most of you while I'm there .....

As a reminder the New members that sign up will receive one (1) International Logo Patch, in their choice of Small or Large.. Additional patches (either original or international Logo's) can be purchased in addition.. but the free patch with new memberships is the International Logo Patch...

Please do not forget to send in any changes to your account, ie: phone, email, address etc I have been receiving a large amount of magazines returned to HQ due to the wrong address etc, as most of you know the post office Will NOT forward magazines See Ya All Soon Becky...

## “Rally's”

Webster's Dictionary defines Rally as; N.: A get together of hobbyists or other likeminded enthusiasts, primarily to meet and socialize. V.: To draw or call (persons) together for a common action or effort. As I look back to all the events, get togethers, races, club meetings, actions & reasons for attending things that involved, pertained to, because of, sponsored by & welcome in, which were for trikes and motorcycles, I have been to a lot of rally's.

I remember my 1st rally, summer of '65, Charity Newsies. It was the biggest Ohio flat track race of the year, held at the Ohio State Fairgrounds and sponsored by the Columbus Charity Newsies. The funds went to buy Franklin County school children clothes. Each year over 20,000 people flocked to the 10 mile Grand National Championship. That race was held from 1939 through 1980. I was blown away by the motorcycles, crowds and the races. It was a great weekend rally and close to home. The race was won by George Roeder (Harley), BSA and Triumph were still competitive then.

I have attended many different rally's since then and I think the BTW rally's rank as some of the best. Some of the rally's I've attended and enjoyed were in Tennessee, Kentucky, Pennsylvania, Michigan, Indiana, Illinois, Ohio and Daytona Bike Week. Although most rally's are for the vendor's to sell their ware's, I enjoy participating in the light parades, bike shows, test rides, local tours and shooting the breeze with other attendees. I went to a lot of Harley Rallies back in the 60s, 70s, & 80s. Back then there were more of the Hog Rally's than any other bike on the road, but now Goldwing's and BTW have caught up in quantity and quality. In Ohio there are over 40 major rally's between March and December for BTWs, Goldwing & Harley owners, that doesn't include the many poker runs, scavenger hunts and swap meets. I often attend and participate in these rally's along with AMA Vintage Days in Lexington, Cycle World International in Cleveland and other Dealer and BTW Chapter events throughout the state.

Rally's are fun to attend and usually in-tales a great trip to get there and back. They can, however, cost a pretty penny but “You can't take it with you”. Gas, food, lodging, accessories for the bike and little gifts for the Grand Kids all add up. Every major rally I've attended, I purchased some kind of accessory for my trike and then have it installed. A number of rally's have been canceled due to the economy, but most riders plan on spending the bucks and will attend rally's anyway. Rally's that are great to attend include: Americade, Mississippi River Ride, Niehaus Appreciation Days, Pomeroy Goldwing's & Ribs Fest, any BTW Rally and the Michigan District Bridge Ride For Diabetes.

Summer's are filled with rally's, events, activities and get togethers for motorcyclists. You can't get to all of them and some of them cost a lot of \$\$\$\$ to attend, but you can decide on some that are less expensive due to distance to travel, time, length of the event & spending habits. As of yet, I have not seen any Chapter Rides that would “BREAK THE BANK” or deplete one's savings. For me, rally's are one of the reasons I own & ride my Trike.

My rally days have been limited as I've grown older. Multiple health issues and less \$\$\$\$ from retirement have forced me to slow down. I still enjoy short runs for food and ice cream, riding with my Lady and socializing with all my BUDS.

Come ride with us, if for no other reason you will enjoy shooting the breeze with other riders.

## “Shaw”

I feel as though my life would not have been complete without knowing “Wilmer Shaw”. He was a Motorcycle Dealer from way back in the Harley days and a very unique individual. I met him when I needed some work done on my BSA in 1965. This article starts then and goes thru the time he entered a nursing home some 30 years later. We did some riding together and he taught me a lot about motorcycles.

He lived near the end of S.R. 245 near Marysville, OH. In the 50's he became a dealer for BSA Motorcycles and worked on all other bikes. He was an excellent mechanic and could design and tool many parts that were needed to fix any motorcycle. He and his wife, Alma, had 2 children, Gary and Susan. “Shaw” always had a cigar in his mouth and seldom took it out to talk. He may of had a speech impediment or it was just a slur from his stogie. He was thin, wore work shirts, pants and cap and his favorite song was “Harbor Lights”. He divorced in the early 70s and perhaps that is when his obsession with hoarding began. He dated attractive ladies and enjoyed riding 2 up. He took trips out west, east, south and seldom missed a Flat Track Race in Ohio and neighboring states. “Shaw” always had a story to share with anyone that would listen and he never knew a stranger. The trouble was he never finished a story cause he would change topics 3, 4 or 5 times in the process of his delivery. He became a Yamaha dealer in the mid 60's and sold many small 250–500 cc bikes around town. “Shaw Cycle Sales” suffered from his procrastination, obsession's and lack of devotion to the business. He lost the motorcycle franchise, then drove a truck delivering newspapers.

“Shaw” became a collector, he never threw anything away, anything he found along the road side he kept because he may need it some day and anything that was broke he intended to fix, some day. Some day never came and he was over run with stuff. He had 2 or 3 old boats sitting around he intended to fix up and use if ever he went fishing. There were 4 or 5 old cars and trucks that needed starters, alternators, transmissions, tires or batteries and a convertible Sunbeam Alpine that needed a new top, all sitting in his yard. “Shaw's” barn was another story, as you walked thru the double sliding doors the first thing noticed was his office and show case on the right hand side. Everything from old motorcycle magazines to parts, shop manuals and invoices filled the area in total disarray. As you looked around the room next was his work area, a 12 X 12 foot space with his tools, work bench and a large hydraulic motorcycle lift. In the middle of the barn was a huge pot belly stove. Along the back wall was his welders, torches, lathes, presses and other machining tools. Then around to the left side of the barn was an array of old cycles. First was a 1939 Harley EL, 61 ci. with a side car. The side car was not attached but it was in primo condition. The bike had the heads off to do a Valve Job, but after 25 or more years it was covered with dust, dirt and rust. Next was a like new Ural side car, it was complete with a stainless nose cone and a new tire which had been installed 10 years earlier. Then “Shaw's” 1975 Honda GL 1000. It was froze up from sitting ideal for 13 years. After that was a 1959 BSA Gold Star 500 cc single cylinder, rusting at every piece. The next item was his old 1960 BMW R/60S. It was froze up but the paint and aluminum were in great shape, but the chrome was trashed. Last but not least was a 1954 Vincent Rapide. It wasn't froze up but needed a rebuild on the shifting lever where it entered the top of the aluminum cases.

Those were not the only motorcycles that “Shaw” had. Sitting out back along side the barn was a 1942 Harley UH Flathead 74 ci. It was rusting away while sitting under the eaves of the barn with every passing rain storm and inclement weather condition destroying it's very being. Along the back of “Shaw's” house was a small shed that was once a van bed on a 2 ton truck, it enclosed his prize possession, a 1987 Harley Davidson FLT with a sidecar. “Shaw” rode it from 1989 until he went into a nursing home.

Entering his house was one of the most memorable experiences anyone could imagine. The wood siding had no paint and the boards were cracked and rotting. Coming up the broken back steps led you into the kitchen.

CONTINUED ON NEXT PAGE

# FROM THE MEMBERS

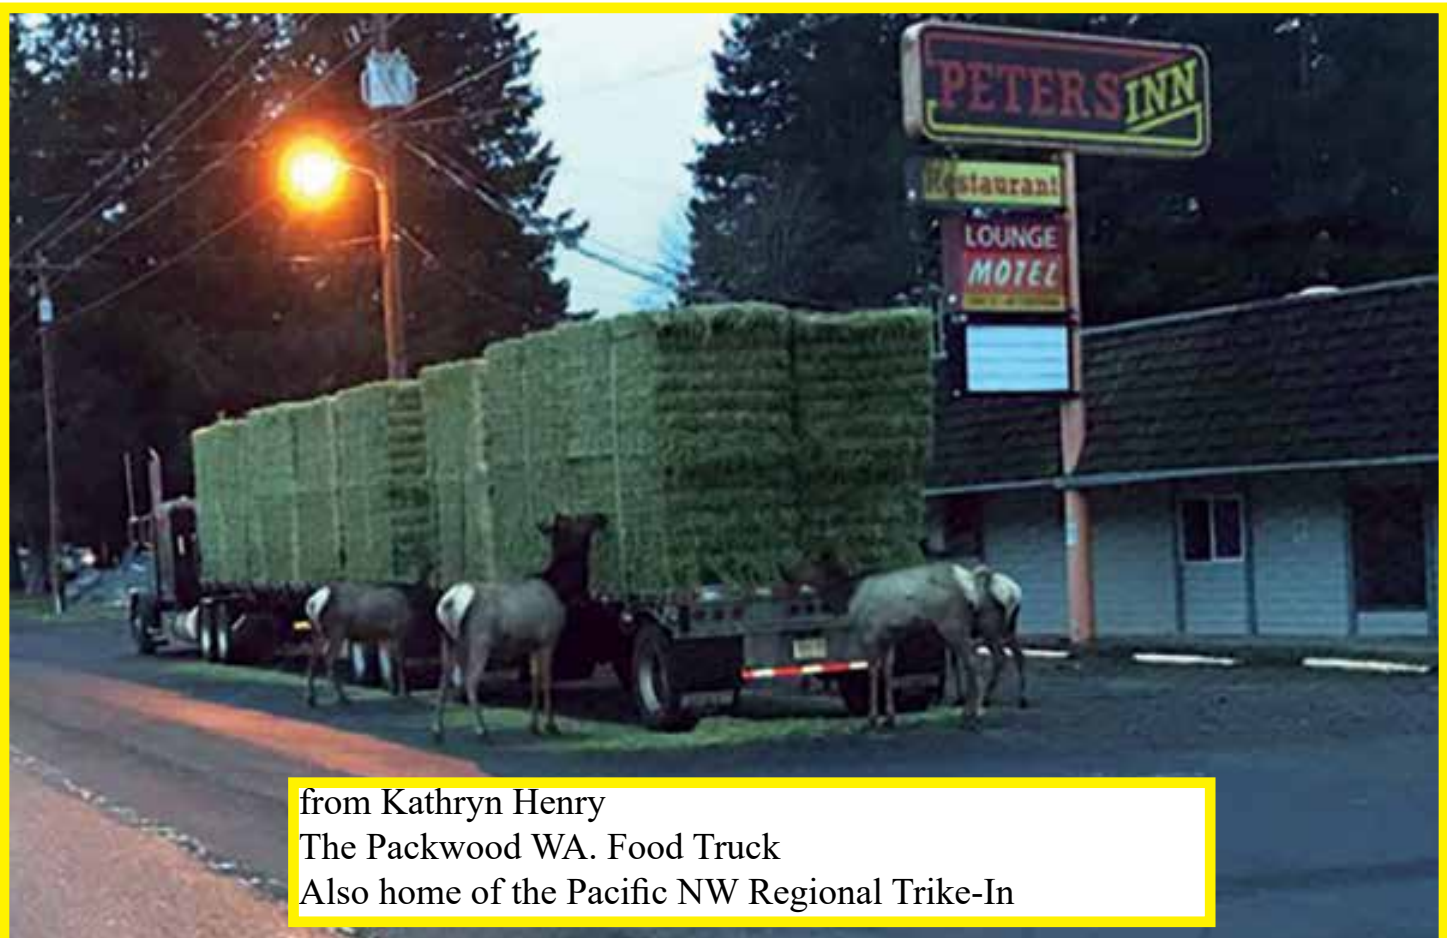

Continued:

There I witnessed him eat 24 ears of corn over the sink, he could eat like a horse. His kitchen counter resembled the showcase in the barn, cluttered. The living room was filled with newspapers, magazines, mail and stuff, tons of stuff. There were narrow paths throughout the house to maneuver around and go from room to room. The wall paper was coming down in each room and there were no blinds on any of the windows. The carpet was never vacuumed and the toilet had no running water due to broken water pipes. There was a hole in the roof in the front room with buckets catching the drips. The whole house should have been condemned. The County continued to send "Shaw" complaints about the mess around the house but he never got excited or cleaned anything up.

Regardless of how he lived I liked him and visited him in the nursing homes until he died in 2004 at 88. It was tough watching him decay in the home. I bought the BMW, 39 Harley and Goldwing from his kids, Executors of his Estate. Had he sold all those old bikes and tools, when alive, he could have fixed everything up and lived well. His house was sold to a lady that totally refurbished it, including the barn. She has added on and made the old house into a show place complete with flowers and landscaping. She added a porch that goes around the whole house and a big garage which matches the house.

"Shaw Cycle Sales" is just a memory.

## TIPS ON PHOTOS FOR THE MAGAZINE

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

## SUPPORT FOR OUR BROTHERS OF THE THIRD WHEEL ASSOCIATION

Our Association is totally dependant on the income derived from the membership dues, sale of BTW products and the donations from the events put on by the local chapters States and Regions. BTW must have all of these to be able to thrive and offer more benefits to our membership. Remember we are a non profit Association, so the giving back to our association is the same as donating to other charities.

**BTW would like to thank Jack Mertes, Region 9 Director and all who participated in the 2017 WESTERN REGIONAL FOR THEIR GENEROUS CONTRIBUTION BACK TO BTW FROM THE PROCEEDS OF THIS EVENT. THIS TYPE OF COMMITMENT WILL GO A LONG WAY TO MAKING BTW THE KIND OF ORGANIZATION WE ALL WANT AND NEED IT TO BE. JACK HAS MADE A CHALLENGE TO ALL OTHER EVENTS TO DO THE SAME AND IF THIS HAPPENS, BTW WILL BE ABLE TO ANNOUNCE SOME MAJOR BENEFITS TO ITS MEMBERSHIP FOR 2018.**

## **BTW BOD Elections**

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see REGION 7 is still awaiting a representative so if you are a fully paid up member in Region 7 ( DE, MD, NJ, PA, VA, WV) Please get in touch with HQ and discuss the post and the possibility of you taking this on.

Shaun & Jackie Lloyd (HT & Mrs HT), BTW B.O.D. Election Committee.
