BACK COVER: A merry Christmas wish in most languages I hope

From your BTW Headquarters

Hi Folks, I first must apologize for not being able to post the details for the 2020 National Trike-In as the rep for the city who looks after arranging all events decided to take a job with another city and left quickly. So I am waiting for the new person to get familiar with everything and hopefully we can get back on track. I will email every member as soon as I have all the details completed. Now for the next item, I was amazed at the unusual number of members who notified me of their interest in becoming the next CEO of BTW. So for all you members who dilly dally a bit, I suggest you get a move on and get your name in the hat before it is too late. Next May will be here before you know it.

Well like they say the best plans of mice and men go to hell in a hand basket and that's where ours went this summer. We planned on coming east as we usually do for the Central and that fell through so we planned and booked for the Missouri Fall Reunion and that fell through. We are now going day to day and waiting to see if we can get to Turkey Fest

We would like to get to one more in before the snow flies in downtown Tucson. lol. I look forward to finally seeing some of you soon during the rest of the riding season, I hope.

Ride safe and enjoy triking

As your local air ambulance, serving area residents from our surrounding bases, Air Evac Lifeteam understands the critical aspect of time in treating medical emergencies. For those of us living in rural America, our recovery can depend on how much time it takes to be transported to emergency medical treatment. Air Evac Lifeteam can cut that transportation time *in half*.

In the event you are flown by Air Evac Lifeteam for a life or limb-threatening emergency, we will work with your benefits provider to secure payment for your flight. Whatever your benefits provider pays will be considered payment in full. Even with medical insurance, an air medical transport can leave you with unexpected out-of-pocket expenses, burdening your finances & family. As an Air Evac Lifeteam member you will have no out-of-pocket expenses related to your flight if you are flown by Air Evac Lifeteam or any AirMedCare Network participating provider.

Air Evac Lifeteam is a member of the AirMedCare Network, the largest Air Ambulance Membership Network in the United States. An AirMedCare Network membership automatically enrolls you in all provider membership programs, (Air Evac Lifeteam, Guardian Flight, Med-Trans Air Medical Transport, and REACH Air Medical Services) giving you membership coverage in over 320 locations across 38 states. All AirMedCare Network service providers work cooperatively to provide the highest levels of care for you, your family, and your community.

Join today and you can receive membership in the AirMedCare Network at the same low price as the individual membership programs, giving you membership across 4 leading air ambulance operators for the price of 1! Completed enrollment forms may be mailed to: **AirMedCare Network P.O. Box 948, West Plains, MO 65775**. If you have any additional questions please do not hesitate to contact me.

Air Evac Lifeteam cares about you and your loved ones. Our mission is to make it possible for people living in rural areas to get the life-saving emergency care they need, when they need it. AMCN Membership Terms and Conditions

AirMedCare Network is an alliance of affiliated air ambulance providers* (each a "Company"). An AirMedCare Network membership automatically enrolls you as a member in each Company's membership program. Membership ensures the patient will have no out-of-pocket flight expenses if flown by a Company by providing prepaid protection against a Company's air ambulance costs that are not covered by a member's insurance or other benefits or third party responsibility, subject to the following terms and conditions:

- Patient transport will be to the closest appropriate medical facility for medical conditions that are deemed by AMCN Provider attending medical professionals to be life- or limb-threatening, or that could lead to permanent disability, and which require emergency air ambulance transport. A patient's medical condition, not membership status, will dictate whether or not air transportation is appropriate and required. Under all circumstances, an AMCN Provider retains the sole right and responsibility to determine whether or not a patient is flown.
- AMCN Provider air ambulance services may not be available when requested due to factors beyond its control, such as use of the appropriate aircraft by another patient or other circumstances governed by operational requirements or restrictions including, but not limited to, equipment manufacturer limitations, governmental

regulations, maintenance requirements, patient condition, age or size, or weather conditions. FAA restrictions prohibit most AMCN Provider aircraft from flying in inclement weather conditions. The primary determinant of whether to accept a flight is always the safety of the patient and medical flight crews. Emergent ground ambulance transport of a member by an AMCN Provider will be covered under the same terms and conditions.

- Members who have insurance or other benefits, or third party responsibility claims, that cover the cost of ambulance services are financially liable for the cost of AMCN Provider services up to the limit of any such available coverage. In return for payment of the membership fee, the AMCN Provider will consider its air ambulance costs that are not covered by any insurance, benefits or third party responsibility available to the member to have been fully prepaid. The AMCN Provider reserves the right to bill directly any appropriate insurance, benefits provider or third party for services rendered, and members authorize their insurers, benefits providers and responsible third parties to pay any covered amounts directly to the AMCN Provider. Members agree to remit to the AMCN Provider any payment received from insurance or benefit providers or any third party for air medical services provided by the AMCN Provider, not to exceed regular charges. Neither the Company nor AirMedCare

Network is an insurance company. Membership is not an insurance policy and cannot be considered as a secondary insurance coverage or a supplement to any insurance coverage. **Neither the Company nor AirMedCare Network will be responsible for payment for services provided by another ambulance service.**

- Membership starts 15 days after the Company receives a complete application with full payment; however, the waiting period will be waived for unforeseen events occurring during such time. Members must be natural persons. Memberships are non-refundable and non-transferable.
 - Some state laws prohibit Medicaid beneficiaries from being offered membership or being accepted into membership programs. By applying, members certify to the Company that they are not Medicaid beneficiaries.
 - These terms and conditions supersede all previous terms and conditions between a member and the Company or AirMedCare Network, including any other writings, or verbal representations, relating to the terms and conditions of membership.
- *Air Evac EMS, Inc. / Guardian Flight, LLC / Med-Trans Corporation / REACH Air Medical Services, LLC - These terms and conditions apply to all AirMedCare Network participating provider membership programs, regardless of which participating provider transports you.

CENTRAL STATES REGIONAL TRIKE-IN

Thank you to everyone who was able to attend and helping in making the Region 5 and Central States Regional Trike-in a success. We were able to give \$1,600 each to CHRC-Community Health Resource Council (local charity) and Shriners Hospitals for Children. We were also able to give \$300 to National and still have what is needed for the 2020 Central States Regional Trike-In. We also say thank you to Explore Harrison and the Quality Inn Convention Center, we'll see you again in June 2020. Keep an eye on the 2020 fb Central States for updates. Get out and ride, have fun, and stay safe.

Hopefully we can get a few rides in here and there. Maybe another one up to the THING on I-10 and the Dairy Queen. Congrats to George and his new ride. It's with a heavy heart that Lou and Gary will be leaving the Chapter do to personal and health reasons. They are going to be sorely missed. He asked if we would like to see it. It had been acquired in Indiana and he was taking it home to Texas.

An amazing day and a first for all my brothers and sisters in BTW-UK Area18 as we organized and held our first Bike/Trike show. We were chuffed with the attendance. Nik (photographer from magazine BackStreetHeroes) was here and took loads of photos so hopefully we'll be in BSH. We had 60-70 bikes/trikes turn up, including Troopers (Hertfordshire), Four Wings (Bedfordshire). Two bands + we ran a beer/cider tent(aka car boot). We had a raffle and 7 trophy categories. Hertfordshire Fire & Rescue set up their Biker Down unit as well.

ITEMS OF INTEREST

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

TIPS ON PHOTOS FOR THE MAGAZINE

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

BTW BOD Elections

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
