## INNOVATING TRIKES SINCE 1990

Rewaco is an innovative company that specializes in the production of "factory-built trikes" founded in 1990 in Germany. The German-based manufacturer has designed and built innovative trikes for the last 30 years. These trikes have modernized and improved the trike industry by challenging its design, engineering, and ultimate performance.

Bringing Rewaco to the US has elevated and pushed the Rewaco brand even further. Our mission is to import and distribute these incredible trikes to all US dealers, trike lovers, and riders. With many states already in our network, we won't stop until we are in all 50 states and major cities so that everyone can experience "The Ultimate Trike".

### AUTOMATIC OR SPORT SHIFTING

This German designed and engineered trike comes with an impressive turbocharged Mitsubishi 1.5 litre 4-cylinder in-line engine (VCT) as the heart of the latest Rewaco trike generation. Together with Punch Powertrain's excellent automatic transmission, performance is confidently being brought onto the road. This drive system is ideal for cruising and touring enthusiasts who are looking for the perfect

Hi agin Folks, In spite of the isane trip some might read about in this ussue and following ones, the Missouri Fall Re-union was great and we where so glad to finally get away and visit with some of you. We see a lot more members getting out and riding again which is wonderful.

So here we go as you will see in this issue, we have announced the 2023 National Trike-In to be helod in Spearfish ND, and as the magaize was being completed so wher some of the plans for the event and I will get these out to everybody as soon as possible. In an attemp to keep the prices as low as possible we may try some new booking ideas, but rest assured, we will have lots of activities, rides and food. I would also like to ask anyone able to help wsith the event please let us know as I am not getting any younger and want to make sure everything gets looked after properly. Now that we seem to be

past all the Covid sh--, we are seeing quite a resurgence in the membership counts. It seems there are more and more new trikers looking for someone to ride with all over the world. so lets get out there and ride with them. Ride safe and enjoy triking.

# MEMBER SALUTE

On behalf of BTW and all the members I would like to thank the following Chapters, State and individuals who have so generously donated funds to BTW which kept our Organization going during these difficult times. Without these donations, our Association would not be able to survive. We are hanging on by a thread and we still need help until some of our events take place. Any amount will help to keep things going.

THE WAIT IS OVER!

The world's fastest selling airbag product – the Helite Turtle 2 has now gone wireless!!  
The NEW Helite E turtle incorporates the same iconic design as the Helite Turtle 2 with the added benefit of autonomous inflation of the wireless, electronically activated airbag.  
The E turtle incorporates algorithm technology into the vest which analyses the user's movements and automatically triggers the airbag to inflate in less an 80ms. Detection also includes loss of control and accidents where you may not separate fully from your motorbike.

Stay tuned for more updates in the days to follow!!

## TRIKE TRIP

Well Lynne and I finally planned our first trip to the Fall reunion at Meramec Caverns just south of St Louis, after the last 2 years of medical hell. We pack up the trailer loaded the trike and off we went. Got on the highway, and got off at next exit, the truck could not handle the big trailer when an 18 wheeler passed, we almost left the road. So unloaded trike, hooked up the mini trailer to trike, changed & packed what we could & off we went, only 4 hrs late. Made it to our first planned stop in NM in the pitch black of night. (but we did make it)

Next morning found air ride compressor shot, so go buy a tire inflator & jerry rig to air ride system with a & long wire & switch for Lynne's job was to pump when it got low all the way to Missouri. Great next 2 days other than 45 mph winds in Texas & Oklahoma, leaving me numb trying to stay on the trike. Once we reached Missouri the wind stopped & the greenery was beautiful.

We use Motel 6 along the way & that was an experience of a lifetime as some were full of families living permanently & halls were playgrounds for their kids. Another was home base for young working ladies who got picked up at our front door to make house calls I guess & then got dropped back off an hour later. I of course paid no attention to these activities out my bedroom window. The water last but not least of these motels was one that said, no hot and did not plan on fixing it in the near future, & I noticed they had beds on the floor of the motel office, not sure who for & did not ask, upgraded to Motel super 8, also full of permanent families with hall playgrounds.

Arrived at Meramec Caverns motel on the 4th day, great motel, park & facilities. The Missouri fall reunion was a great, we had a ball with all our old and new friends and the caverns were fantastic.

I improved the air ride so boss no longer had to pump up. We decided on route 66 for return trip as less hectic than freeways. Said our good-bye and left early Monday and got 20 miles on route 66 when I notice 2 oncoming trucks making a left hand turn into a storage facility, they

where far enough away, no problem, but then just as we got to that spot there was a woman in another car behind them also decided to make the turn right in front of us and as she got broadside in our lane she saw us, panicked came to a dead stop. Somehow I veered slightly to the left missed her, hit the ditch which was knee high in grass, at 45 miles an hour, mowed a very neat strip of the ditch then up onto the parking lot of a storage facility and stopped. After about 10 minutes to start my heart beating and breathing regularly I started to stomp back to the lady's car that had now moved into the parking lot also. As I got to her vehicle, I saw that she was in total panic mode and could not even talk as she was screaming so loud and mumbled something about thinking she had killed us both.

# FROM THE MEMBERS

Omar Madrid, AZ BTW member, and friend, have so much fun triking they even go grocery shopping on the trike! We went to the Gila river and for a swim and fun, but it was a disappointment, the river was dry, this river is never dry for at least 50 years that I know of. Just our luck!! We love to ride to Mt Lemmon, Canyon Lake, Tortilla Flat, all within a couple hours. It is a blast triking. Come and ride with us at Wednesday breakfast rides! Keep triking and Ride safe!

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

## TIPS ON PHOTOS FOR THE MAGAZINE

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

### •Footnotes

1. Alaska's motorcycle helmet use law covers passengers of all ages, operators younger than 18, and operators with instructional permits.
- 2 In Delaware, every motorcycle operator or rider age 19 and older must carry an approved helmet.
- 3 In Florida, the law requires that all riders younger than 21 years wear helmets, without exception. Those 21 years and older may ride without helmets only if they can show proof that they are covered by a medical insurance policy.
- 4 In Kentucky, motorcycle helmet laws also cover operators with instructional/learner's permits.
- 5 Motorcycle helmet laws in Maine cover operators with instructional/learner's permits and operators in their first year of licensure. Maine's motorcycle helmet use law also covers passengers 17 and younger and passengers riding with operators who are required to wear a helmet.
- 6 In Michigan, the law requires that all riders younger than 21 wear helmets, without exception. Those 21 and older may ride without helmets only if they carry additional insurance and have passed a motorcycle safety course or have had their motorcycle endorsement for at least two years. Motorcycle passengers who want to exercise this option also must be 21 or older and carry additional insurance.
- 7 Motorcycle helmet laws in Minnesota cover operators with instructional/learner's permits.
- 8 In Missouri, riders younger than 26 and instruction permit holders, regardless of age, must wear protective headgear when the vehicle is in motion. Operators who are 26 and older may operate a motorcycle without protective headgear if they maintain proof of financial responsibility. No person shall be stopped, inspected, or detained solely to determine compliance.
- 9 North Dakota's motorcycle helmet use law covers all passengers traveling with operators who are covered by the law.
- 10 Ohio's motorcycle helmet use law covers all operators during the first year of licensure and all passengers of operators who are covered by the law.
- 11 Pennsylvania's motorcycle helmet use law covers all operators during the first two years of licensure unless the operator has completed the safety course approved by PennDOT or the Motorcycle Safety Foundation.
- 12 Rhode Island's motorcycle helmet use law covers all passengers (regardless of age) and all operators during the first year of licensure (regardless of age).
- 13 Texas exempts riders 21 or older if they can either show proof of successfully completing a motorcycle operator training & safety course or can show proof of having a medical insurance policy. Peace officers may not stop or detain a person who is the operator of or a passenger on a motorcycle for the sole purpose of determining whether the person has successfully completed the motorcycle operator training and safety course or is covered by a health insurance plan.
- 14 Motorcycle helmet laws in Wisconsin cover operators with instructional/learner's permits.

## My Stroud, OK Route 66 Museum

Hi Alex,

I really enjoyed speaking with you about Venom during your recent visit to Stroud. Loved all the hidden snakes and incredible details in the paint job. 5 colors in each of 5000 scales! Wow! Attached is a pic of Venom with the Rock Cafe in the background.

Also grateful for your offer to let your newsletter's readers know about the museum I'm opening here later this year (maybe by Thanksgiving... definitely by Christmas).

The Route 66 Spirit of America Museum will celebrate everything positive about the American spirit... starting with the things I saw as a child that gave me hope in what was otherwise a very traumatic time in my life.

Exhibits will include NASA, Star Trek, Jimmy Stewart movies, the Adventures of Superman TV show, Walter Cronkite, Buckminster Fuller and more.

And for motorcycle lovers, my autographed poster and replica 1:10 scale bikes will celebrate "Easy Rider". (Pics attached)

I've set up a Facebook page (just search on the museum's name) where people can get updates. And attached is my promotional flyer. If you have any questions, please let me know.

Thanks again for your interest and support! Here's to an America in which we come together once again to achieve big things! That's what the positive side of the American spirit makes possible!

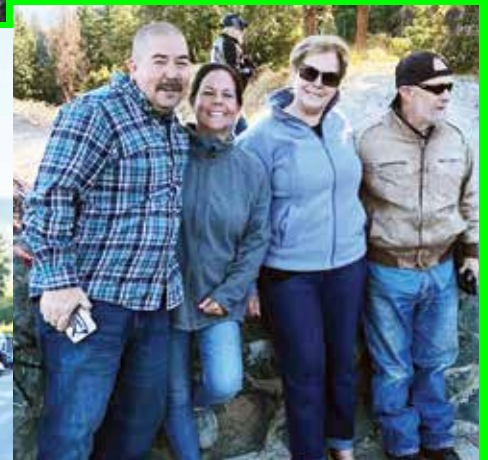

Sincerely, Steve

## NORTHERN CALIFORNIA STATE TRIKE IN

Margaret Winebrenner, CA State Director says: Hope you all have been enjoying the Autumn & late fall weather to ride in. It had been so hot out here in CA clear into Oct, that we considered not riding till winter! But we had planned a great Northern California State Trike-In at Sycamore National Park on Labor Day weekend and so off we went. We were hosted by the River City Trikers & they planned amazing rides in the beautiful countryside. We had a great turnout & had a great camping area all together. Each day the rides around Northern California were beautiful altho the heat had followed us from the valley. We came back to camp to relax & sit in the shade! We sat on our chairs, swapped stories & whoppers! Each time the sun moved, as a group, we picked up our chairs into a bigger spot of shade. Kind of felt like a funny version of musical chairs but we kept cooler in shade. Of course our group loves BBQ & we had great food with many yummy side dishes at the camp. Last day of our gathering we took one last beautiful ride & went to a tasty pizza place for dinner. We loved seeing the new areas of CA, seeing old friends we haven't seen for a while, & meeting new ones. Enjoy your fall rides, savor the crisp air & the beautiful scenery CA has to offer. It's out there folks, enjoy! Attn: Next CA State Trike-In will be held at Madera Fairgrounds in Madera. Ca. More info will be on website and next Triker magazine

Loren Kuester The SiouxLand Triker's have been known for their sweet tooth. Today was a fine example of that. It was a near record high temperature week for the last week in October when the SiouxLand Triker's set out to witness the fall colors and in search of pie and ice cream. We rode the western Iowa Loess Hills admiring the fall harvest and colorful foliage. It just happened to be in route to Smalls Fruit Farm that specializes in apple and cherry pie with a dab of ice-cream. The trikes seemed to enjoy the 150 miles that were asked of them, knowing that winter is around the corner. Wherever you are, enjoy the fall season.

## **BTW BOD Elections**

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
