Hi Folks,

I would like to say how sorry I am that Scottie Sisemore and Kevin Smalley have had to step down from the Board due to health issues. Their efforts will be missed. I would also like to thank Kathryn Henry for stepping up and replacing Scottie, I know Kathryn and know she will be a great asset to the membership as she already has been in the past. We are still trying to get over the hump with the finance issues and have seen some improvements, but there is still more effort needed. There are several new benefits in the works and we hope to have some of these concluded in the near future. We must have a stable base in order to commit to certain programs and this is what we are trying to accomplish. We have re-organized the efforts of the Board to better serve the membership and to get some of these things completed. You will see the changes in the Director section of this issue. All of your current Board Members are providing an enormous amount of time and effort to make things happen and I would like to thank them all. This has not been an easy task as many of you know, but it will be worth it to see BTW prosper. We have the help of a young lady, Amanda Schreiber, who is currently going to college and is very knowledgeable with the software and requirements

needed to get the magazine to the publisher. This will be our first attempt at completing the entire magazine at our office, and if all goes well, it will shorten the production time of each issue. Howard Telhorst and Donna Downs have given their time and talents to help with every issue of the magazine to date and without them it would have never made it at all. I would like to thank them for everything they have done and hopefully we will now be able to continue without putting the burden on them every issue. I apologize to the members that we committed to attending their event and then were not able to go. First 5 months of the year, it was Lynne's broken leg, we then got to go to one event and we now are caring for her mother 24-7 since her heart attack. It has been a long year of confinement so far, but we hope we see the light at the end of the tunnel and will get to go to some events before the year ends. We miss getting together with all our friends, and meeting all the members at the events and I really miss riding my TRIKE. Ride safe and remember this is your Association and we need your input.

Ride safe,

October/November 2013

News: Summer is almost over in the high country. We have had a lot of rain this year. We do not start out in the rain but when it hits us, we gear up and go on. We have had some great rides and will continue to ride into the fall as long as the weather holds.

By the time you are reading this, our High Country Blowout will be over. We changed locations this year. Payson, AZ had so much to offer. The RV Park, motels & restaurants are all very close and the scenery for riding is spectacular. The venue for our entertainment and meal was very nice. Hope everyone who made it had a great time.

A special thanks to all our members who put so much time and effort into the planning and putting it all together to make the run a success. Ride often and ride safe.

ARKANSAS -Russellville Area Trikers

Director: Don Keeney 479-880-6840
dgkeeney@yahoo.com

Meeting: Our chapter meetings are on the second Saturday of each month, so please email or call for more information. The October meeting has been set to be in Dyer, Arkansas at the community building or just across the street. Get hold of us & we will be happy to direct you there.

News: The Russellville Area Trikers had to postpone the August meeting and September meeting until after the deadline for the magazine. So here we go. The chapter had another yard sale but it didn't turn out like we were hoping. Every little bit helps. About all I can do at this point is to wish everyone a Happy Thanksgiving and enjoy the cooler riding weather that should be on us soon. Ride safe and enjoy.

CALIFORNIA - State

Director: Loner Abbott
Porterville, 559-781-8129
Lonerbtw@clearwire.net

Assistant Director: Gary Winebrenner
Fresno, 559-355-4267
garywinebrenner@sbbcglobal.net

CA Web Site: btw-california.org

Meetings: Every May and October at the State Trike-In or any special called meeting, as required, following BTW Bylaws.

News: Loner reports: Well here we go again. By the time you read this, our California Fall Trike-In will be about to start and hopefully everyone has a good time. I really enjoy doing what I do as CA State Director, all the planning and everything else that goes along with putting on one of these runs. Meeting new people and seeing old friends, talking with as many as I can and seeing everyone having a good time makes it all worthwhile.

We have not been doing too much riding due to the weather, but this coming weekend, we are going to do about 500 miles. We are going down south to pick up a new-to-me Valkyrie that we just bought. It will be a winter project that should be triked by the National Trike-In. There should be a flyer in this issue of the Triker Magazine, so start planning for next year. For a first time National, it was fantastic. The weather was perfect, the rides were great, and games were fun. Everyone seemed to have a good time and wanted to do it again.

A big thank you goes out to all who had a part in planning this event and all who showed up to have a good time. For anyone reading this from coast to coast, these events are put on for you, so get involved any way you can, help or just show up, either way you are going to have fun. And, that's what it's all about. So until next time, see you out there somewhere, someplace, sometime, just have fun. Ride Safe, Ride Free, and God Bless.

CALIFORNIA – Central Valley

Director: Margaret Winebrenner

Fresno, 559-961-9037

Margaretsue@prodigy.net

Assistant Director: David Austin

Fresno, H. 559-225-3245, C. 559-417-5338,

chaplain-dave@sbcglobal.net

Meetings: Second Saturday 9AM at Denny's at Willow/Shaw.

News: Margaret reports: Hope everyone has had a wonderful summer and doing a lot fun rides. Our members got out of the heat and had a wonderful BBQ in the mountains! We were welcomed by Steve & his family at their home in the mountains. It was a good ride and almost all our members attended. The food was tasty and plentiful! Nice to get out of the valley for a while and everyone had an awesome day with friends.

We elected our 4th Road Captain, Ken. He joins Mike, Bill and Red as our guys who scout out all those great runs for chapter rides and Poker Runs for California State BTW Trike-Ins in Madera. They will be checking out the best runs for October Trike-In and present them to Loner at the September chapter meeting. Chapter members will be heading to Modesto on September 21st for a day of fun, food and games. All are looking forward to seeing the Joaquin Valley Riders and having a fun day! After our meeting on September 14th the chapter will be riding up to Cat Haven Sanctuary. at the Kings Canyon secret location . We'll see 26 different kinds of

large cats - as in Lions and Tigers - oh my!!

Then, we will go chow down with pizza before riding home! Reds' trike is on the road again - that's good because he was getting very grumpy with his trike down. He made some changes to the box and it looks really good.

Mable's trike is still down though but hopefully will be running soon!

We had a great ride to Courtwright/Wishon area in the Sierra Mountains with 5 trikes and 7 members on a beautiful day in August. Lunch later in Dinkey Creek. It was fun and refreshing as the day was heating up. The return to the valley floor was a little rough - summer snuck in on us while we were up at 7,500 ft. HOT We continue to ride despite the heat but are so looking forward to fall weather!

If you have an interest in trikes, whether you have one or not - feel free to join us on the 2nd Saturday of each month. Our members would love to give you a ride on our runs. Stay cool, ride safe and always take time to smell the flowers.

needed a new front end, windshield, tire and a few other things. But she's back together and waiting for the new windshield. The Honda has retired. We're all looking forward for the fall Trike-In. It should be nice cool weather. We celebrated Jim Schwenk's 60th birthday and everyone had a great time. Thanks to you, Billy & Imee for hosting it. yet with 76 people registering (from Colorado, Arizona, California, Texas, Wyoming, Nebraska, Kansas) and everyone had a great time. There were event patches, trike-in t-shirts, a live band, free hot dogs and drinks, Poker Run, taco/burrito bar dinner, Show-n-Shine, drawings, 50/50, a campground charity auction and a free pancake breakfast. A sincere thank you to all of the Pikes Peak Trikers that hosted this event and worked so many months to prepare, plan, coordinate and put this event on. Everyone did a fantastic job! A special thank you goes to everyone who attended this year's event. We appreciate everyone who took the time out of their busy schedules to travel to Colorado to attend the trike-in. It was wonderful seeing old friends and making new ones. And it was an honor to have Alex and Lynne Ross and Jack Mertes join us this year. We hope to see everyone back next year (July 4-6, 2014).

News: Nice riding weather here in Fl., only thing we're concerned with is wet weather, aren't you glad you're good weather dodgers? Everything seems to be on track as the State Trike-In is concerned. The different committees assure me that they are ready to have the best Trike-In ever. Stay tuned for the next issue & we'll fill you in. Have been trying to get the different chapters to set up BTW info booths/tables at their local venues, ie. swap meets, bike runs etc. to mimic our state info. center at Webster. Being a regular presence, giving out handlebar hangers, flyers for local events, membership forms, old magazines. Set-up a canopy for shade bring a few chairs & a card table and you should be all set. Look for us during Daytona Biketoberfest at the Daytona Fleamarket Trike show Oct.

17th, we'll be there from 10am-4pm. Ride tall & straight, J.B.

News: Hi from Lake County Trikers! Our rainy season is almost over with. No more blue skies in the morning or a rainy ride home. Our American Veterans Run was a success. We raised \$715 for VORRH (the Veterans Organization of Resource and Recovery for the Homeless). Our run started with rainy skies. The sun came out for the rest of the run. There were about 35 trikes and bikes riding for a good cause. A good run with lots of fun. Our band, called Mixed Bags, made our stay at Corner

Pub very relaxing after our run. I would like to say a big thank you to Road Dogs MC and the Fallen Few for all their support. We will send you pictures and article from American Biker Magazine, who covered our run, in the next report. Come ride with us on the next event. We have two runs a month, one just to ride and on Sunday for lunch. Keep the wheels down and ride safe. *If you would like to help our homeless vets, make check to: VORRH, 15430 Apache Pass, Eustis, FL 32726.

Also attended the first Camping in the Clouds Rally in Florence Wi. What a beautiful place and a good turnout for their first time, good job Will and Linda. NEWS: Another great summer riding season under the belt. A couple chapter members started the season with the Route 66 tour and then toured the west where it was warm and dry. Unlike Chicago land which was wet and cold. Trike-ins were plentiful this year. A thank-you to all those who attended the Illinois State Rally in June. A fantastic ride was provided by Toni. Who know Illinois has such gorgeous terrain? The Field of Dream's Trike-in was a blast, meeting new attendees and a great ride to the American Pickers home base Antique Archaeology. Indiana's Too Much Fun bunch hosted a good-time-had-by-

all trike-in. Also, made it down to Hartford City, Indiana for the Central & east central Indiana Trike-in. A ride and breakfast to the Fly-in Cruise-in show made for a great outing. Regards, David Mendalski

are looking forward to the next rally at Eureka Springs, Arkansas in 2014!! SEK Chapter did themselves proud with another great time in Coffeyville at their 4 Corners Trike-In. The weather was perfect and it was a pleasure to host our Region II Director Fred "Cowboy" Rouse and his wife Brenda who were out and about getting to know our KS members. We also signed up 3 new members and renewed two others so that was a plus for KS as well!! The turnout this year was one of the largest ever and Ray and his chapter members were organized and made us all feel really welcome. Thanks for all your hard work! As I write this we are preparing to attend the ECKS Chapter Picnic in Wellsville this year. It is always a great event and we are looking forward to getting up to the NE part of the state. John and Julia and chapter always roll out the red carpet for all who attend! The calendar is packed for the rest of the summer as well so I would encourage the KS members and all the rest to get out to some of these events if you haven't as you will come away with a smile!!!

By the time you read this our annual BBQ/Picnic will be over. I am sure we are going to have a great turnout for our annual event and everyone will have a great time! We have a great ride and good food planned and since

Our next happening will be our monthly ride on July 20. We are going to Osawatomie, Ks to eat BBQ. Come join us! We are planning a ride for every 3rd Saturday. So contact John for info. Interim Director: Tom Wing

Kansas City, 913-236-7790, gtrdntrike@yahoo.com

Meetings: 3rd Saturday of the month. Call to check on time and locations.

News: It's GOOD to be back on the road again after such a long winter. On June 3, five trikes from our chapter headed for the Central States National Trike Rally in Branson, Mo. We had a great time despite some on and off rain showers. On June 28, there were only 2 trikes this time going to the Four Corners Trike-in at Coffeyville Ks and as usual we had another great time thanks to the Southeast Kansas group. On July 13 several of us plan on attending the East Central Kansas group for their BBQ picnic. It has been good to meet with old friends and meet new friends again this year. In closing I would like to welcome Fred Rouse as the new Area 2 director.

Kansas - Open Prairie Trikers

Director: Jerry Dunn 316-721-4165

Activity Director: Linda Dunn 316-554-4339

Meetings: 2nd Saturday or Sunday of the month. Our meeting times and places are moving around so check our website for up-to-date activities at opt-btw.org or contact directors for more information.

News: Linda Dunn, Secretary/Activities Coordinator, reports that 7 of our members went to Branson, in June, for the Regional Trike-In. They reported that they all had a good time and were glad they went. Several members attended the SEK 4-Corners Trike-In, in Coffeyville, KS, the end of June. They definitely know how to put on a good event and we all had a great time visiting with BTW members from other chapters, going on the fun run, and playing trike games. Eleven trikes and 15 members represented our chapter in the Park City, KS annual 4th of July Parade. Two of our members Kenny and Carol Flower were honored as the Grand Marshals of the parade. Following the parade, several of us triked to Newton, KS for breakfast, a good visit and a ride to Harvey County East Lake. The Lake was really low as Ks continues to feel the effects of last year's drought. We are looking forward to going to Wellsville, KS this coming Saturday for the ECKs annual picnic. It is always a good time and another opportunity to visit with BTW members we don't see very often. We are planning a "shop day" in a couple of weeks to work on a trailer donated to the group to be used for state events. It should be a good day for the guys to work together and the ladies will provide lunch. We will get the word out when plans are finalized. We have a road trip on the calendar to go to Lucas, KS on the 27th but details have not been finalized. August 9, 10, and 11, is our chapter's 4th annual Trike-About. One of the highlights will be a visit to the Underground Salt Museum. We have a full schedule of fun planned to introduce you to our area and we are hoping for a good turnout. As always, if you are in the area you are more than welcome to come to one of our meetings, or events.

no1chickenman@hotmail.

Meetings: 3rd Sunday of the month at 2:30 pm. Call for more information.

News: Saturday May 18th, 2013 we all headed to Twin-Bridges Trike-In, Twin Bridges OK. This event is put on by the North East Oklahoma trikers and the Tri-Rollers of MO. Temps were just right for riding. We gathered at Pump-N-Pete's in Chetopa KS and headed south. 3 trikes from our chapter and Barb. & Paul H. (from south Coffeyville) joined us in Chetopa and we all road down together. Carl and Nita H. joined us at Twin Bridges. A few even came by 4 wheels. 10 members in all. A couple of members went fishing while there. Others enjoyed the Event Run, followed by Lunch, and then the trike show. Dan R. won People's Choice (with his new Ride), Ray & Rhonda S. won 1st place with Open Cab and Carl & Nita H. won 1st in Closed Cab. Door prizes were next and we always have fun with that... Headed Back to KS that evening. Good Times and Good Fun. It was nice to get to meet up with some old friends and make some new ones.

We had our 11th Annual Trike - In June 28th thru the 30th. Friday started out with a cook out with a good turn-out. The Hospital Auxiliary was putting on their annual Ice Cream Social. The OK Car Club and the Dalton Gang Car club were also there Friday evening. There were 37 trikes and 3 bikes that participated in the Light Show Parade to Braum's for more Ice Cream. Saturday was a full day with the Trike show. 29 trikes and 5 bikes entered. Trophies were awarded in each category then a short break for lunch. The event run got underway around 1:30 pm with 44 trikes and 3 bikes, the temps were just right for a 45 mile ride. Followed by the trike games, several participated and we all enjoyed them. Door prizes began at 6 pm. Later on in the evening we auctioned off two angel food cakes. That were quite tasty I might add as the winners of the auction generously too them with us on our evening cruise.

They went great with our Ice Cream at Sonic. From Sonic a few ventured over to Dearing for the fireworks display paid for by the volunteer firefighters of the area. Sunday morning we were greeted by services and then a ride to Sirloin Stockade for breakfast. Then we had to say good-bye, until we meet again. I would like to thank everyone for coming and making this a successful event. Would also like to thank everyone in our chapter for all their hard work. See you on the Road and Ride Safe.

MISSOURI - Ozark Road Hogs

Director: Dale Carey Alton, 417-270-7019, rocknoak19@hotmail.com

Meetings: 1st Saturday of the month. Meet to eat at 9:30am, meeting starts at 10:30am. West Plains at Ryans Restaurant.

News: It's been a good summer for the Road Hogs for rides. We usually have from 6 to 12 trikes show up for our rides & our road captain Dave Walker always has a ride planned after our monthly meeting & sometimes we just do a ride instead of having a meeting. We had 9 Road Hog trikes meet at West Plains Saturday Aug. 31st & road to Mtn Grove for the Ozark Mountain Trikers & Route 66 Rally. We did the trike show & I lead their ride for lunch & of course an ice cream stop. The heat was almost unbearable & still had 23 trikes on the ride. Some of us did a four day ride in the middle of August, down Arkansas hwy 7 to Mt Nebo, Petit Jean Mt, Mt Magazine & did the return trip up hwy 23, also known as the Pig Trail. It was some of the most beautiful country you could ever ask for. It's been a fun summer this far & now looking forward to the fall rides. If ya'll are in the West Plains area, give me a call or show up at a meeting. Until the next time ya'll "KEEP THOSE THREE WHEELS A ROLLIN".

COME JOIN THE FUN

By the time this is published HAT will have new co-Directors, Deb and Michael Johnoff, from Columbia, Missouri. They have planned some rides in their area of the state, that we have been introduced to, and thoroughly enjoyed each trip. The official election of officers will be at our September meeting. The Chapter wishes Jacy and Mike well, in the FIVE years they have lead the group, and they will still be around to join in the meetings and rides. You will not be rid of them just yet! Our Christmas Party is planned for December 8th, and we are getting our ideas together for the gifts we will bring. \$15.00 range, ladies, bring ladies gift, and the men bring a man's gift. Bo will be in charge of the exchange, and from past experience, he will keep it lively! Our focus this Holiday season will be monetary donations to the Shepherds Food Pantry in Harrisonville, Missouri. The need is still there for the families that they provide food for, and we are always willing to help. We have had our share of health issues and storm issues, and family issues, but we know that we are a family, and we can call on any of our chapter members if there is a need. Please always let someone know, when you have a concern. Have a safe Holiday season, and happy riding when you can get out and enjoy the free on three feeling!

NEW MEXICO- State

Interim Director: Rock Glaser
Veguita, NM. 505-861-1967,
rockarue@yahoo.com

Meeting: TBD

News: Hello to everyone in New Mexico, the land of "Red or Green". Sorry about the misinformation in the last issue. I live in Veguita not Santa Fe. For those of you not familiar with Veguita, it is just south of Belen, we like to call it SOB. I've been busy since taking the position of Interim State Director. I'd like to thank Phil and Linda Wright for their support, it's already helped a lot. My wife and I have been contacting current as well as past members. We have sent out emails and we got a few back due to incorrect addresses. Please send us your correct email addresses. I'd like to hear from the BTW members here to get some input and ideas on how we can get some activities going in New Mexico. It would be great if we could get some chapters set up, we are already seeing a lot of interest. The American Legion, Post 81, in Belen and the Valencia County Sheriff's Dept. are having their second annual Toys for Tots motorcycle run on Nov 30th. It's not a BTW event but we want to give them our support. The event will start at the Home Depot in Los Lunas. I'll have more information soon and get it out to the members. As you can see I really need those correct email addresses so we can keep everyone informed and up to date. I'll be attending the CRS Turkey Fest in Tombstone, AZ, Nov 1st - 3rd. It's hosted by three of the BTW Arizona chapters and I'm looking forward to attending. A shout out to the BTW High Desert Chapter in the Antelope Valley in So California. I was introduced to the BTW by Ed Mathis, thanks Ed. That's all the news for now. Keep the rubber on the road on three and ride safe. Remember, "Everybody is somebody in New Mexico".

NORTH CAROLINA Blueridge Trikers

New Director: Howard Dawson

Meetings: TBA

News: As some of you may know, The Blueridge Trikers held a benefit on June 8th for one of our members, Ralph Walker, who after an illness was diagnosed with stage 4 cancer. In March after several radiation treatments and many trips to Baptist Hospital, the doctors informed the family that the cancer was to far advanced and that there was nothing else that they could do. He was taken to the local hospice home on June 10th 2013 and on June 13th, He lost his fight with cancer and went home to be with the Lord. His help and presence with our organization will be greatly missed. Ralph and Debbie were a big part in our secret Santa project and took great pride and joy in giving to needy children. Ralph was also the treasurer and that place is now void and will be hard to fill. We ask for your continued support and prayers as we try to move on without a loyal member. -Howard Dawson

NORTH DAKOTA- North Dakota Trikers

Director: Harley Jose Dickinson, 701-483-3598, hdj@ndsupernet.com

Meetings: Contact director for information.

News: As the fall colors begin to show, the North Dakota Trikers have had a great summer. Our first event in June was cancelled due to the weather conditions; however, our second event the North Dakota State Rally was a great success. In July we gathered near Napoleon at the Beaver Lake State Park for, what has been termed, the "Off the Beaten Path Ride". Rally Hosts Dale and Bonnie Erickson organized a great tour of local attractions such as: The Prairie Hills Grotto, North Dakota's

own music legend - Lawrence Welk's homestead, and Emmons County Museum. Some of these attractions required traveling a short distance on county gravel roads which prompted the ride's nickname mentioned above. Our Fall rally event held September 6-8 in Medora was our final event for the year. Friday's temperatures were well above our average. We had a high of 95 degrees and very humid; not common for a fall rally in North Dakota.

Getting the electricity plugged in on the RV and turning on the air conditioner, was the first priority for everyone as they arrived mid-afternoon. As much as camping and campfires go hand in hand; it was still too warm of an evening to have a campfire. Saturday's temperatures were just right in the mid-80's as the Triker's toured the Theodore Roosevelt National Park. After exiting the park, we enjoyed a little lunch time in the

town of Medora. By mid-afternoon many of us returned to our campsites just in time to escape from the rain showers. Many of spent the remainder of the afternoon inside the RV watching a movie or checking our eyelids for cracks. As the rain showers continued in the evening, "Plan B" was implemented for the evening meal. !

We utilized the indoor RV cook stove and countertop space to set up the taco bar. Just invite all the attendees (18 in all) to come inside for supper. Space within the 40 foot motorhome was a little cramped, but it did give you an opportunity to really get to know one another. The rally concluded after breakfast on Sunday morning with clear skies. Once again it was time to share a hug and say our goodbyes. Thanks to our rally hosts, Deb Jose and Vonnie Haakenson, for planning a great weekend for the Trikers.

Meetings: TBA

News: In August we did our 5th Papa Tussings Memorial Ride from Toledo to Sandusky, Ohio. At the Biker Memorial Wall, we met up with some members from North Central Norwalk, Ohio. At the Biker's Memorial Wall we read off the names of each member that has passed on and rang the bell after each name of all BTW members. R.I.P. to ALL brothers and sisters that have passed. You are and ALWAYS will be missed and loved. We stopped by Lion's Park to have lunch in Sandusky, Ohio after we went to the Memorail Run. We had our August meeting at Dennis and Sharon Dillon's home where they hosted a pig roast. GOOD food, GOOD times. Our THANKS goes out to them. Also a GOOD time, food, and music at Ron Turner's farm party. A big THANK YOU for hosting. There was a car show in Swanton, Ohio for the Make A Wish Foundation, 3 of us were there. I didn't know it was for Make A Wish. I hope next year we'll have A LOT more members there. Our meeting for September was on the 7th. It was at the V.F.W. on Byrne Rd. in Toledo. After that was a car show and some went to Elmore, Ohio for the Grub & Suds. Elmore is also known for the Headless Motorcycles.....BOO!! and go back to Oregon. We're ALL looking forward to Rossford, Ohio's Halloween parade, and some Thanksgiving parades. From all of us of the NORTHWEST OHIO CHAPTER, our prayers go out to the family of Slim, may he rest in peace. Unfortunately, a lot of our trikers have been down, or it's been too hot, or gas prices too high and we couldn't afford to do much this last season. So we didn't do much riding this year. Some did more than others. We're hoping to take a trip to Hell once again (Hell, Michigan, that is) in September before

it gets too cold again. Happy Halloween & Thanksgiving to all brothers and sisters. Have a safe holiday season and safe winter. Maybe we'll get lucky and be able to dress up our trikes for at least one Halloween car show. Keep smiling, keep triking. :)

News: From your new director: With the upcoming Toy Runs in the state, I just want to remind everyone to be safe, remember the toy

you give may be the only thing a child might receive this Christmas season. If there is a state chapter holding a Toy Run this year let me know. I would love to try and join you. I'm sure there are others that would love to help as well. As it turns to fall and the seasons come to a close it is time to start thinking about the Trike-In for next year. It's also time, hopefully, to get more building time in the shop. I have 2 project trikes in the shop now. I just haven't had the time to work on them for all the rides lately. Until next issue take time out of your busy schedule to give someone you love a hug. Life is short, take every advantage you have. The ride took us 950 miles round trip of some of the hottest riding we have encountered. We went to Emporia, we

Meeting: TBA

News: Porky the Pig & Suzy-Q would like to take this time to say thank you to all that attended the Fall Trike- In at Knight's Hideaway in Fort Erie this year. It was the most successful Trike- In we've had in a long while. A BIG thank you is to be given to everyone that helped out over the weekend. We had 6 members from New York State spend the weekend with us. Members from all over Ontario came out for some much needed fun. Thank you for their support. Porky lead all on

great ride on the Saturday with a great all you can eat breakfast at the Boarderview Truck Stop in Fort Erie. Cards were drawn and the Porker Run began. A BBQ supper was had after the run. We had 2 - 50/50 draws and two bottle draws over the weekend. One of the bottles went to Jean Duggan. Of course Porky borrowed (and will need to replace the bottle) to Jean. Thanks Jean, for keeping a smile on Porky's face. The Community Camp Fire was bright as always. A great place for a get together and have a good old chat about anything and everything. The Trike Games were held on Sunday. The auction was held on Sunday after the games. It was the best one yet. Thank you to all that put out bids and congrats to the winners of the items. It will go to a great cause. Show and Shine went over well and the winners were announced at the Auction. 3 campers were happy to do the judging. To make it fair, Trikers were

not permitted to speak to the judges. They based their decisions on original design, art work, paint jobs, and overall likeness for the Trike they picked. Congratulations to the winners. Porky presented a plaque to Knights Hideaway for welcoming the B.T.W. Ontario and its friends for the Fall Trike In. No light show this year but next year, please bring your best light show to the Trike In. Award will be given for the Best Lit Trike. At the meeting, Porky and Sue stayed for co-directors. It was decided that having a communications officer was not needed as we are very low on members. Wayne and Tammy will be hosting the Christmas party on November 9, 2013. News: For the past three years that we have been hosting the Pennsylvania Trike-In, I have to say that Borderline Trikers of Pennsylvania have out done themselves once again. With the help, support and dedication of the en-

tire Chapter, this years Trike-In was the most successful and enjoyable one ever. Everyone had a great time reconnecting with old friends and welcoming all the new- comers. Mark & Clare, and the entire staff from Shangri-La by the Lake, did a fantastic job with the breakfasts and Saturdays dinner. If you left your table still hungry or over stuffed, either way, it was your own fault. Pete & Deb Spaulding put together a Scavenger Hunt for the kids from the campground Friday evening that was a huge success. They all had a great time. Our Chinese Auction was the largest one ever, with items covering every age group. As most of you know, for the past two years, we have collected stuffed animals for a very special cause. This year was, by far, the best year yet. Here is what Ellen Zarewczynski had asked me to pass along: "To the Brothers of the Third Wheel: For the past several years, Shangri-La Campground has entered a float in the Jamestown Community Day Parade and our Santa Claus hands out stuffed animals and dolls along the parade route. This past weekend we had the Brothers of the Third Wheel staying at Shangri-La and had a blast! I would like to thank the B.T.W. for their kindness and generosity in donating almost 500 stuffed animals to be distributed along the parade route *at this year's Jamestown Parade. These animals are*

not only given to the children, but to our local Veterans from the VFW and the sick and elderly from St. Paul's Home. You will never know what your gesture of kindness means to them. Whether a baby doll or a stuffed animal, it brings a light to some eyes that have been dark for a long time. Again, thank you B.T.W. YOU ROCK!" -Ellen Zarewczynski Shangri-La by the Lake Campground." This year we added a few new ideas to the agenda for our Trike-In. One of them was a Silent Auction with all of the proceeds going to ATLAS. Atlas is the highest-earning fundraising organization for the Penn State IFC/Panhellenic Dance Marathon (THON), which raises money for the Four Diamonds Foundation. Any family with a child being treated for pediatric cancer at the Penn State Hershey Children's Hospital is automatically eligible to benefit from the Four Diamonds Fund. This fund supports the medical staff that cares for the children, funds pediatric cancer research, and covers all expenses that insurance does not cover. You can check them out at www.atlasftk.org. From this Silent Auction, we were able to raise \$335.00, along with a very generous donation from Keith & Sheri Smith, seasonal campers at Shangri-La by the Lake. Also added this year was a band for Saturday evening's entertainment. Steve Vuich and The River Saints had the entire campground rocking all night Saturday. They even encouraged participation from the audience to sing and play along with them. We are looking forward to an even bigger and better time next year at our 14th Annual Pennsylvania Trike-In. If you have never been to our Trike-In or you couldn't make it this year, you definitely don't want to miss all the fun next year. Just ask anyone that was here this year !!!! Mark your calendars now for August 15th, 16th & 17th, 2014. As always, if anyone has any questions, comments and/or suggestions for next year, please feel free to contact us.

Anyways, I hope everyone has been able to get out and enjoy some riding lately since we've had some drier and cooler weather over the last couple of weeks. A quick reminder to ALL BTW Members in South Carolina, please check your membership and make sure that you get your renewal in. We have several members whose membership has either already expired, or is about to expire, and I don't want to see us lose any members. With that being said, we are planning now for our Annual Fall State Ride which is planned for October 18th - 20th. The ride itself will actually take place on Saturday,

Meetings: Contact director for more information (until 9pm EST).

News: We haven't had a lot going on lately due to the weather, but some of us have been able to get out and ride when we can. Bob and Carolyn Childress from Florence attended the National East Coast Trike-In over Labor Day weekend, and he said that though the crowd was low in number, it was still a good time. By the time this goes to print, we will have participated in the Annual 9/11 Memorial Run in Florence on Saturday, September 7th. This year, they are allowing the riders and trikers to ride around the Darlington Raceway, otherwise known as "The Track Too Tough To Tame" by NASCAR, and then we'll proceed to the Florence Veterans Park. I'll try to have some pictures to put into the next issue of the Triker magazine. Have a great month and Ride Safe & Free on Three!!

News: After our strange summer weather so far, we finally got to August and got the normal hot conditions! Had us a good time,

Gentle Ben and I, at the KY West Bike Rally (Read- "Little Sturgis"), hung out with the KY West trike chapter folks who were set up in a good location! Think we'll be camping out with them come next year! The last weekend of July, a group of five trikes from our chapter rode out to meet the KY West trikers for a cookout in Draffinville, KY, and had a great time! Thanks to Gene and Bonnie for the invite! (Think we kind of startled Gene when we motored in, he was just starting to cook, and needed a recount!) At our August meeting on the 10th, we had only ten members show and only one trike. With the weather threatening, most played it close and didn't ride. Fooled us! It cleared off and was nice all afternoon! We discussed a group ride for the end of September to the Devils Triangle, near Oak Ridge, and had five to start and hope to get more by the time we get set to go! If you're interested, Contact me as soon as possible to get the scoop! On the 31st of August, we hooked up again with the KY West bunch for a ride and grill out afterwards, had us a real good time, but it was hot! There were, I think, 11 or 12 trikes, and we were all checking out the others! Thanks to the Kingston's for being such great hosts! Till next time, Ride safe! Lefty

News: For those that don't know it has been hot down here in the Republic of Texas, but we have still been active in our chapter, just not as much riding as we would have liked to have done. July was a slow month with a lot of members out of town on vacation. We still had 20 members make our July meeting. We had several things discussed at the meeting; Marsha's Run for the Kids, Our Labor day get-together and upcoming events in September and October. We rented booth space in a large motorcycle swap meet in Arlington to get the word out about the new Texas title law concerning the titling of our custom built trikes; we were able to get 165 more signatures on our petition to get the law changed. Our August meeting had 35 members make to the meeting, Thanks to everyone that made it. This month we had Marsha's Run for the Kids, we collected a pick-up load of school supplies for Della Icenhouser Intermediate School, The people at the school were very appreciative of our donations, Labor day We all got together at the Home of Tal and Pam Isom for a Labor Day party. There were over 65 people that made it to our party. We had the Caribbean Cowboys and Jim Campbell of the Double JR Band for the music. They put on a great show. Our BBQ was cooked by Bryan Hughes and the members brought side dishes, if you went away hungry you had a problem. Thanks to everyone that made this a great time. We have several things coming up in September and will keep everyone up dated.

News: In a country renowned for its liquid
sunshine we have had a remarkably warm and
dry summer. However, the weather is now

beginning to turn, and for many of us rally season will be drawing to a close for another year. The warm, dry conditions have enabled us to enjoy some good runs and excellent rallies – including our own BTW UK Trike-In. BTW UK would like to warmly thank Martin Wyld (T@2), and everyone else who helped organise and run this year's National rally. Your hard work and outstanding achievements are appreciated by us all. We would also like to thank everyone who attended the event for their support. The feedback from attendees has been wonderful and makes us all very proud.

Another rally that some members of BTW UK have been heavily involved in is the Rebel Rally. This increasingly popular rally was, yet again, a great success, raising £3,100.00 for the Lincolnshire and Nottinghamshire Air Ambulance. Well done to all you rebels for putting on another brilliant rally.

HAPPY BIRTHDAY AREA 10! Yes, it has been a whole 12 months since our area in Tyne & Wear got off the ground. To celebrate their first birthday Area 10 are holding a birthday bash on the 28th September at the Pelaw Inn in Gateshead. Doors open at 7pm; there will be live music and great company, so why not go along and enjoy the fun?. Everyone is welcome, if you can make it along, you will have a great time. In July Area 10 held their first charity rock night to raise money for the National Deaf Children's Society (Gateshead and South Tyneside branch). Entry on the night was free; however, £350 was made just from raffle ticket sales and donations. The bands donated their time for free and played a fantastic set which had everyone up dancing. Maddog would like to thank Twisted Sprockets MCC, who, whilst being unable to attend the rock night decided to hold a whip round at a rally that they were attending, and raised a further £132 giving Area 10 a grand total of £482 to donate.

Area 10's next event will be Maddog & Kayleigh's 2nd charity 'burthday do'. The event will be held on 23rd November at the Wardley Club in Gateshead. Doors open at 7.30 and

entry is free. There will be live music courtesy of 'Whitchkraft'. All money raised from the raffle and donations will be going to 'Grove House' (providers of restbite care to disabled children). Please go along and show your support. Of course, we are not just party, party, party; occasionally we tinker with trikes too! When Area 12's Doc discovered that his trike was unsafe and would need to be scrapped members of his area adopted a new trike build project. Doc's trike was then stripped for parts, Franke built the frame for the 850 Robin Reliant and Hobbit continued work on the rebuild and the wiring. Doc's trike is now virtually finished and he is delighted.

After attending the Rally on the Bridge, Punky sent the following report: "Area 1 members joined Hundreds of motorcycles and Trikes gathered on the Tamar Bridge for a rally to remember a biker who died in a crash with a tanker. Adam Smart, 20, from Saltash, came off his bike at the Carkeel roundabout on the A38 in Cornwall in June, Adam was a personal friend of Dean "Punky" Barnitt the BTW-UK Chapter Director and he was also an honorary member of BTW-UK area 12 having being adopted by them when attended his first rally in 2012. The motorcyclists organised the rally - named Biker Think Smart - to raise awareness of the potential dangers on the roads. They lined the pedestrian lane of the bridge before staging a mass ride-off. Those who attended said while the event was held in memory of Adam, they also wanted to celebrate the enjoyment that can be had from biking. Each biker was asked for a £2 donation with all funds going to the Cornwall Freewheelers - a charity made up of bikers who transport blood and other supplies out-of-hours for the NHS - of which Adam was a supporter. Adam's final act was to donate his organs to save the lives of others." Ride safe. -Georgia

VIRGINIA-Coastal Trikers

Director: Bob Mortenson Chesapeake, VA.
757-547-7634, mrobert554@aol.com

Meeting: The 2nd Wednesday of the month at 8pm at the Golden Corral on Battlefield Blvd. in Chesapeake.

News: We have had a great time since we last posted. We had a couple of planned rides which everyone enjoyed. We had 16 of our members participate in a 300 mile ride to Mt Airey N.C , for the NC Trike In. We had a lil glitch in going as we missed our turn off and got off on some very country roads (dirt n grave)l. We arrived a lil dusty but none the worst for ware. The views were great and the weather going was perfect. We participated in the ride through town of Mayberry. The town folks were out to view our rides as we passed. Tim Nine Did a great job putting the event together. Saturday evening was a wash out, literally as it came down in buckets. We decided to leave early Sunday morning as the forecast was calling for thunder showers. The fog that morning was as thick as

mom's pea soup. We decided to go slow and we finally saw day light and sunshine a hour or so later. Coming down the mountain and hills and curves was a blast and again the scenery was beautiful. We stopped for lunch which was fantastic, then back on the road. We missed one rain shower but we could tell the clouds were following us. As I pulled my trike into the garage it started to sprinkle and within an hour it poured. The Good Lord gave us a safe and dry trip home. We are planning another ride to that fantastic restaurant we found in NC. Our group enjoys riding, good food and fellowship. If you are in the area give me a call and we can get together and swap stories and ride. Take care and God Bless you and ride safe. MUSTACHEM

News: Hey there everyone!

For starters, I would like to welcome Sam & Snooky back into the chapter, and sorry to hear the news about having to work every Saturday. We have had a good season this year for riding, but our ride to Cass, WV was postponed due to heavy rain. We rode in the rain to Timberville, then it started pouring so we decided to turn back. Better luck next time, which is October 26th. We have had some bad luck with some of our trikes breaking down, but we just keep putting them back together. We are planning some good events for the rest of the season- just hoping the weather will cooperate. We have a dice run set up, ride to Black Water Falls, WV. The 259 ride through WV, hoping the weather holds out and the sun shines bright.

Thanks, Rusty

Tacoma, 253-759-8474,
churchy@inventure.com

News: What a great Trike-In we had! We gathered at Friends Landing for three full days of riding, playing, and visiting. We had several people who were new to BTW join us, and I believe we will gain a few new members as a direct result of the fun and camaraderie they discovered at the Trike-In. Our chef, Lorena Lynch, with the assistance of Christina Couch and many volunteers prepared & served five full meals plus leftovers for Sunday morning. A BIG thank you to the many volunteers who worked hard to help make the trike-in a success! You are AWESOME!!!! Closing with a church service seemed like a good idea, but who knew Lee Scholes was going to talk about serpents and throw snakes (ok gummy worms) out in the crowd.....I for one ran.....I hate snakes and wasn't taking any chances!!!!

And the latest news is that I am stepping down as Washington State Directors as of September 1st. James "Churchy" Churchward will be the Interim State Director. Churchy is very excited and I know he will do an excellent job. You may contact him at Churchy@inventure.com or 253-759-8474. An election will be held soon so all can have a voice in choosing the next State Director.

News : Let me start off on a happy note: I attended the first annual Camping in the Clouds Rally in Florence, WI in August. What a great time and breath-taking views. Great job, Will and Linda. Thanks to Cooter for the entertainment and the food and drinks in the bar were excellent. I am looking forward to next year. **We are looking for a state director.

If you are interested please contact me, Mark, or HQ. Wisconsin was once one of the biggest and best that BTW had, and now it is going through some troubling times. Now is the time to stop talking about what once was and start doing, to make it great once again. But it takes the members to do that. Meetings: TBA

News: The Wyoming Chapter has some sad news to report. One of our long time members has past away. Sonny "Flash" Wilson passed away the end of August. He had been the Wyoming State Director in the past. Flash RIP, Ride in Peace, Free on Three. We had our annual Trike In in Vail, South Dakota during Bike Week in Sturgis. We celebrated the week with the South Dakota director Bob Grape, and his wife Marybeth. We had a great time. One of the more memorable events of the week was taking some disabled young adults on a ride through Iron Mountain. They were from a camp in Keystone, South Dakota run by Dallas Dietrich called *Meeting the Needs*. Dallas, himself, is wheelchair bound. These young

adults had a great time riding on the trikes and their smiles went from ear-to-ear. We plan to do this again next year.

We also had our Wyoming Trike- In in July. We had a campout in Riverton and rode our trikes to South Pass City. We had a couple- Dale and Marti Heckendorm, from the Okie Pokies in Oklahoma and Bill Haskett, the state director from Colorado- join us for our Trike- In. We were very happy to have them join us. We have added a new trike to our group. Roberta Patterson has decided to ride on her own. A new 2013 Can Am Spyder Limited. She loves her trike. I sure miss her riding behind me. But it sure was fun chasing her thru Yellowstone National Park. Our summer is coming to an end here in Wyoming. Only short rides till winter hits. It has been a summer of fun. The Colorado and Wyoming Trike-Ins, and the rally in South Dakota... We had great times seeing old friends an making lots of new ones. God bless America. Come check out BTW. We are a bunch of wild crazy fun loving TRIKERS. Any questions PLEASE call C. Owen Johnston at 307-370-0931 or email johnstonowen@ymail.com.

Hi there!!

Well, I can count this bucket list item complete!!! I took in Sturgis this year and thought I'd share some of the fun. We travelled from Show Low AZ, through New Mexico, up through Colorado, and into South Dakota. Saw some crazy fun bikes and had a great time in Sturgis!!

Safe journeys.

Behind The Scenes

Every chapter has these people: they are the ones that make the chapter work. They work without any recognition or praise. I know the DFW chapter does. A lot of times these people get taken advantage of when it comes time for the work to be done. They are the ones that help set up events, cook and serve the food, make sure that the meeting room is clean after all of us have left, and do all the planning that goes into good events.

In the DFW chapter, we have several people that fall into that category. Some of them hold an office, but most of them just enjoy the BTW. If it was not for these people we would not have the organization that we have. They are the heart and soul of our group. When I sat down to write this, I had to think hard and long to decide who I was going to write about. I was going to make it about one person, but I can't do that. There are too many, that put their hearts and souls into making our local chapter as great as it is.

The first one that came to mind was actually two people- Sisters Julie Snowden and Becky (Flip) Medows. They have been members longer than I have. They are always there to help, setting up, cleaning, and doing anything that might need to be done. I want to thank these two for all their work and devotion to the chapter. Everyone at the chapter knows that they are BTW all the way through.

The next person I would like to recognize is Marsha (Catch-up) Srader, our chapter secretary. Marsha is always ready to help get things going and has been instrumental in starting a chapter run, where we collect school supplies and donate them to a local school. We named the run after her when the chapter started getting involved in it. She had the idea 7 years ago to buy some school supplies and donate them to a local shelter for battered women. They have a private school where the children go when their mother has to go into hiding because of domestic abuse. When she approached the chapter the next year for help with collecting supplies our director (Crittter) decided to make it a chapter function and name it after Marsha. It was voted into being by a unanimous vote. Now we donate the supplies to a title- one school that has a lot of needy kids enrolled in it. This is just one of the things that she does to keep our chapter running. Again I want to thank these three for all their hard work and time they have put into keeping the DFW chapter running. There are others that deserve to be on here too. And they have our thanks and love for their part in keeping us going.

Director DFW Chapter

South Dakota and Wyoming BTW members with a group called Meeting the Need in Keystone, SD. We met the group on Monday August 5th to give rides to those who wanted one. A wish of riding a trike was granted to two young gentleman who had never done so before. We took them through Needles Highway in the beautiful Black Hills. The look of joy on their faces was priceless. The BTW members had as much fun, if not more, than those getting the rides. For more information on this group you can go to meetingtheneed.com.

THIS IS THE NEW FLYER TO HANDOUT AT EVENTS OR JUST TO HAVE TO GIVE TO RIDERS YOU MEET

If your State or Chapter is planning to participate in an event, please contact your Regional Director and arrange to have these flyers and magazines sent to you to distribute.

“To the Brothers of the Third Wheel: For the past several years, Shangri-La Campground has entered a float in the Jamestown Community Day Parade and our Santa Claus hands out stuffed animals and dolls along the parade route. This past weekend we had the Brothers of the Third Wheel staying at Shangri-La and had a blast! I would like to thank the B.T.W. for their kindness and generosity in donating almost 500 stuffed animals to be distributed along the parade route at this year’s Jamestown Parade. These animals are not only given to the children, but to our local Veterans from the VFW and the sick and elderly from St. Paul’s Home. You will never know what your gesture of kindness means to them. Whether a baby doll or a stuffed animal, it brings a light to some eyes that have been dark for a long time. Again, thank you B.T.W. YOU ROCK!

Ellen Zarewczynski,
Shangri-La by the Lake Campground.”

In Memory of Trikers Lost

Ralph Walker

After an illness, he was diagnosed with stage 4 cancer. In March, after several radiation treatments and many trips to Baptist Hospital, the doctors informed the family that the cancer was too far advanced and that there was nothing else that they could do. He was taken to the local hospice home on June 10th 2013 and on June 13th, he lost his fight with cancer and went home to be with the Lord. His help and presents with our organization will be greatly missed.

John Sherwood

passed away July 10, 2013 surrounded by family & friends. John was an active BTW member for many years and really enjoyed riding his Goldwing Trike. The loss of John was lightened by the realization that at long last he was joining his beloved wife "Squirt". Rest in peace John!

Bruce Hall

passed away August 24, 2013 after a long illness. Our hearts go out to his wife Biny and the rest of his family. Bruce & Biny had only been a part of our BTW family for a short time, but we were very glad to have him. Rest in peace Bruce!

James "Slim" Dennis

passed away on 9/2/13. He was a Cleveland BTW chapter member, he will be missed by all. Our deepest sympathies and prayers go out to his family and friends.

Sonny "Flash" Wilson

One of our long time members has past away at the end of August. He had been the Wyoming State Director in the past. Flash RIP,
