## To All Members

Well we planned to head to Washington as soon as the last issue of the magazine went to the publisher, but as you all know Murphy is always lurking and he jumped in and that was the end of that trip. Sorry to all the Washington Members, we really were looking forward to being there, and thank you for the pie, it was great. We seem to be getting to a point where the Web Site is becoming easier to navigate and there are still items that are scheduled to be improved, so maybe we are going in the right direction. I would like to announce that starting in November of this year, all new & renewal membership cards will be a real (credit Card Type) PVC card.

This will mean that we can now negotiate for true discounts with chains that require us to present a bonified membership card at time of purchase or making a reservation. This upgrade has been in the works for some time now and the plan was to be able to make this improvement with as little increase as possible to produce the real membership card. This has been accomplished and we are awaiting the equipment and supplies right now. Lynne & I are planning to leave this coming Thursday for the Bikefest in Las Vegas where we will be setting up a location to distribute magazines and flyers to promote BTW with new riders at the event. The members of the Nevada Chapters plan on helping with this effort and I thank them very much. Our Region 9 Director Jack Mertes and his wife Jackie will be attending also to help with this venture. We have found that many of the new Trikers are looking for a group to ride with and this type of exposure will help them to become aware of BTW.

Our Office Assistant Becky is leaving us to advance her career with a full time position that will help her to provide for her 5 children. We thank her for a great job done during our transition to all of our new systems and programs and wish her well. We are currently looking for a replacement and hope to have someone very soon. Lynne will cover the extra load until that time. As usual she is always there when needed and I am very grateful for that.

We just attended the AZ High Country BLOWOUT and it was fantastic. Thanks to all that made it so great

and to all the members that attended it was great to be able to spend some time with you and to ride with you especially, We are planning on a few more events this fall. I am starting the layout for the 2015 Calendar, so don't forget that it makes a great Christmas gift and please get your 2015 event dates in to headquarters so we can get them in the calendar. Keep the articles coming, the reaction to the ones submitted in the last issue was overwhelming. For most of us reading about other members trips and events, makes us feel a part of your activities and makes us want to attend the next one. We are starting our third year in this challenge and it feels good to see things starting to become routine. I am very impatient about wanting to make things better, but when I read some of your posts letting us know you can also see the changes and improvements, it makes it all worth while. Please don't stop putting your two cents worth in, as that keeps us on our toes and helps us to not miss some of the improvements needed in our organization. I hope to meet more of the members in the future and to ride with as many of you as possible. Ride safe.

cooked a yummy omelet breakfast. We were chef for a day at the Ronald McDonald house. **Meetings:** Meetings second Sunday of each month, Location varies, contact director for info.

**News:** By the time this reaches everyone, our High Country Blowout in Payson AZ is over. The advance reservations were ahead of last year and I am sure everyone enjoyed the riding, scenery, meal and entertainment. All of us at High Country Area want to thank everyone who attended and hope to see you next year. My personal thanks go out to all our great people in High Country Area who put in the time and effort to make the run a success. The Rim to Rim ride was spectacular! It is ten miles from the South Rim of the Grand Canyon to the North Rim. It is 205 miles on a Trike. If you have never seen the North Rim, put it on your bucket list. Less than 10% of the visitors to the Grand Canyon visit the North Rim. We will do it again next year and invite anyone who wishes to join us for the ride of a lifetime. Ride often and ride safe, Rackem

And when it gets really hot here in northern Arizona, we take off for the Hualapai Resort and enjoy the cool mountain air. **News:** It's been a busy time for the Freedom Riders. Before we get into what's been happening with our chapter we'd like to say our thoughts and prayers have been with Jim Anderson, our State Director for Arkansas, and his family with the passing of Miss. Glenda. We had a great ride to Fairfield Bay, Greens Ferry, Greenbrier, Heber Springs, The Dam, Drasco, Blanchard Springs, Yellville and back to Harrison for a ride on Aug 2nd. Many made it to Mountain, Music and Motorcycles on Aug 16th and those who made it said it's grown even more this year. We had 15 make the trip to the Hot Springs Rally Sep 4th thru 7th. We were able to have a table set up at the entrance to the convention for BTW and the Wounded Warriors Project. Thanks goes out to Greg for getting us a table set up, Miss. Lea for the work she did putting together the items she received from WWP for the table set-up, Mr. Stan for putting together the banner hang up. What a great banner that Miss. Lea and Stan got for us. We also need to say thank you to the members and those not members yet, but soon for putting in time at our set up to help make it come together. What an awesome team! We raised over \$1370 with 60% of money raised going to WWP being \$553.00 after the cost of the Savage 3-08 riffle we gave away on Sat of the convention. The winner was "Reaper" from Little Rock. Roz made the announcement on stage before the Trace Adkins concert, Trace is a big supporter of the Wounded Warriors Project, with recognition to Brothers of the Third Wheel twice. We have Bikes Blues and BBQ that will have been here and gone by the time this is printed, so we'll have an update next go around. **News:** Margaret reports: Since last Triker magazine the "Dog Days of Summer" landed hard on the valley !! In case you haven't heard: we are burning up from fires, drying up from lack of water, shriveling up from the heat waves day after day ! This leads to very grumpy Trikers due to lack of road time ! We have had to cancel several rides due to heat and bad smoky air! A large group of our members did get to ride to Cedar Grove last month for the day. All brought picnic lunches and just soaked in the beautiful trees and air! Then came the fires later in month! A few of our members are planning to join riders from all over California, for "Rumble to the Peak" ride on August 16, 2014. This is a charity run for Children Hosp. of Central California" and riders from all over California will join together to raise money for the hospital. This ride has drawn hundreds of motorcycles and trikes in the past to support this worthy cause!! Pre-Party will be held Friday night at Harley Davidson Fresno on Shaw! The group leaves at 9:30 Sat from Selma Auto Mall and rides to China Peak for lunch, live music and a great day in the mountains! Soon November will be here and the Veterans Day Parade will be here!! This is the largest Veterans Day parade in Western states and is televised on Armed Forces Network overseas! We will have many trikes in the parade, riding along side of our veteran BTW members. It is our honor and privilege to ride with all the veterans that served to keep our country safe and free!! Our Road captains have already scouted out awesome rides for the Oct. **News:** Santa Jum reports: **07/04/2014: "Memorial Ride to Iowa Hill for Bob Bennett"**. In consideration of this Memorial Ride, Donna Bennett offered the following: "He told me before he died that he didn't want a funeral. I agreed with him, but I told him that River City Trikers were going to have a memorial ride for him on 4th of July in memory of him and he said 'Good, it sounds like a lot of fun, I wish I could be there.' I told him that he would be with us in our minds and our hearts. He was happy to know that. Iowa Hill was his favorite place, so we rode there in his honor and it was a "celebration of his life." There were eight trikes and ten trikers. Those in attendance were: Reggie Joaquin, Miss Pete & Dave Lindgren, Jim & Debbie Davis, Steve Levitt, Tom Hale, Becky Landin, Marie Charlton, Ron Van Sant and Donna Bennett. We also had some special guests with us, known as the "Flat Pack", joining us in spirit. This group included Jim and Patty Dennis, Nancy Alvord, Jill Chagnon, Bob & Arlea

Johnson and Lyle Stanley. We had a really nice spaghetti lunch provided by Priscilla, the owner of the store/bar/restaurant. Donna Bennett played hers and Bob's song "BORN TO BE WILD" and passed out some patches that read "In Memory, Triker Bob, 1942 - 2013". We were going to retire (burn) his vest; but were unable to because of the drought and wind conditions. As a part of the memorial service, we had a "last rev" in honor of "Triker Bob". Reggie "reved" his engine six times, with the others following individually. Upon completion of the "revs", each rider rode off as quietly as possible. It was a good ride back home. **07/20/2014: "Feather River Canyon Ride"** Reggie Joaquin led a group on a ride up through the Feather River Canyon. The group included Conrad Lawrence, Miss Pete & Dave Lingren, Jim & Debbie Davis and "CA" Treadwell. It was a 400 mile day trip. Although the riders returned home totally exhausted, they were inspired by the beauty. **BTW – RCT Activities: August, 2014 08/03/2014:** Conrad Lawrence and his friend Lori rode with Reggie Joaquin, Becky Landin & Jim Davis up to the Timberline Café and Bar in Stonyford, CA. Then into the Mendocino National Forest, which is home to an impressive off road trail. On our return, we went back up to Willows; then headed back to Sacramento. **08/09/2014: Sacramento River Ride.** We had another great night ride along the Sacramento River to the Elkhorn Station

Restaurant. Good food, good company and very good service. The restaurant is located near the railroad tracks; where we saw the "Zombie Train". It passed by going from Sacramento to Woodland. Passengers had laser guns to "shoot" the Zombies that were attacking the train. I bet they were having a great time under the incredible Super Moon. We sure had fun watching them. **08/24/2014: Ron's Ride to Electra Beach on Mokelumne River.** We had a wonderful ride to the Mokelumne River (Electra Beach) for lunch and fun. We were scheduled to leave our gathering spot at 9am. However, due to circumstances, we did not leave until 10:45. The group making the ride included Ron, Marie & her friend, Bubbles, Carrie & her friend, Birend, Chuck & LuLu, Conrad, Jim & Debbie, Becky, Miss Pete (Dave, her husband, couldn't make it). There were several other people that could not attend. They were in our thoughts and in keeping with our new custom, they joined us in "Flat Formant". The "Flat" attendees were: Donna, Jim, Patty, Nancy, Jill, Bob, Arlea, and Lyle. We had to stop a few times for minor repairs to Carrie's new trike, it was her shake down trip, aka "Maiden Voyage". We were all glad to be able to share that experience with her. We also lost a couple of trikes on the way to the river due to "direction issues"; but we were all reunited and able to complete the trip. Lunch was a "pot luck" with chicken, salads, crackers, chips, cheese, lunch meat, and pineapple upside down Bundt cake. Reggie brought his kayak and fun was had by all. Ron extends his "thanks" to Reggie for being a great road captain and to Becky who coordinated the ride. **RCT Announcement:** As of 09/01/2014, Rebecca Landin is stepping down as a Co-Director of RCT. This does not mean that she won't be riding as much as ever. Reggie Joaquin has agreed to continue as the Director and Donna Bennett has agreed to assist him with the administrative duties. "Remember: keep your knees in the breeze & ride free on three"

a ride, especially since he dragged his trike over the mountains. Several members reported having much fun at the Seligman run and we had a few make the trek for the Midwest regional. They said it was a fabulous run too. The ladies of our chapter have decided to hold a ladies lunch every third Wednesday at 11:30... the location varies. We'd done this sporadically and decided to make it a regular thing.

## **COLORADO - State**

**Director:** Bill Haskett, Colorado Springs, 719598-5531 [khaskett@ent.com](mailto:khaskett@ent.com)

**News:** The **2014 Colorado Trike-In** was held Friday, July 4, 2014 through Sunday, July 6, 2014 at Mountindale Campground, Colorado Springs. We had another great turnout this year with people from Colorado, Arizona, Iowa, Pennsylvania and Kansas. There were event patches, trike-in t-shirts, a live band, a scenic ride to Bishop's Castle, a Poker Run, taco/burrito bar dinner, Show-n-Shine for trikes and motorcycles, drawings, 50/50, and a free pancake breakfast. The trike-In charity raffle this year was for a wonderful organization called Freedom Service Dogs of America in Englewood, CO. This organization takes shelter dogs and trains them to be service dogs for veterans. We had some great raffle prizes and raised \$380.00 for that charity. A sincere thank you to all of the Pikes Peak Trikers that hosted the trike-in and worked endless hours to prepare, plan, coordinate and put this event on. Everyone did a fantastic job! A special thank you also goes to everyone who attended this year's event. We appreciate everyone who took the time out of their busy schedules to travel to Colorado to attend our trike-in. It was wonderful seeing old friends and making new ones. And it was a pleasure to have Alex and Lynne Ross and Jack and Jackie Mertes join us this year. We hope to see everyone back next year - July 3-5, 2015 – and spread the word to your friends to join you in Colorado! During the Colorado Trike-In, Scott and Suzy Rinn rode their trike from Pueblo to check out the trike-in (they had never been to one before, but had heard about it) and Scott actually got on his iPhone right there at the campground and joined BTW; and later that evening, he won a first place trophy for the best trike. Congratulations and welcome Scott and Suzy Rinn to the BTW "family".

**News:** We want to welcome our newest member to our chapter, Deb Cartwright. Deb has a Can Am trike and we are excited to welcome her to our "triker family". We had our annual picnic at Fountain Creek Regional Park on Sunday, June 22. We grilled burgers and hot dogs and everyone brought a pot luck dish. It was a good get-together. Several people from our group met at Rudy's BBQ on Saturday, August 16<sup>th</sup> and rode up together to the 22nd Annual Salute to American Veteran's Rally in Cripple Creek. It was estimated by the promoter of this event that there were close to 3,500 bikes/trikes that participated in the POW/MIA Recognition Ride from Woodland Park to Cripple Creek. There were hundreds of more people that attended the rally in addition to the 3,500 from the Recognition Ride, so this is a very well attended annual event! Several of our members attended the 3rd

Annual Rolling for Freedom event in Walsenburg, CO on August 30th. There was a parade down main-street in Walsenburg and then a ride to the Colorado State Veterans Nursing Home where they met with many of the veteran residents. They were very appreciative of everyone's support and participation. All of the proceeds benefited the residents. There were prizes and awards. It was a humbling and rewarding experience. After the nursing home visit, there was a poker run that went from Walsenburg, through La Veta and up to Cuchara. The ride was through some very beautiful country. We still have monthly breakfast get-togethers on the third Saturday of every month at the Black Bear Diner at 9 am (Galley and Academy Blvd).

**News:** The 1st North Florida BTW Family Reunion was held over the weekend of Aug. 8th-10th, we had a great time. Brothers Ocala acted as hosts and members from Jacksonville & Nature Coast attended. Suwanee River State campground was the backdrop, very scenic, being right on the river, boating, kayaking & swimming were the thing to do. But we were there to get the trikers in the northern part of Florida together. Looking forward to the 2nd annual. We are very sorry to hear about the passing of Coastal Riders member/ Sgt. At Arms Joe Beahm. Our most sincere condolences go out to his wife & family. On a lighter note, Triker Mag. should be out just about Daytona Beach Biketoberfest. Mark your calendar for Thurs. 10/16 for the show at the Daytona Fleamarket & then on Friday the 17th at the Volusia Co. Fairgrounds. Both shows run from 10-4pm. Then next up is the Annual Florida State Trike-In, at the Farm again this year. riding gear a 9x12 visqueen drop cloth, rain suits and a keen sense of where there may be covered shelter a must. The chapter enjoyed hosting the North FL. BTW Family Reunion, everyone there had a great time. A few camped but the day riders sure made the other campers look, as they all triked it in. Looking forward to next year. Next up for the chapter besides Biketoberfest in Daytona, is the Florida State Trike-In Nov. 7th-9th. Brothers Ocala will be setting up the games again this year. Ya'll come on out. **News:** Summer is here and the fuzzy critters and tourists are out in force, not sure which is more of a hazard to us but be careful as neither one is looking for us. Almost all weekends are full with events and stuff. Attended Camping in the Clouds rally in northern Wisconsin, beautiful area and great people. Made it to Field of Dreams, Fuzzy and family always put on a great rally with a ride to American Pickers this year. Fuzzy and Joy are stepping down from doing the rally next year and have handed it over to the Eagle Rock Riders to handle. I'm sure they will do a great job. Attended the State meeting in Indiana, hopefully I answered all their questions. Trying to start a Chapter in Southern Illinois if anyone is interested please contact me.

### **ILLINOIS - Eagle Rock Riders**

**Director** Jim Fiser 815-281-0278, [seeya2jc@yahoo.com](mailto:seeya2jc@yahoo.com)

**Meeting:** The 3rd. Saturday of the month at 10:00 AM until further notice. Meeting place to be determined at next meeting. Ride usually follows meeting.

**News:** Our regular meeting was not on Saturday but held on Sunday at the Field of Dreams located in Milledgeville IL. Harry "Fuzzy" and Joy Pettenger are no longer going to host this event. They have done it for 10 years and feel it is time to pass the reins to someone else, perhaps the Eagle Rock Riders. They may continue in an advisory position. Discussions will be held before a decision is made to continue the Field of Dreams event. The chapter presented Fuzzy, Joy and their family with a plaque recognizing their 10 year contribution. On Friday August 15, several

trikers attended the Steam Show in Sycamore, Illinois. It was a nice 75 mile ride from Milledgeville to see vintage steam tractors and have great food. The riders returned to Field of Dreams in time to have supper prepared by Fuzzy, Joy and family and have a chance to swap stories with people they hadn't seen since last year. On Saturday, Fuzzy took a ride to "Pickers" in Le Claire, Iowa then returned to Milledgeville for a raffle and chicken dinner. Everyone is welcome to join us and you can see us and where we've been on our Facebook page: eaglerocktrikeriders set up and maintained by Lou Pingitore. Safe riding to All!

**Meeting:** Last Sun of Month

**News:** Most of the Tripods made it to the Iowa State Trike-In at Kellogg, joining the Heartland Trikers and others for a great relaxing weekend, even with the inclement weather stopping most of the planned activities. The meals served by Nicole made up for all the rain. Our vest raffle went well, with our own Tana winning it. Tana also volunteered for the Secretary position and is already doing a great job, meeting with a local reporter to get the word out about BTW and the Tripods activities. Our local meat raffle was a big hit, and will be repeated next year. Ted and Tana are thanked for selling the most tickets. The Tripods had a trike show and shine at the local Care Center, and the staff and residents have asked us to do this again. Many had never seen a trike before and were very interested. We have a birthday dinner coming up this month for three of our members so it will be another fun get together. Bob's new trike is finished, awaiting DOT inspection, and Ted acquired ANOTHER trike. The coffee is still on, and don't forget to check us out at [iowatripodstrikers.com](http://iowatripodstrikers.com).

**Meetings:** June 21, Hillman Ferry Campground

**News:** Running late! Last day of news deadline..but here we go again! After a little discussion, it's been decided that the Trike In next year in KY will retain the name "Central States" with the only difference being that it

will be a regional and not a national trike - in. Helps everybody remember who we are and where we came from! Sorry about that, Y'all! I know we promised full details in this edition, but fate has a way of sneaking up on you. We do have accommodations, rates and some other info. They are posted in the EVENTS section! No sense doubling up on things! Watch for a full flyer and registration form in Oct/Nov TRIKER. That's all for now. Ride safe!

**Meetings:** Fourth Saturday of every month, Contact Director for time & place.

**News:** July meeting was held at Directors home, following which we met back up at Benton for the classic car cruise-in, where we set up a BTW information booth. Had help from Terry & Glenna S. for that one, as well as our 3 & 5yr. old granddaughters! We had the girls for 3 weeks before taking them home to North Carolina. On the way home, stopped in Gastonia, met up with Jim Annon and had a great visit! Then I came home with a knock down case of bronchitis that lasted 2 weeks. Where did the summer go? August's meeting found us at Eddyville to join in their Founder's Day Parade with our newest members Kenny, Lois & Kathy Kingston. Ran into some old friends, Donna & Bob and met up with some folks that are looking at joining! Got sprinkled on while heading back to the Kingston's for a picnic lunch. But all in all a great day. Getting back on track after a different kind of summer. Lots to get done for the Central States Regional Trike - In, next year! I better hurry, it'll be here before you know it! Heck, it's almost Christmas! Happy HalloThankMas, Everyone! Bonnie Walton, Secretary, Western KY Trikers

**Meetings:** 3<sup>rd</sup> Sunday of each month at 2:30 pm at Burgers American Grill, Blue Springs, MO

**News:** We had a fun July ride to Ha Ha Tonka State Park near Lake of the Ozarks with nine members in all. Following the ride, we shopped at The Leatherman, then had dinner at a lake-side restaurant. In August, we celebrated a member's birthday with a ride along

the Missouri river, followed by lunch at the "Spotted Pig" in Lexington, MO. When we rode into town, the eighteen of us looked like a parade. People waved and smiled as we rode by. The town was celebrating it's annual Community Fair, so there was a lot to see. We hope to see lots of old and new friends at the Missouri Fall Reunion in Stanton, MO.

**News:** We just got back from the Ozark Mountain Trikers Trike-In. We had wonderful weather and great fellowship with some of the best people I know. There were so many good lies told, people were writing them down. Denise Worthy had quite a funny story to tell about her experience on the ride to Twin Bridges, for lunch, but I'm sure she wouldn't want me to tell it here. By the time this news get in the magazine, we will have been to the Missouri Fall Reunion at Meramac Caverns, in Stanton Missouri. This is always a great time to meet with members that we only see once a year. Hope everyone has a great Fall season to ride. Mr. Al

Now we're looking forward to the BTW STATE MISSOURI FALL REUNION at Meramec Caverns at Stanton, Mo. We've been riding some & have some fall color rides planned. One of our members, Dave Burelson went out to AZ & purchased a VW Trike. He decided to go back from the motorcycle trike to a VW trike. Some of us just can't get away from the ole VW trikes. Well, not much else goin on. Appreciate how the BTW Website is moving along. I guess until the next time, ya'll "KEEP THOSE THREE WHEELS A ROLLIN"

### NEVADA - State

**Director:** Bonnie Morris, Las Vegas, 702-456-9160, unicornsisterhood@hotmail.com

**News:** Great times we're having in Nevada !!!! My first goal as State Director was to reach out to my chapters and I have done that with great results!!! The Pahrump Trikers and SO NV Roadrunners are now spending more time together which is great progress. I believe that all chapters should reach out to one another and build bonds to make BTW one big happy family!!!! Our membership is building in both chapters we are very happy about that. I plan on making more trips to trike-ins so I can meet more people and get more ideas . There is one run we make that isn't a trike-in but is a lot of fun and both chapters are going. It is Beatty Days if other chapters from surrounding areas would come we could turn it into a trike-in. LOL It's the end of October in Beatty NV. You can contact me for more info. Ride safe and be happy!!!

**News:** We now have good riding weather. Six trikes took a ride to Beatty on Fri. 8/22 to confirm our camping reservations for Beatty Days Oct. 31 to Nov 2nd. Two of our trikers are up and running after their surgeries, B.J.Adams had a hip replacement, and Blanca Mullins had knee surgery. You know how it is when you get our age, you have to start replacing parts. We are all ready to go to Payson AZ for the High Country Area Blowout, Sept. 19th - 21st. Pahrump always has a good turnout at this event. Richard Heminger got to meet the guy who called 911 when he had his accident. Richard has his trike all repaired and is riding it again. The Pahrump group is meeting up with the Las Vegas group for a ride to Mountain Springs this afternoon.

#### OKLAHOMA – State

**Director:** Mark "OX" Duensing 918-510-9308, [okstatebtw@cox.net](mailto:okstatebtw@cox.net)

**News:** First of all I would like to take a short second to remember one of our fallen brothers. Glen Hagen a member of the T-Town Travelers passed away suddenly

on July 3. Glen was an asset to their group and will be missed greatly. We held our Trikers Rendezvous the last Saturday in June. We had a good turn out and we all ate hamburgers and Brats until we couldn't move. I got to meet some new members and of course visit with old friends. I want to give Wade Crabtree a warm thank you for his service to the Pokie Okies as Chapter Director. Wade has been a great leader for their group. Rex Alexander has been voted in as the New Chapter Director. Rex is more than capable to handle the position and I am looking forward to more great thing to come from the Pokie Okies. Rex If you need anything I'm a phone call away. I'm planning another get together for the first part of November . We are going to camp at the Red Rock Canyon campground for the weekend and ride over to Hobart Oklahoma for the punkinpalooza.... Oklahoma's version of punkin chunkin. Just as soon as they set there date I will call Chapter Directors and mail out flyers to get the word out to each. Should be a great time and hope to see everyone there. Everyone get out ride and be safe. Remember our armed forces. God Bless America. OX

**Asst. Dir:** Jerry O'Nesky, Haileyville, 918 429-8445 [fojosky@yahoo.com](mailto:fojosky@yahoo.com)

**Meetings:** Time & Place varies. Call for details

**News:** You would think I would have a lot of news. Summer is riding weather (for some). We haven't had a lot of scheduled rides. Everyone seems to be doing their own thing but everyone appears to be riding. Some of the group went to Eureka Springs for the Volkswagen swap meet. Some went to Manford. Labor Day, Rex, Dale & Marti & others went to Henryetta to a car show. Rex got a trophy & I heard it isn't the first one. If you have been riding with Rex lately & were expecting the usual rain, you have been disappointed. Can't believe it. Dale & Marti & Jerry & Francine went to Cripple Creek, CO for the MIA/POW rally in August. Weather was wonderful & parade & rally were good. Guess you see we have a new Director. Wade had to step down for a while. Too busy (I don't know doing what). By the time you read this we will have had our 3rd Annual Trike-in/Camp-out at Sardis. I'm going out on a limb & report we had a really good time with poker runs, 50/50, trike games & lots of food. As far as I'm concerned the good riding weather is now here. Not too hot, not too cold. We have a few things coming up in Oct. We always attend Hard Times Day in Hartshorne which will be Oct. 11. If you want to know what we're doing or if you have something interesting we might want to do, give us a call or an email. Always looking for a good ride. Until next time ride safe & have loads of fun.

We are hoping to have a location next year that has a little air conditioning. Before you know it, it's going to be time for Toy runs. ### **OREGON - State**

**Director:** Marsha McPheeters, Salem, OR, [metrike@aol.com](mailto:metrike@aol.com) 503-990-6250

**News:** My husband, Wally, our grandson, Michael, and I attended the WA State Trike-in in Aug. and had a wonderful time. They have the greatest food and raffle of any trike-in we have ever been to. The rides were beautiful, and the weather was perfect. I was pleased to see quite a few OR Members there. Afterward, we rode around the whole Olympic peninsula and, when we went to Cape Flattery (the most NW point in the contiguous US), we were astounded to meet 3 Ecstasy trikes from Penn. who were 5,800 miles into their ride and were headed to Crater Lake and Yosemite. They are BTW, of course. We also went to the Willamette Valley Chapter's campout in Waterloo over Labor Day. They had great new rides including one to a beautiful waterfall. Sitting around the fire pit and toasting marshmallows is a great end to easy days. They hope even more BTW Members can come next year. I'm excited about the new Chapter that is forming in Ontario, OR. By next Triker, they will have chosen a name and started planning for the next riding season. Congratulations to Allen Cate and to all the new Chapter's Members. ORBTW will hold another Christmas party in early Dec. and will hope for no snow this time. We will also be holding an election in Jan/Feb for State officers. Happy Holidays to all. On three, Marsha McPheeters, ORBTW

### **OREGON - Bridge City Trikers**

(We are a composite group of greater Multnomah County, OR and greater Clark County, WA Members)

**Director:** Dave Hancock, Yacolt, WA 360-608-3556, [sftree@centurytel.net](mailto:sftree@centurytel.net)

**Meetings:** We meet the 2nd Saturday of each month at 10 AM, at the Parkrose Elmer's, 10001 NE Sandy Blvd, Portland, OR 97220.

**News:** The big news this article is our participation in

the WA State Trike-In at Montesano, WA in August. Regrettably, I was not able to attend this year so I received the information for this article from two of my trusty members, Jeffrey White and Dick Postma. Our Chapter was able to have four of our members in attendance at different times, Dick, Jeff, Marvin and Paco. There were 30 or more Trikes there of all different kinds. I'm looking forward to seeing the pictures that our members will hopefully bring to our September meeting, speaking of which we are looking forward to having our first group ride after that meeting. It'll be good to see our members finally getting a group ride in. Up to this point we've been too small to call us a group. Glad to see that's changing. Oh, and at that meeting I'll be bringing up our invitation to be in the Vancouver, WA, Veterans Day Parade on Nov 8th like we were last year and hopefully also attend the Veterans Day Convoy the Sunday before Veterans Day as well. We always do that with our Capitol City Chapter from Salem. As a side note, Yacolt just had their brief back from the June 28th Yacolt Rendezvous, Bigfoot Fun Run and BTW Trike Show. They want us to come back again next year and if we're nice, they'll do it without the rain this time. Churchy Churchward, WA State Director, Marsha McPheeters, OR State Director and Kathryn Henry the Greater Northwest Director were all at Montesano to show everyone how to have fun. There were accolades from the attendees for the Bike Games, Show and Shine, excellent raffle, all the Bridge City Members won prizes at the raffle, now the 50/50 is a different case; none of us won that game. Yeah, but we'll be back next year to win that. It sounds like our members enjoyed a good two days of camaraderie, a great ride and the biggest accolades went to the cooks, the spaghetti was delicious and generous, greatly appreciated along with all the trimmings. All the participants stayed up until late evening enjoying everyone's company and then got up the next morning for the final group ride before everyone left for home with Happy Memories and Full Stomachs. Welllll, that's our show for this issue. See You All in the Next One

**Meetings:** 3rd Saturday of month:

**News:** Attending the Washington State Trike-In at Montesano during August was simply great! Nadine

and I packed our Harley Tri-Glide with camping gear, and even found room for a bit of clothing and sun glasses. The campground was extremely nice, as were the people we met there. I can sum it all up by saying, if you've never attended your state's Trike-In (or one in a neighboring state) you're missing out on a great time! We have wonderful memories of attending Trike-In events in CA, OR, and now WA. Norman E. DeRoux

**News:** Tammy sends: Hey there fellow trikers; We seemed to just start nice riding weather and now it is quickly coming to an end. We had our annual Labor Day Campout, and it was a bunch of fun. We have made notes and will be working on trying to make it even better next year with maybe some vendors, music (bands, karaoke). Who knows what next year will bring us. The weather has been very nice for triking. The Holiday will be upon us soon, and we have some regular activities that we participate in during the colder months. November brings Veterans Day, Nov 11, (<http://albanyveteransdayparade.org/>). Albany, OR celebrates with the largest parade west of the Mississippi. In Dec. we gather in Albany, OR and have a parade of bikes, trikes and vehicles to take gifts to underprivileged children. Hope to see you at these great events. Happy triking. **News:** With the help, support and dedication of our

active Chapter members this year, our 14<sup>th</sup> Annual Trike-In was another successful and enjoyable one. Everyone had a great time reconnecting with old friends and welcoming all the new-comers. Shangri-La by the Lake, did a fine job with the breakfasts and Saturdays dinner. We held another successful Silent Auction this year with all of the proceeds, again, going to ATLAS. Atlas is the highest-earning fundraising organization for the Penn State IFC/Panhellenic Dance Marathon (THON), which raises money for the Four Diamonds Foundation. Any family with a child being treated for pediatric cancer at the Penn State Hershey Children's Hospital is automatically eligible to benefit from the Four Diamonds Fund. This fund supports the medical staff that cares for the children, funds pediatric cancer research, and covers all expenses that insurance does not cover. You can check them out at [www.atlasfkl.org](http://www.atlasfkl.org). We are looking forward to an even bigger and better time next year at our 15<sup>th</sup> Annual Pennsylvania Trike-In. If you have never been to our Trike-In or you couldn't make it this year, you definitely don't want to miss all the fun next year. Just ask anyone that was ever here!!!! As always, if anyone has any questions, comments and/or suggestions for next year, please feel free to contact us.

**News:** Hey all! Been a lot of good ridin' weather here in the mid-state, getting out most every weekend for day rides. We've been on a number of area benefit rides, and had a good show of trikes from the chapter at most of them. Shows that the Trike community is willing and ready to donate to worthy causes! I loaded the trailer and hit the Kentucky Bike Rally in Sturgis, KY for the weekend on 19-20 July. Saw some fancy stuff there! Met some new trikers, and had a good time with friends at the rally! We had our August meeting

on the 9th, (mis-posted the date in my July news!) There were 13 members present and only five trikes. We talked about the Mid-States Trike Rally 2015, and trying to raise a donation thru a local project. I updated the group on several members who are having health issues and asked that they be kept in our thoughts. The fall riding season is coming, and there lies the toy-run season of events, I asked that anyone having info, to please notify me and we would try to get group rides going for them! One event that occurs locally every year is the Boss Hoss Rally, in Paris Landing, TN, 18-20 Sept. the bikes and Trikes with V8 Chevy power are mind blowing! Most have great paint/graphics! Hope everyone has great rides going into the fall season, Ride Safe! "Lefty"

**News:** I have agreed to take on the position of State Director. I am still trying to get my feet on the ground to see what I can do to help out our Chapters. I will be trying to get in touch with all the Chapter Directors as soon as I can. One of the things I am trying to do is to get the Texas Title Laws changed, I have not had much luck yet but will need the help of every single BTW member in Texas. One person cannot get much done, but if we all work together maybe we can do some good. I will be getting with the Chapter Directors and letting them know what we need to do. If there is a problem that needs attention have your chapter

Director get in touch with me and I will see if it can be resolved among ourselves. I want to thank everyone in advance for all the help I know is forthcoming. I also want to thank Doc for all her years of service to this great organization and her help when I needed it. I have asked Gerald ( Tramp) Griffith to be my assistant, He has agreed to do so, subject to the approval of HQ and the BOD. Thanks

**News:** Wow! It's already September and I'm sitting here wondering just where the summer went! Here at the DFW chapter we've had a couple of good runs recently, the 1st one in August was "Marsha's Run For The Kids", where we gathered school supplies and delivered them one Saturday morning to the Icenhower Intermediate School in Arlington TX. After unloading all the supplies and getting them moved indoors, bike, trike, and dune buggy rides were provided to all the youngsters that showed up, along with a few there that were young at heart! After all the rides were given, most of the group headed over to a local burger joint to sit in the AC and enjoy the camaraderie along with a good meal. To get away for the Labor Day weekend a few of us trekked over to Bridgeport Lake and camped out at the Wise County Park. The park is well maintained and due to

the low water level, we had most of it to ourselves for the entire weekend. On Sunday, the majority of folks who didn't want to endure the mid to high 90's heat in a tent, began arriving with coolers of drinks and plates of food, so we fired up the grill, ate barbeque, told trike stories, and chased them down with our favorite cold beverages. I want to thank everyone for bringing the great food--It was delicious!!!! Most left by night fall, but the remainder of us sat under the pavilion until well into the night, enjoying a few beverages and the cool Texas night air. It was a good way to end the summer! In addition to all this food & fun, we still hold our meetings every 2nd Sunday of each month at the American Legion Post 516, and are planning a charity ride for one of the local animal shelters, probably to take place in October. If you are interested in joining us, feel free to drop in on one of our meetings or give me a call. The more, the merrier and until we meet again, please ride safe! Troop.

**News:** I won the flip of the coin so you get to hear from me again about Chapter happenings. I don't want to tell you how great the Chapter is and the amazing people that are in our Chapter or what a great ride we had going to the Washington State Trike-in or the fun that we had while we were there, because I don't want to sound like a broken record. Truth be told, we did have a great trip across the ferry and the ride down highway 101 to Montesano, as well as the blast with all of the people that were there. We had an opportunity to catch up with old friends and make new ones. Our chapter is doing well, and seems to be growing new members. There are new trike projects in the works and a few trikes that are marking less territory (oil leaks) with each stop we make. We are already anticipating our Christmas dinner where we will have a white elephant Chinese type gift exchange and talk about rides next year. This winter will see a number of us getting together to assist each other with individual projects like finishing a couple trike builds, ending oil leaks and a possible rear main seal and clutch repair. All in all I am continually convinced that I am doing and spending my time with the best group of folks around. Thank you BTW for building such a wonderful family, I can't wait to meet the rest of ya-all. Keep the wind in your face.

**Meetings:** Socials every Thursday, Homestead Restaurant, 7837 South Tacoma Way, Tacoma 6PM  
Everyone welcome.

**News:** Well Coastal Cruisers you did it again! You made our Washington State Trike-in a huge success.... the best one yet! We had a very full weekend with exceptional rides, fun trike games, drawings, lots of great food and camaraderie. Be sure to set aside August 13-16, 2015 for next year's trike-in at Packwood and start anticipating the gorgeous rides to Mt Rainier and

Mt St Helens. We are starting to plan this and it will be a Regional Trike-in. So Regions 1 & 3 what can you contribute.....help with games, drawings, or what. Let me know. It is sure to be a great time. While the wildfires closed the roads, forcing us to cancel our ride to Leavenworth, we were still able to ride around Mt Rainier to Packwood for the beef BBQ put on by the fire department (roasts so big they use pitch forks to handle them). The servings were very generous, the beef very tender and seasoned perfectly and served with all the sides. This is my idea of a perfect day.... beautiful ride and great food shared with exceptional friends. The weekend after our state trike-in we spent the day at Tim & Joann's resort campground on the Cowlitz River. Another perfect day of riding and relaxing with friends. Thanks I needed the relaxation! We were also privileged to help our waitress Mandy celebrate her wedding. Congratulations and may You, Shelby and the kids enjoy a lifetime of love and happy adventures. As for the next few months I know we have a ride Vashon Island, one to the Triple XXX and Lattin Cider Mill as well as Operation Christmas Child and a Christmas Party coming up. We welcome you to join in any of our fun! Just get a hold of me & I will share the details. Ride Safe

**News:** Can you believe summer is over, and fall is here.. Here in the upper midwest our riding season will soon be over, but this is my favorite time to ride... The leaves are changing, turning the scenery into a beautiful color show. The heat is gone, along with the bugs. Be sure to really give your machine a good safety check before riding, as the riding season is almost over, and tires have worn, bulbs may have burnt out, and things can need adjustment at this point. Larry Lierman of West bend is making progress on establishment of a new Southern Wisconsin chapter. Anyone interested in membership, contact Larry , or me if you need Larry's contact info. We are also looking for a member interested in taking over the formation of a Central WI. chapter, as Corey Thornton cannot continue the task, due to health issues. We wish Corey the best and a complete recovery. Jim Lee and myself will be available for all the help we can give. As many of you know, we had a State meeting on Sept. 2nd at the Camp in the Clouds trike-in at Florence. Members had a lot of good questions, and I and Jim

Lee did our best to answer all of them. I have been thinking about a Statewide Christmas party. If anyone would be interested, e-mail me and if there is sufficient interest, we'll see what we can do. A big thanks, again, to Steve Mundell on the success of the BTW Facebook page. BUT, let's not forget the website. **Meetings :**

**News :** Greetings from Ontario. We'll be starting this installment on a sad note, we remember our Brother Bruce Berry. Bruce and Bernie were on the last leg of Bruce's Sixtieth Birthday ride when tragedy struck and they went down two hours west of Calgary. Severely injured in the accident, Bruce lost his fight August 29th. Bruce is survived by his wife, Bernedine and his children Paul, Shane and Crystal. Our thoughts go out his brother Kevin and his wife Deb and His parents. A Celebration of Life was held at the Royal Canadian Legion, Barrie chapter, Thursday September 11th, Our membership was well represented, Bruce will be dearly missed. Stephane and Mich Legault and their family threw an excellent Trike-in July 25th, 26th and 27th at Cedarvale Park in Carrying Place Ontario. The dice run was held by Stephane's two sons, Max and Francis, high dice ruled and I took home fifty bucks...LARGE! Not bad for following in my cage. We all had a great time at the games, afterwards we filled our bellies with BBQ

and salads. Mich made so much food that there was large leftovers left over. The winner of the Best Trike Trophy went to Berry Nutt. For their first Trike-in it seemed like their tenth! I for one am looking forward to their next Trike-in, Thank You from all of the members in attendance. Porky and Sue have decided that after six years as our directors it was time to step down. All of us took their departure with a little shock, we greatly appreciate their service. We all look forward to seeing them just having fun at the next Trike-in. We all awoke Saturday to hot coffee provided by Liz Thibodeau and to show she wasn't scared, she did it Sunday too! Thanks for getting everybody up and going Liz! The Trike Games were as follows... The three legged blindfolded Hula Drop, 1st. Berry and Lynda Nutt, 2nd. Billy Linnitt and Cody Violette, The Ball throw, 1st Michelle Hamilton and Clay Thibodeau, 2nd. Larrie Coulson and Elsie Duchesne., Horse shoe toss, 1st Larrie Coulson and Elsie Duchesne., 2nd Bob Freeman and Laurie Chodzakewicz-Lloyd. The Show and Shine winners were, 3rd went to Porky for Best Artwork, 2nd went to Kim from New York for Originality and 1st went to Linda from New York won for the sheer sleekness of her trike. Congratulations to all our winners. Elections were held at our meeting during the Labor Day Trike-in with the results to follow... Billy Linnitt- Director / Yves Violette - Assistant Director / Bob Freeman - Road Captain/ Wayne McCartney - Treasurer / Laurie Chodzakewicz-Lloyd - Communications Director / Tammy McCartney - Secretary, this is your executive for Ontario and we will do the best job we can. Your input is required! Wayne and Tammy McCartney have once again agreed to host our Christmas Party. We will gather at the Comfort Inn, 1209 Lansdowne St W. Peterborough On., Saturday Nov 01 @ 5:00 and dinner will be served when it's cooked! Call for reservations @ 1-705-740-7000, be sure to book by October 17th and the room rates are \$89.99. We'll see you there. In closing those of us that could afford the insurance on our trikes have had a great triking season, the rest can't afford or even find any insurance at all. If any member knows of any insurance company or broker that can consider us give me a call @ 519-923-2477. It would be great if we could all ride free in Ontario. Till next time, stay free on three, Brother Billy.

### Vancouver Island – Vancouver Island 3 Wheelers

**Chapter Director:** John (Helgi) Helgason, 1-250-703-9598, Courtenay BC, helgasonj@telus.net

**Assistant Director:** Bob O'Blenis 1-250-338-2313

**News:** Hello once again to all those enthusiasts of the Triking World. Bob O'Blenis and myself have just returned from an amazing trip from the Pacific Ocean waters of the west Coast of Vancouver Island to the dunking of the tires in freezing waters of the Atlantic in St. John's Newfoundland. Our trip took us through some of the most beautiful country sides in the world, both in Canada and on our return trip through the upper States of the USA. From the Rocky mountains, standing tall with a cap of snow to keep one cool, to the forests and bad lands of the midwest, to the rocky and windswept terrain of the East coast, we rode along with five others, Bob & Lyn, Rick, Daryl and John who had come out to the west coast to do the whole trip together. The ride was called the Military Police National Ride for Blind Children and in the west it also included the "Make a Wish for Children Program". Throughout our great country I was amazed by the generosity and participation we received in accomplishing our goal of fund raising for these worthy causes. Our Legions along the way provided a variety of meals for our riders which at times added up to 50 or more for those just doing short stints, hot dogs, hamburgers, steaks, and chicken and luckily, although threatened, no road kill that we know of. Everywhere we went we were greeted by folks who let us know we were welcome and that our cause was supported by one and all. Some bigger areas put on dances and had silent auctions that helped the kitty to grow. Bob's brother in Moncton New Brunswick treated us all as though we were lost cousins and had a feast prepared other than the afore mentioned delicacies. It was hospitality like this from the locals no matter where we went that made the trip one to remember for the rest of our lives. The Maritimes proved to provide the friendship, the humour and the sense of belonging I have known from being stationed in the East for 7 years. All who experience these folks in their environment come away richer from

the experience “I tells ya lads! We were “Screeched In” by the locals of Newfoundland which means you have to recite the mariners of old poem, dance a gig, do the Horn Pike and Kiss a Cod Fish. Add to this, while doing these chores you have to gulp a couple of jiggers of Screech while holding the shot glass in your mouth—No Hands and swallow it if you can. 180 proof rum me boys, its up to you’s me son. Its not long till all are singing and the laughter fills the room. What a hoot. Screech has a history of old and its almost certain to come back to get cha the next day as well. Once having done these things one gets an honorary Newfoundlander, Scroll and all. We returned through the States as I have said stopping in Sturgis along the way long enough to pick up a bundle of \$5 T shirts from the venders and visiting Harley in the center of town. As a Canadian veteran I was made to feel at home and proud of my service by many folks along the way thanking me for having served. Bob had

his Spyder finding the macks 10 zone as it performed flawlessly there and back, but like all Harley owners I was to experience some mishaps but nothing that slowed me long. In all we traveled 18000 km’s there back. I have not had time yet to contact others in the group but I have it from good source that there was many happy hours on the road experiencing triking at its best. I hope I have more news from the members for the next issue. Till then Toe Faa. John Helgason Chapter Director Vancouver Island Three Wheelers.

**News:** So far this summer we have enjoyed some excellent riding weather and some fantastic rallies, including our own, of course. Our UK Threedome (members only) rally was such a storming success that even the sun decided to attend – so did the rain but nobody cared about that. This year's rally, which was held at the 'Tiddler' in Ellerdine, was an out and out testament to how well the UK chapter work and play together. Everyone pitched in to make it a success; everyone had a fantastic time. So much so, that the date has already been set for the 2015 rally. So, if you are looking for a rally with rave reviews, the excellent company of your BTW siblings and a whole weekend of trike-worthy fun, book your tickets now for next year's BTW UK Threedome Rally. The rally will take place at the same location on the 17<sup>th</sup>, 18<sup>th</sup> and 19<sup>th</sup> July 2015. Massive thanks to all of the members who attended and made the weekend a memorable one. Congratulations to our lovely Mamabike on winning the membership raffle.

She is now stuck with us for another year. Thankfully, she seems pretty delighted about it. Another rally that is well attended and enjoyed by BTW members from all areas is the Rebel rally in Nottinghamshire. This year saw an additional contingent of members from Area X. The area's youngest member, little tot 'Mikey' took the prize for cutest cowboy. As ever, the rally was fantastic event, enjoyed by all who attended. As I mentioned in previous news, some money was being raised at the Rebel rally in memory of our late member and sculptor, Paul (GPZ) Salmon. The money, which totaled almost £200, was divided equally between NABD and the Air Ambulance Service. Punky recently enjoyed some very impressive media coverage as his picture was featured on the front page of the Plymouth Herald after taking part in the 20<sup>th</sup> Plymouth Megaride. This mammoth ride out attracts thousands of bikes, trikes and quads as they convene on Plymouth Hoe before setting off along the A38 and back to Plymouth. More pictures can be seen on the Plymouth Herald website, including a few more Punky shots. Wishing you all a great end to the summer Georgia

# FROM THE INDUSTRY

**Rewaco USA and the RF1 trikes are looking to connect with you BTW!**

Rewaco Spezialfahrzeuge GmbH is a German manufacturer supplying Rewaco brand trikes to Europe since 1990. Rewaco has

since expanded the presence of their unique vehicles into over 30 countries spanning 5 continents. This growth is in large part due to a reputation for exceptional performance, design, construction and style on three wheels.

There were many trikes sold in the USA in the mid 2000's under the Rewaco name. These trikes were NOT manufactured in Germany by Rewaco, they were assembled in the USA by a company that had used the Rewaco name as their own. This company was utilizing many of the major components purchased from Rewaco Germany, but also utilized parts sourced from other suppliers. Therefore, the trikes built and sold by this company are not factory assembled Rewaco trikes. This company ceased operation around 2008-09 and sadly the owners of these trikes were left without support for the vehicles they own and love.

Rewaco USA is a new company formed in Florida in the summer of 2013 to act as the official importer and distributor for all Rewaco products in the United States. In late 2013 the first shipments of the exciting RF1 trikes arrived on US soil. All Rewaco trikes currently being sold in the USA are factory assembled and tested in Germany, and are imported complete and ready to ride. This allows for a superior level of quality and consistency so that the Rewaco trikes live up to the reputation the German manufacturer has worked nearly a quarter century to build. Rewaco Germany and Rewaco USA are dedicated to supporting the owners of our current trikes, but also want to provide as much assistance as possible to the previous generation of Rewaco trike owners.

If you own a Rewaco trike, please contact Rewaco USA so that we can add your information to our database for product updates, service bulletins and other relevant announcements. Any information provided is never shared with anyone outside of Rewaco USA.

*We at Rewaco USA feel that motorcycling is one of the most exhilarating experiences in life. We believe that this experience should be available to people of all ages and abilities. And more importantly, we believe that one should not have to compromise the performance, style and fun that makes motorcycling exhilarating in the first place. So we bring to you, the RF1 trikes.*

Join us! The future is very exciting for Rewaco USA with a major announcement coming soon! Please visit [www.rewacousa.com](http://www.rewacousa.com), like us on Facebook and follow us on Twitter.

## **TRIPAW OUR NEW BTW MASCOT**

Hi All!

A few months ago it was discussed about having a Mascot, well here I am . My name is Tripaw, as I only have Three legs. Like most things when you tangle with a car, it don't turn out good, but don't feel sorry for me I'm still here and the Plymouth is not. I currently live in Texas with some nice folks. I try to roam around the country so you never know where I might turn up. I try and make all the larger events and a lot of the smaller ones, you just don't always see me as

I kind of playfully lurk around in the shadows. I hear a lot of talk about what kind of trike is best and all I can say is 'Yours is best for You'. So that's all for now.

**RIDE FREE ON THREE, WHATEVER THAT MAY BE**

## COASTAL CRUISERS CHAPTER MEDICAL TEAM

Our Coastal Cruisers Chapter of WA state had a great trike-in, Aug 14 - 17. We went on a ride to Westport, Fri 15th. We got back in the afternoon. My left foot was in pain as I had previously gotten a piece of glass in the side of my foot. I could barely walk on it. Thank you, JoAnne and Rusty for accommodations in their new motor home where minor surgery was performed by Dr Crash, extracting a good sized piece of glass, as I was howling. Dr Crash was assisted by Nurse Linda who held the flashlight, Nurse JoAnne, who assisted with dressing materials and another Nurse Linda who supplied equipment for my foot soak. My foot was dressed by Dr Crash. My foot is much better now. Many Thanks to these great BTW, Coastal Cruiser Chapter, of WA state, members. They really know how to come together as a team when an emergency arises. Thank you, Coastal Cruisers Chapter of WA state member, Candy Gonzales, "MaMa Bear 2".

### **This picture was taken on our travels**

I stayed there for a week, then traveled to visit my side of the family at Joliet, Il, then spent time at my niece's place for few days, then traveled down to Jacksonville, Il, where I graduated at Illinois school for the deaf, as it was having the 175th Birthday party at the same time as my class reunion's 40th ann.
