## From your BTW Headquarters

Hi Folks, We have had a blast during this last month, we rode the Venom to the Pacific NW Trike-In 1,880 miles through the mountains of CA and part of Oregon then over to the coast and up through WA. What a great ride on all the secondary highways. Then had a great time with all the folks at the Trike-In, thanks to all the members up there. Then a quick 1,500 mile trip back to HQ in time to get this magazine done and off to the printer. Now for a couple of days rest. Jim Lee has had a rough time the last few weeks but is back home and doing better. Hurry up and get well Jim, I miss our daily talks. We are trying to finalize next years National Trike-In and will post it as soon as I get the confirmations. Next May will be the end of a second 4 year term for me as the CEO and I think it may be time for a new face and younger body to take over, so don't hurry but you might want to get your name in the hat so members can make a decision as to who they want to take the reins. I am not planning on going anywhere and would be here to help as needed, but it is in the best interest of BTW to plan for the future.

Lynne and I really enjoy our time with all the members and plan to attend several more events this year as long as getting the magazine out doesn't conflict. I look forward to seeing many more of you soon and hope the rest of your riding season is a great one. Ride safe and enjoy triking

**The Front Cover: This is a photo of members of BTW France on one of their many Trike rides into the French Alps. WOW**

**NOTICE: The Financial Statement for 2017 is completed and posted to the Web Site**

Dear Brothers of the Third Wheel Arkansas Chapter Member,

Brothers of the Third Wheel Arkansas Chapter has partnered with AirMedCare Network to offer you, as a member, the opportunity to join AirMedCare Network's Membership Program at a special "members - only" discounted rate!

**Join before June 1st to lock in your current price for another year!**  
\$55 - Household - 1 Year Membership

As your local air ambulance, serving area residents from our surrounding bases, Air Evac Lifeteam understands the critical aspect of time in treating medical emergencies. For those of us living in rural America, our recovery can depend on how much time it takes to be transported to emergency medical treatment. Air Evac Lifeteam can cut that transportation time *in half*.

In the event you are flown by Air Evac Lifeteam for a life or limb-threatening emergency, we will work with your benefits provider to secure payment for your flight. Whatever your benefits provider pays will be considered payment in full. Even with medical insurance, an air medical transport can leave you with unexpected out-of-pocket expenses, burdening your finances & family. As an Air Evac Lifeteam member you will have no out-of-pocket expenses related to your flight if you are flown by Air Evac Lifeteam or any AirMedCare Network participating provider.

Air Evac Lifeteam is a member of the AirMedCare Network, the largest Air Ambulance Membership Network in the United States. An AirMedCare Network membership automatically enrolls you in all provider membership programs, (Air Evac Lifeteam, Guardian Flight, Med-Trans Air Medical Transport, and REACH Air Medical Services) giving you membership coverage in over 320 locations across 38 states. All AirMedCare Network service providers work cooperatively to provide the highest levels of care for you, your family, and your community.

Join today and you can receive membership in the AirMedCare Network at the same low price as the individual membership programs, giving you membership across 4 leading air ambulance operators for the price of 1! Completed enrollment forms may be mailed to: **AirMedCare Network P.O. Box 948, West Plains, MO 65775**. If you have any additional questions please do not hesitate to contact me.

Air Evac Lifeteam cares about you and your loved ones. Our mission is to make it possible for people living in rural areas to get the life-saving emergency care they need, when they need it. Thanks to the support of over 3 million members, AirMedCare Network providers can provide financial peace of mind for you and your family...while providing this vital service to our community.

### AMCN Membership Terms and Conditions

AirMedCare Network is an alliance of affiliated air ambulance providers\* (each a "Company"). An AirMedCare Network membership automatically enrolls you as a member in each Company's membership program. Membership ensures the patient will have no out-of-pocket flight expenses if flown by a Company by providing prepaid protection against a Company's air ambulance costs that are not covered by a member's insurance or other benefits or third party responsibility, subject to the following terms and conditions:

- Patient transport will be to the closest appropriate medical facility for medical conditions that are deemed by AMCN Provider attending medical professionals to be life- or limb-threatening, or that could lead to permanent disability, and which require emergency air ambulance transport. A patient's medical condition, not membership status, will dictate whether or not air transportation is appropriate and required. Under all circumstances, an AMCN Provider retains the sole right and responsibility to determine whether or not a patient is flown.
- AMCN Provider air ambulance services may not be available when requested due to factors beyond its control, such as use of the appropriate aircraft by another patient or other circumstances governed by operational requirements or restrictions including, but not limited to, equipment manufacturer limitations, governmental

regulations, maintenance requirements, patient condition, age or size, or weather conditions. FAA restrictions prohibit most AMCN Provider aircraft from flying in inclement weather conditions. The primary determinant of whether to accept a flight is always the safety of the patient and medical flight crews. Emergent ground ambulance transport of a member by an AMCN Provider will be covered under the same terms and conditions.

- Members who have insurance or other benefits, or third party responsibility claims, that cover the cost of ambulance services are financially liable for the cost of AMCN Provider services up to the limit of any such available coverage. In return for payment of the membership fee, the AMCN Provider will consider its air ambulance costs that are not covered by any insurance, benefits or third party responsibility available to the member to have been fully prepaid. The AMCN Provider reserves the right to bill directly any appropriate insurance, benefits provider or third party for services rendered, and members authorize their insurers, benefits providers and responsible third parties to pay any covered amounts directly to the AMCN Provider. Members agree to remit to the AMCN Provider any payment received from insurance or benefit providers or any third party for air medical services provided by the AMCN Provider, not to exceed regular charges. Neither the Company nor AirMedCare

Network is an insurance company. Membership is not an insurance policy and cannot be considered as a secondary insurance coverage or a supplement to any insurance coverage. **Neither the Company nor AirMedCare Network will be responsible for payment for services provided by another ambulance service.**

- Membership starts 15 days after the Company receives a complete application with full payment; however, the waiting period will be waived for unforeseen events occurring during such time. Members must be natural persons. Memberships are non-refundable and non-transferable.
  - Some state laws prohibit Medicaid beneficiaries from being offered membership or being accepted into membership programs. By applying, members certify to the Company that they are not Medicaid beneficiaries.
  - These terms and conditions supersede all previous terms and conditions between a member and the Company or AirMedCare Network, including any other writings, or verbal representations, relating to the terms and conditions of membership.
- \*Air Evac EMS, Inc. / Guardian Flight, LLC / Med-Trans Corporation / REACH Air Medical Services, LLC - These terms and conditions apply to all AirMedCare Network participating provider membership programs, regardless of which participating provider transports you.

## WE CAN ALL DO BETTER

At a fundraising dinner for a school that serves children with learning disabilities, the father of one of the students delivered a speech that would never be forgotten by all who attended. After extolling the school and its dedicated staff, he offered a question:

'When not interfered with by outside influences, everything nature does is done with perfection. Yet my son, Shay, cannot learn things as other children do. He cannot understand things as other children do. Where is the natural order of things in my son?'

The audience was stilled by the query.

The father continued. 'I believe that when a child like Shay, who was mentally and physically disabled comes into the world, an opportunity to realize true human nature presents itself, and it comes in the way other people treat that child.' Then he told the following story:

Shay and I had walked past a park where some boys Shay knew were playing baseball. Shay asked, 'Do you think they'll let me play?' I knew that most of the boys would not want someone like Shay on their team, but as a father I also understood that if my son were allowed to play, it would give him a much-needed sense of belonging and some confidence to be accepted by others in spite of his handicaps.

I approached one of the boys on the field and asked (not expecting much) if Shay could play. The boy looked around for guidance and said, 'We're losing by six runs and the game is in the eighth inning. I guess he can be on our team and we'll try to put him in to bat in the ninth inning.'

Shay struggled over to the team's bench and, with a broad smile, put on a team shirt.. I watched with a small tear in my eye and warmth in my heart. The boys saw my joy at my son being accepted.

In the bottom of the eighth inning, Shay's team scored a few runs but was still behind by three.

In top of the ninth inning, Shay put on a glove and played in the right field. Even though no hits came his way, he was obviously ecstatic just to be in the game and on the field, grinning from ear to ear as I waved to him from the stands.

In the bottom of the ninth inning, Shay's team scored again. Now, with two outs and the bases loaded, the potential winning run was on base and Shay was scheduled to be next at bat.

At this juncture, do they let Shay bat and give away their chance to win the game? Surprisingly, Shay was given the bat. Everyone knew that a hit was all but impossible because Shay didn't even know how to hold the bat properly, much less connect with the ball.

However, as Shay stepped up to the plate, the pitcher, recognizing that the other team was putting winning aside for this moment in Shay's life, moved in a few steps to lob the ball in softly so Shay could at least make contact.

# FROM THE MEMBERS

Continued:

The first pitch came and Shay swung clumsily and missed. The pitcher again took a few steps forward to toss the ball softly towards Shay. At the pitch came in, Shay swung at the ball and hit a slow ground ball right back to the pitcher.

The game would now be over. The pitcher picked up the soft grounder and could have easily thrown the ball to the first baseman. Shay would have been out and that would have been the end of the game.

Instead, the pitcher threw the ball right over the first baseman's head, out of reach of all team mates. Everyone from the stands and both teams started yelling, 'Shay, run to first!'

Never in his life had Shay ever run that far, but he made it to first base. He scampered down the baseline, wide-eyed and startled.

Everyone yelled, 'Run to second, run to second!'

Catching his breath, Shay awkwardly ran towards second, gleaming and struggling to make it to the base.

By time Shay rounded towards second base, the right fielder had the ball. The smallest guy on their team who now had his first chance to be the hero for his team.

He could have thrown the ball to the second-baseman for the tag, but he understood the pitcher's intentions so he, too, intentionally threw the ball high and far over the third-baseman's head.

Shay ran toward third base deliriously as the runners ahead of him circled the bases toward home.

All were screaming, 'Shay, Shay, Shay, all the Way Shay!'

Shay reached third base because the opposing shortstop ran to help him by turning him in the direction of third base, and shouted, 'Run to third!'

As Shay rounded third, the boys from both teams, and the spectators, were on their feet screaming, 'Shay, run home! Run home!'

Shay ran to home, stepped on the plate, and was cheered as the hero who hit the grand slam and won the game for his team

'That day', said the father softly with tears now rolling down his face, 'the boys from both teams helped bring a piece of true love and humanity into this world'.

Shay didn't make it to another summer. He died that winter, having never forgotten being the hero and making me so happy, and coming home and seeing his Mother tearfully embrace her little hero of the day!

## A LITTLE FOOT NOTE TO THIS STORY:

We all have thousands of opportunities every single day to help realize the 'natural order of things.' So many seemingly trivial interactions between two people present us with a choice:

Do we share a little spark of love and humanity or do we pass up those opportunities and leave the world a little bit colder in the process?

A wise man once said every society is judged by how it treats it's least fortunate amongst them

## **TIPS ON PHOTOS FOR THE MAGAZINE**

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

## **THE HONDA NEOWING TRIKE**

**Honda NEOWING: NEOWING is an unprecedented three-wheeled vehicle that offers the cornering feel and sporty ride equivalent to a large-sized motorcycle while realizing excellent stability in low-speed ranges. This vehicle is equipped with a hybrid system that combines a horizontally-opposed 4-cylinder engine and electric motors to generate plentiful torque for powerful acceleration. With the adoption of an original Honda linkage mechanism on its front wheel, this concept model proposes new values with advanced styling that emphasizes the mechanical fascination of a two-wheeled motorcycle model.**

## **BTW BOD Elections**

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
