**THIS PROVES THAT NO
MATTER HOW BIG YOUR DOGS
ARE THERE IS ALWAYS A WAY
TO TAKE THEM ALONG**

From your BTW Headquarters

Hi everyone, am I ever glad to see that some are able to get out and ride finally and even get to go have a meal together. Hopefully we are now on the downward side of this pandemic.

We have received several ideas about the representation in BTW, of all the different types of trikes and of course all the ladies who are now riding their own trikes. Some of the ideas were to add “sisters”, to our name, or change to our name to Riders of the Third Wheel. Some suggested we add sections to the website and magazine for each type of trike, others suggested that we leave well enough alone. I am not sure which of these ideas is best but I do know that we do need to recognize everyone or we will be left behind as our industry grows. Everything changes with time and so must BTW. Please make your input known, so we can do what the majority of the members wish, and our Association can keep growing

with the times. On a much lesser note, I am getting better, at a snails pace, but it is in the right direction and am still hoping to get to a trike-in before this year ends. If I clean the trike one more time, I will remove the paint. Looking forward to seeing you on the road, so ride safe and enjoy Triking.

The Front Cover: Is a photo sent to us from our Brothers and Sisters in BC Canada,

NOTICE: The Financial Statement for 2018 is completed and posted to the Web Site

The "TRIKER" is the best way in the World to reach ALL trike riders.

Member Dan Wardrop from Brooks Ab, Canada showing off his new trike. The back is a Fiero and the fairing is a Liberator from a 1974 FLH Harley. The bench seats are from Caravans as they have arm rests on both sides. That way the passengers are sitting in not on the seat. Then I can put 2 per seat. The total length is 18.5 feet. It took my friends and I 4.5 winters to build. But now that it is on the road, I'm having fun with it!

A recent picture of new Iowa State Director Fred Reese and wife Linda. It's been a rough summer for those two since Linda had surgery this spring and then chemotherapy most of the summer while staying isolated from everyone else due to the virus. FROM THE MEMBERS

Talk about social distancing, these Siouxland Trikers are putting a state between them. Erma TeGrotenhuis is in Minnesota, LeAnn Kuester is in South Dakota (Dakota Territories) and Larry TeGrotenhuis is in Iowa. While on a midweek chapter ride, they stopped off at this landmark. The inscription on the plaque reads, "TRI-STATE MARKER 1859 SET AT THE JUNCTION OF THE STATES OF MINNESOTA, IOWA AND DAKOTA TERRITORY BY FEDERAL LAND OFFICE SURVEY OF MINNESOTA'S WESTERN BOUNDARY". They also visited Arrowhead Park and hand fed the geese and fish then went to the Mary Jo Wegner Arboretum & East Sioux Falls Historic Site. A beautiful day with 77* as a high with no wind.

I have returned and bet you thought I'd given up, NOT! I've been taking care of the wife during her recovery from knee surgery and she is doing fine. During this time I have been able to pick on some of the smalls and do my darndest to keep my project moving. Completed all the painting and all parts ordered, it time to reassemble and see if I can get this v6 monster back on the road. I started yesterday with assembling the rear leaf spring suspension. This morning I set up the rear-end to receive tail frame and leaf suspension. I'll leave you with a few pics of my build. Enjoy Well I took another step forward with the application of pumpkin rap bumper and shocks. Next I will continue with other structural parts to frame. This will allow me to look towards mounting the engine and trans. Here are a few more pics.: Roy Witherspoon

TWO MEMBERSHIPS COMBINED FOR STRONGER PEACE OF MIND.

In a medical emergency every second counts, especially when transporting patients who are far away from adequate medical treatment. We respond to scene calls and provide hospital-to-hospital transports—carrying seriously ill or injured patients to the nearest appropriate medical facility.

WHEN YOU JOIN, YOU'RE COVERED

Greetings from Siouxland Trikers of Northwest Iowa on a recent trip to the Black Hills of South Dakota. Lots of tunnels and lunch by a neat little stream, a lakeside stop, "shooting" at Deadwood, & 3 trikes in one parking spot at Keystone, a stop at Sturgis and several pictures from Spearfish Canyon. Thanks to Marge for taking lots of great pictures from the trike as we were driving. We had a great time touring the "hills" for 4 days

News from Around the World on Trikes

Van Voorst says, Hello from Siouxland Trikers in Northwest Iowa.
A few pictures from a recent ride to our Iowa Great Lakes.

Today I would like to thank the group from Bothers of the Third Wheel Chapter Bridge City Trikers. They had a small number show for their meeting but always a pleaser see them and see all is well. Today after the meeting Jim (Paco) Giesinger Chapter Director, took the group on a roundabout through southern Washington's stopping at a little out of the way rest stop just off Hy 14. Surprisingly, everybody else knew about this out of the way place, it was packed. I snipped a few pic and can't wait for our next gathering. Have fun and ride safe. Roy W.

ITEMS OF INTEREST

In an effort to better represent the members of our Association, the Board has made the following changes to the Regions and the Regional Directors who represent them.

TIPS ON PHOTOS FOR THE MAGAZINE

IF YOU TAKE PHOTOS WITH YOUR PHONE AND IT IS SET AT 72 PIXELS IT IS THE LOWEST QUALITY OF PICTURE THAT THE PHONE PRODUCES. MOST PHONES CAN BE SET TO A GREATER PIXEL OUTPUT.

EACH PHONE SETTING IS DIFFERENT, HOWEVER YOUR SERVICE PROVIDER CAN HELP WITH HOW THAT IS DONE. A SETTING OF 150 PIXELS IS GOOD AND 200 PIXELS WILL GIVE YOU A BEAUTIFUL PHOTO, THAT WILL NOT BE GRAINY AND THE COLORS WILL BE TRUE AND SHARP. PHOTOS THAT WE RECEIVE AT HQ IN 72 PIXELS ARE RUN THROUGH A PROGRAM TO CLEAN THEM UP BUT NOT MUCH HAPPENS AS THE BASE IS SO LOW THAT THE PROGRAM CAN ONLY LIGHTEN OR DARKEN THEM. THIS IS JUST A TIP SO WE CAN POST BETTER PICTURES IN THE MAGAZINE TO MAKE YOUR TRIKE LOOK ITS BEST AND OF COURSE YOU AS WELL. HOWEVER IN MY CASE IT WOULD TAKE MORE THAN MORE PIXELS TO MAKE ME LOOK GOOD

BTW BOD Elections

BTW is split into 10 Regions; 9 of these regions are in the USA and Canada and the final one covers all areas outside of the USA & Canada. Each Region has a Regional Director. The Regional Directors serve as the Board of Directors. The Board makes decisions regarding the running of BTW, with each Regional Director being elected for a three-year term by the Directors in their Regions. If your Regional Director is not participating in the Board Meetings or being in touch with the Directors in their region, it is up to the membership to request them to step down. The Regions are set out on the Contact page on the forum and in every Triker. For more info, contact Headquarters.

If it is your Region's turn to vote for your Director, have your Chapter or State Director contact HQ and get the documentation for the election.

The nomination period for these posts ends May 1st, and any names submitted will be added to the list of nominees for the regions, if no names are submitted for the position, the previous representatives will remain in their post for the next three years.

As you will see we have REGIONS still needing a Director, so if you are a fully paid up member in Region 6, 7 or 8 and would like to step up and represent the members in your area, please get in touch with HQ and discuss the post and the possibility of you taking this on.
